---

**THE DEATH OF  
SPEEDY**

University of Texas  
Press  
In Ofelia, the sisters,  
the kids, and the  
cousins are all settled  
comfortably in  
California after leaving  
Palomar in Luba and  
Her Family. Luba and  
her cousin Ofelia's  
relationship has always  
been fraught, but when

Ofelia threatens to  
write a book about  
Luba, past memories,  
secrets, resentments,  
and pain resurface.  
Meanwhile, Luba's  
children—genius  
Socorro, recently out-  
and-proud Doralis, and  
prickly Maricela—show  
that a talent for trouble  
may be hereditary.  
Luba's sisters, Fritz and  
Petra, swap lovers (as  
usual), but . . . are Fritz  
and family friend Pipo  
sittin' in a tree? These  
vividly drawn  
characters are charged  
with Hernandez's

trademark complexity; they live, love, age, fight—and die—in this sweeping, multi-generational saga.

### **The Love and Rockets Companion**

Maggie the Mechanic  
Love and Rockets Book  
Collects ROCKET GIRL #1-5. A teenage cop from a hightech future is sent back in time to 1986 New York City. Dayoung Johansson is investigating the Quintum Mechanics megacorporation for crimes against time. As she pieces together the clues, she discovers the 'future' she calls home—an alternate reality version of 2014—shouldn't exist at all!

Rocket Girl returns this fall with #6 and a new arc!

The Daniel Clowes Reader  
Fantagraphics  
Books

"Human Diastrophism" is the only full graphic novel length "Palomar" story ever created by Gilbert. In it, a serial killer stalks Palomar—but his depredations, hideous as they are, only serve to exacerbate the cracks in the idyllic Central American town as the modern world begins to intrude. "Diastrophism" concludes with the death (the suicide, in fact) of one of Palomar's most beloved characters, and a postscript that provides one of the most hauntingly magical moments of the entire series as a rain of ashes drifts

down upon Palomar. Also included are all the post-"Diastrophism" stories, in which Luba's past (as seen in the epic Poison River) comes back to haunt her, and the seeds are sown for the "Palomar diaspora" that ends this dense, enthralling book.

## ROCKET GIRL VOL. 1

Fantagraphics Books  
The suppression of family history is the initial thread that ties together The Love Bunglers, featuring Hernandez's longtime Love and Rockets heroine Maggie. Because these secrets can't be dealt with openly, their lingering effect is even more powerful. But Maggie's ability to navigate and find meaning in her life - despite losing her

culture, her brother, her profession, and her friends - is what's made her a compelling character. After a lifetime of losses, Maggie finds, in the second half, her longtime off and on lover, Ray Dominguez. Much like John Updike in his four Rabbitnovels, Jaime Hernandez has been following his longtime character Maggie around for several decades, all of which has seemed to be building towards this book in particular. Comics as Art Love and Rockets  
To a very great extent, Love and Rockets is synonymous with Hoppers' Maggie & Hopey and Palomar's Luba & Carmen & Heraclio & Tonantzin... but there was always more to L and R than

that. Amor y Cohetes finally collects together in one convenient package all the non-Maggie and non-Palomar stories by all three Hernandez Brothers from that classic first, 50-issue Love and Rockets series—a dizzying array of styles and approaches that re-confirms these groundbreaking cartoonists' place in the history of comics.

A Love and Rockets Book  
Fantagraphics Books

Five women stand in a police lineup; four of them are garishly dressed, impressively endowed superwomen — perfectly normal, because this is, after all, the cover of a comic book. A closer look, however, reveals a fifth woman who seems thoroughly out

of place — mousy, in bathrobe and curlers, smoking a cigarette, she appears to have been suddenly yanked from her breakfast table. Surely, this diminutive, dowdy woman is here by mistake — or is she? From the very first cover of the very first issue of Love and Rockets in 1982, Gilbert and Jaime Hernandez have created artwork that has subverted, contradicted and celebrated the history of the comic book medium, inverting familiar tropes and creating some of the most iconic images in comics over the past three and a half decades, inviting fans and readers into their world. Amazingly, many of the covers created by Gilbert and

Jaime Hernandez for the various iterations of Love and Rockets over the past 35 years have never been collected or have only been reprinted in black-and-white. Love and Rockets: The Covers will not only rectify this problem, but present them without trade dress (logos, marketing hype, etc.), allowing the original cover illustrations to communicate on their own.

