Ernest C. Lucas identifies the central  
theme of the book of Daniel as the  
sovereignty of the God of Israel. With  
even-handedness and clarity, he  
demonstrates that there is much in  
Daniel that is readily understandable  
and applicable, and that there are also  
theological depths that are rewarding for  
those willing to wrestle with the issues  
they raise.

**Parliamentary Papers** InterVarsity

"Jesus Christ entered into the history of  
our world. Christianity, therefore, has  
historical basis. The backbone of history  
is chronology. Whereas history is a  
systematic account of events in relation  
to a nation, institution, science, or art;  
chronology is a science of time. It seeks  
to establish and arrange the dates of  
past events in their proper sequence.  
Thus chronology serves as a necessary  
framework upon which the events of  
history must be fitted. In this book (the  
author) attempts to establish certain  
fixed dates in our Lord's life." - Dr.  
Harold W. Hoehner. Dr. Hoehner has  
gathered a vast amount of data, both

from Scripture and extrabiblical sources,  
to support his conclusions concerning  
key dates in the life of our Lord, among  
them: - The Date of Christ's Birth - The  
Commencement of Christ's Ministry - The  
Duration of Christ's Ministry - The Year of  
Christ's Crucifixion He carefully  
documents his position and compares  
the date available--including a study of  
Greek words, Roman law, and Jewish  
customs and prophecy.

Now you can study the Bible with the  
faculty of the Moody Bible Institute!  
Imagine having a team of 30 Moody  
Bible Institute professors helping you  
study the Bible. Now you can with this  
in-depth, user-friendly, one-volume  
commentary. General editors Michael  
Rydellnik and Michael Vanlaningham  
have led a team of contributors whose  
academic training, practical church  
experience, and teaching competency  
make this commentary excellent for  
anyone who needs help understanding  
the Scriptures. This comprehensive and  
reliable reference work should be the  
first place Sunday school teachers, Bible  
study leaders, missionaries, and pastors  
turn to for biblical insight. Scripture  
being commented on is shown in bold  
print for easy reference, and maps and  
charts provide visual aids for learning.  
Additional study helps include  
bibliographies for further reading and a  
subject and Scripture index. The Moody  
Bible Commentary is an all-in-one Bible

study resource that will help you better understand and apply God's written revelation to all of life.

**A Quick-Reference Manual for Hebrew Exegesis** Lulu.com

This work on Hebrew Syntax is designed as a practical quick-reference manual for students moving from the study of elementary Hebrew grammar to that of Hebrew syntax and exegesis. This manual provides an easily accessible list of syntactical options for verbs, participles, nouns, and clauses. Each syntactical option is carefully illustrated. In addition, three helpful supplements are provided to assist those engaged in the task of exegesis. The first covers the most commonly encountered figures of speech. The second provides a complete list of signs and symbols appearing in the text-critical apparatus of the Hebrew Bible. The third provides a comprehensive list of Latin words and abbreviations appearing in the text-critical apparatus. With this manual in hand, the student has the basic tools in hand necessary for understanding Hebrew syntax and doing serious exegesis in the Hebrew Bible. The author holds a PhD in Hebrew studies from the Univ of Texas at Austin and has taught Hebrew language and exegetical courses for nearly forty years. He is also the author of the in-depth commentary on the Book of Daniel for the Evangelical Exegetical Commentary series.

*Dürer and Beyond American Vision*

"...began in 1990 with the goal of producing a NT commentary from the Free Grace perspective" -- from preface.

*Thom's Directory of Ireland* Wm. B.

Eerdmans Publishing

In this volume from the Evangelical Exegetical Commentary, Paul Tanner argues that the book of Daniel is the Old Testament blueprint of the Bible's

overarching eschatological narrative.

Tanner examines key aspects of the book of Daniel such as the revelation of Israel's future in relation to gentile kingdoms, God's exaltation of Daniel as a channel through whom he reveals his will and God's sovereign control of the nations under whom Israel is being disciplined. Tanner provides exegetical insight to help readers better understand not only how God worked in Israel's history through Daniel, but how he sovereignly directs all of world history - for all time.

