### Titans 2 - Deathtrap Murder Room

Dip your toes into the award-winning book series! "I'm already a huge fan of Max and the Multiverse, and this story pulled some good giggles." —S. Shane Thomas, Science Fantasy Hub Max shifts between parallel universes whenever he falls asleep. A curious affliction, especially for a nerdy teen trapped on a spooky spaceship. Max awakes aboard a large and mysterious vessel. It's dark, it's smelly, and he's bleeding from the head. His crewmates are nowhere to be found. Not the best way to start a day, and matters are made even worse when he begins to uncover the truth of his predicament. \* Haven't read the books? No problem! Max and the Multiverse shorts are stand-alone tales that serve as entry points into the series. And if you're hungry for more, this short also includes the first chapter of book one as a springboard into the saga. \* Also available in the Series Box Set (3 Books, 3 Shorts).

### Official Fighting Fantasy Colouring Book 3 Presidio Press

The true-crime story of a bitter divorcée and the murder of her ex and his new wife, by the New York Times bestselling author of Cruel Death. It started when Alan Bates and his new wife arrived at his ex's house to pick up his two daughters for a weekend visit. Then two charred bodies were found in a burned-out car on a lonely Georgia road . . . and investigators pieced together a shattering story of a vicious divorce, a spurned woman's bitter rage, and a thirst for revenge that led to cruel, unflinching murder. Updating this gripping true-life thriller with shocking new details, M. William Phelps uncovers the cold heart of an unthinkable crime. Praise for Death Trap "A chilling tale of a sociopathic wife and mother willing to sacrifice all those around her to satisfy her boundless narcissism . . . A compelling journey . . . Fair warning: for three days I did little else but read this book." —Harry N. MacLean, New York Times bestselling author of In Broad Daylight Perfect for readers of Anne Rule and Kathryn Casey Includes sixteen pages of dramatic photos

### A Study Guide for Ira Levin's "Deathtrap" Canelo

Up north, the summers are brief -- and winter, like death, is cold and long . . . Recovering from knee surgery that will cause her to miss the upcoming dogsled racing season, champion "musher" Jessie Arnold feels empty and bored -- so she grabs an opportunity to fill her days manning the Iditarod booth at the Alaska State Fair. But murder becomes an attraction here as well -- an especially brutal one -- when the corpse of a small-time hoodlum slain by a double-blade axe blow to the skull turns up on the fairgrounds. Jessie shouldn't get involved, having already seen too much violent death in her lifetime. But strange connections are linking the killing with a child's kidnapping . . . and with the sudden disappearance of her own beloved lead sled dog. Soon friends old and new will be pulled in as well when the unthinkable occurs: Jessie herself vanishes without a trace.

### Deathtrap Dungeon Dana Marton

In life, Jane Ann never had much use for a halo, but in her violent death she finally earned one. When they found a suspect, everyone relaxed except Hugh MacReedy. Maybe he should have stayed out of it, but MacReedy owed a big debt to the patsy they were sending to the electric chair in a week. And he would have stayed out of it, if he'd known what his chances were of coming out alive ...

"This is an extremely intelligent, interesting, and well written book." -- Murder Is Academic "... compelling analysis of the comedy thriller..." -- Theatre Studies "... almost as much fun to read as is seeing the actual plays discussed..." -- Journal of Popular Culture The phenomenal success of such plays as Deathtrap and Sleuth heralded the advent of a new form of detective play -- the comedy thriller. Carlson takes the wraps off the comedy thriller and reveals its postmodern effects. He looks at all the elements of the thriller -- openings, settings, characters, plot lines, the role of the audience, and endings -- and shows how they work to overturn the conventions of realism in detective drama.

It's New Year's Eve 1980, and the students of DeAngelo High School are lacing up their skates for the All-Night New Year's Lock-In at the Rollerville Roller Disco. Some of them just want to skate and dance the night away to the pounding disco music. Some want to pull a few pranks and have a few laughs. For others, like Dan Parsons, tonight is a chance to move on and forget about his ex-girlfriend, maybe even flirt with Denise, that cute girl behind the snack counter. It seems like nothing can go wrong. But there's a massive blizzard raging outside, thick snow and ice are piling up against all the doors. There are those rumors that Rollerville was built over part of the old graveyard next door, and someone out there is watching. Also, a strange homeless man in the parking lot says that tonight will be the start of the so-called "Year of Blood." A night of skating and New Year's fun is about to turn into a night of violence and bloody mayhem in Disco Deathtrap.