### **Hernandez Satyricon**

Fantagraphics Books  
It is hard to discuss the current film industry without acknowledging the impact of comic book adaptations, especially considering the blockbuster success of recent superhero movies. Yet transmedial adaptations are part of

an evolution that can be traced to the turn of the last century, when comic strips such as “Little Nemo in Slumberland” and “Felix the Cat” were animated for the silver screen. Representing diverse academic fields, including technoculture, film studies, theater, feminist studies, popular culture, and queer studies, Comics and Pop Culture presents more than a dozen perspectives on this rich history and the effects of such adaptations. Examining current debates and the questions raised by comics adaptations, including those around authorship, style, and textual fidelity, the contributors consider the topic from an array of approaches that take into account

representations of sexuality, gender, and race as well as concepts of world-building and cultural appropriation in comics from Modesty Blaise to Black Panther. The result is a fascinating re-imagination of the texts that continue to push the boundaries of panel, frame, and popular culture.

### **A LOVE AND ROCKETS BOOK**

Fantagraphics Books  
Locas in Love presents the first collection of this ongoing series, highlighting the best moments from the first four issues.

### **PERLA LA LOCA**

Fantagraphics Books  
When Mexican-American rock girl Maggie Chascarrillo and feisty anti-authoritarian punkette

Hopey Glass first meet, a turbulent yet enduring relationship is born.

LOCAS Fantagraphics Books

A collection of 10 of the Harvey, Eisner and Ignatz Award-winning artist's most influential graphic narratives is complemented by interviews discussing his career and creative process as well as 12 thought-provoking essays by leading scholars and critics that place his work in cultural, historical and biographical contexts. Original. 10,000 first printing.

*We Told You So*

Fantagraphics Books  
The "director's cut" edition of the sprawling super-hero epic from Love and Rockets. Originally serialized in Love and Rockets New Stories, "Ti-Girls

Adventures” managed to be both a rollickingly creative super-hero joyride (featuring three separate super-teams and over two dozen characters) that ranged from the other side of the universe to Maggie’s shabby apartment, and a genuinely dramatic fable about madness, grief, and motherhood as Penny Century’s decades-long quest to become a genuine super-heroine are finally, and tragically, fulfilled. In addition to introducing a plethora of wild new characters, God and Science brings in many older characters from Jaime’s universe, some from seemingly throwaway shorter strips and some from Maggie’s day-to-day world (including some real surprises). The

main heroine of the story, forming a bridge between the “realistic” Maggie stories and the super-heroic extravaganza is “Angel,” Maggie’s sweet-tempered and athletic new roommate and best friend, and now herself an aspiring super-heroine.

Ghost of Hoppers

Fantagraphics Books

In a story about a musical event that never happens before the Iraq War and Rodney King uprisings, American sexual, racial, and personal politics are explored through the reasons and resiliencies of Gilbert Hernandez's very human characters.

**Maggie the  
Mechanic**

Fantagraphics Books

Two classic Gilbert Hernandez Love and

Rockets graphic novels in one beautiful volume: "Poison River" traces the backstory of Luba, from child to teenage mob bride to her escape to Palomar; "Love and Rockets X" is a wide-ranging, Altman-esque story set in early-1990s L.A.

### **A ROCK AND ROLL HEADACHE**

Fantagraphics Books  
A stand-alone installment in the Locas universe finds Ray diligently pursuing a dysfunctional would-be actress through a series of counter-culture arenas in spite of his lingering feelings for Maggie, while Hopey undergoes a series of personal, professional, and cosmetic changes.

### **Three Sisters**

Fantagraphics Books  
Collects the stories of

a group of young Californians coping with maturity, where Hopey must settle into a teacher's assistant position, Maggie manages a motel, and Ray overcomes his insecurities to reconnect with Maggie.

Luba and Her Family  
Fantagraphics Books

The final Vol. 1 collection, with uncollected stories from the previous three years. Easily the wildest and most outlandish volume!

*Palomar* Fantagraphics Books

Vol. 4- have imprint Westlake Village, CA.

Esperanza

Fantagraphics Books  
Tonta is staying for the weekend with her half-sister, the self-absorbed Vivian. At home, Tonta's stepfather is shot during a botched

burglary, which leads to the discovery of family secrets that require Tonta to confront some unpleasant truths that she previously managed to suppress or remain ignorant of. Meanwhile, back at school, Tonta and Gomez discover that Coach Angel harbours a secret of her own (can you say, 'lucha

libre?') while local punk band Ooot provides the soundtrack for a summer not soon to be forgotten.

### **Human Diastrophism**

Fantagraphics Books  
Collects stories featuring the inhabitants of a mythical South American town called Palomar and the interconnected lives of its unusual inhabitants.