"The Free Grace movement has been

accused by some within the Reformed

tradition of being new or novel and

diminishing the gospel. Is that a fair

characterization? A Defense of Free

Grace Theology is a scholarly yet irenic

response to the overextended criticism

of Grudem and others of Free Grace

theology by five of its leading scholars.

The nature of faith and its relationship to

assurance is a crucial issue in theology and practice. Here is a work of clarity and charity that not only addresses the concerns of the critics but outlines a robust theology of Salvation solidly built on a biblical foundation. For all of us who are concerned about the gospel, this is a must read." David L. Allen, Ph.D. Dean and Distinguished Professor of Preaching Southwestern Baptist Theological Seminary Today there are many theological issues and arguments concerning a variety of significant theological topics. However, the topic of, and biblical evidence for, soteriology is perhaps the most important issue of the day or for any day. Although evangelicals do agree salvation is by grace alone through faith alone in Christ alone, they do not always agree on some of the implications and consequences. A Defense of Free Grace Theology is a rejoinder to Dr. Wayne Grudem's critique of Free Grace Theology and a response to other Reformed theologians' articulations and conclusions. The contributors to this book seek to biblically describe and defend a true Grace Theology and answer the deficiencies and criticisms that have been expressed.

*Third series* Moody Pub

The book of Daniel is a literary rich and complex story known for its apocalyptic style. Written in both Hebrew and Aramaic, the book begins with stories of Daniel and three Jewish young men Hananiah (Shadrach), Mishael (Meshach), and Azariah (Abednego) who are exiles among the remnant from Judea in Babylon in sixth century b.c.e. It ends with Daniel's visions and dreams about the Jewish community that offer comfort and encouragement as they endure persecution and hope for deliverance into God's kingdom.

Newsom's commentary offers a fresh study of Daniel in its historical context. Newsom further analyzes Daniel from literary and theological perspectives. With her expert commentary, Newsom's study will be the definitive commentary on Daniel for many years to come. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing. The editorial board consists of William P. Brown, Professor of Old Testament, Columbia Theological Seminary in Decatur, Georgia; Carol A. Newsom, Charles Howard Candler Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia; and Brent A. Strawn, Professor of Old Testament, Candler School of Theology at Emory University in Atlanta, Georgia. [Evangelical Exegetical Commentary: Daniel](#) Moody Publishers

James, H.P. Lovecraft, A. Merritt, Edith Nesbit, Fitz-James O'Brien,

Edgar Allan Poe, John Polidori, Bram Stoker, H.G. Wells, Edward Lucas White.

**A Commentary** Metropolitan Museum of Art

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization

Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its

relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here.

Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues.

General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

**Annual Bibliography of Modern Art** AuthorHouse

An introduction to the Bible offers background material on the text, its history, and the Bible world, summaries of each section and book, and information on civilization in Biblical times and the historical context.

## **U. S. ARMY REGISTER**

Springer

This book is about building and delivering great customer experiences. Many companies neglect this, but the physical execution and emotional impact of customer experiences, companies and brands may ultimately determine customer satisfaction and loyalty and commercial success. With the use of compelling examples and cases the authors show that this is key for all companies and organisations.

**The Key to Prophetic Revelation** Zondervan

This volume goes beyond a mere presentation of the author's interpretation of Old Testament prophecy. It quotes Bible scholars from different corners of the theological ring to help the reader discover the meaning of Scripture of himself.

### **COMBINED LINEAL LIST OF OFFICERS ON ACTIVE DUTY IN THE MARINE CORPS**

Peter Lang

Daniel asserts that the meaning of history is that God's kingdom is coming. As it does, faithful people persevere in their work for God. In this Tyndale

commentary, Paul House shows how Daniel rewards readers who embrace its historical, literary, and theological features as key means of personal and community formation.

### **DANIEL**

From former pastor and professor Dale Ralph Davis, this replacement volume in the Bible Speaks Today Old Testament commentary series offers a reliable exposition of the visionary book of Daniel for pastors and lay commentary readers. Explaining the background to Daniel, he sifts through interpretive issues and then offers a faithful exposition of the book's message.