On the afternoon of December 30, 1903, during a sold-out matinee performance, a fire broke out in Chicago's Iroquois Theatre. In the short span of twenty minutes, more than six hundred people were asphyxiated, burned, or trampled to death in a panicked mob's failed attempt to escape. In Chicago Death Trap: The Iroquois Theatre Fire of 1903, Nat Brandt provides a detailed chronicle of this horrific event to assess not only the titanic tragedy of the fire itself but also the municipal corruption and greed that kindled the flames beforehand and the political cover-ups hidden in the smoke and ash afterwards. Advertised as "absolutely fireproof," the Iroquois was Chicago's most modern playhouse when it opened in the fall of 1903. With the approval of the city's building department, theater developers Harry J. Powers and William J. Davis opened the theater prematurely to take full advantage of the holiday crowds, ignoring flagrant safety violations in the process. The aftermath of the fire proved to be a study in the miscarriage of justice. Despite overwhelming evidence that the building had not been completed, that fire safety laws were ignored, and that management had deliberately sealed off exits during the performance, no one was ever convicted or otherwise held accountable for the enormous loss of life. Lavishly illustrated and featuring an introduction by Chicago historians Perry R. Duis and Cathlyn Schallhorn, Chicago Death Trap: The Iroquois Theatre Fire of 1903 is rich with vivid details about this horrific disaster, captivantly presented in human terms without losing sight of the broader historical context.

### Disco Deathtrap Snowbooks

Our determined heroes, principals of Exalted Security, a worldwide investigation and security firm, are called on to help a displaced CEO in a warlord's takeover of his plant and his people in the Rift Valley in East Africa. The client himself, a target, warns them that the African mind is very devious, indeed. Before the adventure is even half finished, he proves the warning true. Jo and Sam nearly become part of the problem, rather than the solution, a rarity for both of them! A bumpy ride, fraught with firefights, white slavery and yes, fish. Fish? Hmmm. “An important contribution to the history of World War II . . . I have never before been able to learn so much about maintenance methods of an armored division, with precise details that underline the importance of the work, along with descriptions of how the job was done.”—Russell F. Weigley, author of *Eisenhower’s Lieutenants* “Cooper saw more of the war than most junior officers, and he writes about it better than almost anyone. . . His stories are vivid, enlightening, full of life—and of pain, sorrow, horror, and triumph.”—Stephen E. Ambrose, from his Foreword “In a down-to-earth style, *Death Traps* tells the compelling story of one man’s assignment to the famous 3rd Armored Division that spearheaded the American advance from Normandy into Germany. Cooper served as an ordnance officer with the forward elements and was responsible for coordinating the recovery and repair of damaged American tanks. This was a dangerous job that often required him to travel alone through enemy territory, and the author recalls his service with pride, downplaying his role in the vast effort that kept the American forces well equipped and supplied. . . [Readers] will be left with an indelible impression of the importance of the support troops and how dependent combat forces were on them.”—Library Journal “As an alumnus of the 3rd, I eagerly awaited this book’s coming out since I heard of its release . . . and the wait and the book have both been worth it. . . Cooper is a very polished writer, and the book is very readable. But there is a certain quality of ‘you are there’ many other memoirs do not seem to have. . . Nothing in recent times—ridgerunning in Korea,

firebases in Vietnam, or even the one hundred hours of Desert Storm—pressed the ingenuity and resolve of American troops . . . like WWII. This book lays it out better than any other recent effort, and should be part of the library of any contemporary warrior.”—Stephen Sewell, *Armor Magazine* “Cooper’s writing and recall of harrowing events is superb and engrossing. Highly recommended.”—Robert A. Lynn, *The Stars and Stripes* “This detailed story will become a classic of WWII history and required reading for anyone interested in armored warfare.”—Publishers Weekly (starred review) “[*Death Traps*] fills a critical gap in WWII literature. . . It’s a truly unique and valuable work.”—G.I. Journal [Deathtrap \(Crossbreed Series: Book 3\) CreateSpace](#) Alfred de Liagre, Jr. [and] Roger L. Common Smith is in a race against time to retrieve sensitive British intelligence before it falls into enemy handsYugoslavia, Winter 1924. The British official courier plane from Cairo to Gibraltar has been forced down in the mountains off the Yugoslavian coast by snow. The plane was on its way to London bearing vital documents about Moscow’s plans for the Balkans, including an uprising in Yugoslavia. It is vital that no one finds these plans, including the Royal Yugoslavian Secret Police, for they too have communist sympathisers in their ranks. Now, in a race against time, Common Smith and the crew of the *Swordfish* must sail to the island of Vis, then up the River Dvar and smuggle themselves into the snow-bound mountains. Their mission: recover the British airmen and the sensitive documents they were carrying. But the elements and Yugoslavian Secret Police are not the only forces Common Smith is contending with. A mysterious Communist leader is hiding out in these mountains with his men, and they know about the crash too... A gripping, edge-of-your-seat race against time from one of the masters of military adventure fiction.
