**El mago de papel**

Rowman & Littlefield  
¿Puede la magia salvar un corazón? Ceony Twill llega a la casa del mago Emery Thane con el corazón roto. Tras haberse graduado como la mejor de su clase en la Escuela Tagis Praff para Talentos Mágicos, la han asignado a Thane para que le enseñe la magia de papel, ¡a ella, que siempre había soñado con ser fusionadora y estudiar la magia de metal! Sin embargo, los hechizos que Ceony aprende

con el peculiar pero amable Thane son más maravillosos de lo que habría podido imaginar: insufla vida a criaturas de papel, hace realidad las imágenes de los cuentos e incluso lee el futuro. Pero una extirpadora, una practicante de la magia oscura y de sangre, entra en la vivienda y le arranca el corazón del pecho a Thane. Para salvar la vida de su profesor, Ceony deberá enfrentarse a la cruel maga y embarcarse en una aventura increíble que la llevará al interior del corazón de Thane, que sigue latiendo, y le revelará

sus mayores secretos. "Charlie es una escritora vibrante con una voz personal y una magnífica capacidad para crear mundos. He disfrutado muchísimo con El mago de papel, y estoy deseando leer todo lo demás de que ha escrito la autora" Brandon Sanderson "Mezclando steampunk, fantasía urbana, aventura y pura y auténtica imaginación, la saga de El mago de papel hace que cualquier autor esté celoso de Holmberg." Melissa Olson, autor de la saga de Scarlett Bernard "Ceony muestra un encomiable valor al enfrentarse a un mago más experto entrenado en las artes oscuras, y Holmberg le dedica una historia completa mientras deja mucho espacio para

secuelas... Este prometedor debut evoca a los primeros trabajos de Patricia Wrede." Publishers Weekly "Charlie N. Holmberg es experta en retratar personajes interesantes y complejos... El mago de papel es mi tipo de novela. Adoro cualquier historia ambientada en Inglaterra, especialmente en la Inglaterra de tiempos pasados, y el ritmo de la trama es rápido y va al grano y deja mucho espacio y preguntas sin resolver para una secuela. Me encantó que no terminara siendo la típica novela romántica acaramelada, sino que presentaba un giro interesante y al leerlo sentí una tensión muy emocionante. Además, la cubierta es

estupenda." Devin Brooks, *The Figmentist* "Es muy probable que los fans de Harry Potter disfruten esta historia por sus destellos de un nuevo mundo mágico estructurado, y que guste mucho a los fans de *El circo de la noche* de Erin Morgenstern por su caprichoso elemento romántico. Que sea fácil de leer lo convierte en una rápida evasión en comparación con la complejidad lingüística de *Jonathan Strange* y *el Señor Norrell* de Susanna Clarke. Así que si estás buscando una historia con un encanto único, ademanes románticos y la oscuridad intrínseca al poder, todo ello empapado por un mundo mágico aún por explorar, esta podría ser tu próxima lectura." Amanda

Lowery, *Thinking Out Loud* "Una arriesgada comedia de trama acelerada... La historia tiene el ritmo perfecto y me enamoré al instante de Ceony, de su astuta mente y rapidez de pensamiento. ¡Estoy deseando leer el próximo libro de la serie!" CheriePie's Book Reviews [Host Bibliographic Record for Boundwith Item Barcode 30112072131219 and Others](#) Xlibris Corporation Like its predecessors, this book serves as a guide to any adult interested in selecting books in Spanish for children in preschool through high school. Most of the books included in the guide have been published since 1984 and come from Argentina, Chile,

Colombia, Costa Rica, Cuba, Dominican Republic, Mexico, Nicaragua, Puerto Rico, Spain, Sweden, the U.S., Uruguay, and Venezuela. The author has identified books that highlight the lifestyle, folklore, history, fiction, poetry, theater, and classical literature of Hispanic cultures as expressed by Hispanic authors and has also included nonfiction and bilingual books and Spanish translations of popular fiction and nonfiction. With appendices and indexes.

### **A TREE WITHIN**

Mobile Library  
Drawing from in-depth interviews with a group of Puerto Ricans who requested a certificate of Puerto Rican citizenship, legal and historical documents,

and official reports not publicly accessible, Jacqueline Font-Guzmán shares how some Puerto Ricans construct and experience their citizenship and national identity at the margins of the US nation. Winner of the 2015 Juridical Book of the Year in the category of 'Essay Promoting Critical Thinking and Analysis of Juridical and Social Issues.'

### The Crime of Maldevelopment

Springer

A Tree Within (Arbol Adentro), the first collection of new poems by the great Mexican author Octavio Paz since his Return (Vuelta) of 1975, was originally published as the final section of The Collected Poems of

Octavio Paz,  
1957-1987. Among  
these later poems is a  
series of works  
dedicated to such  
artists as Miró, Balthus,  
Duchamp,  
Rauschenberg, Tapies,  
Alechinsky, Monet, and  
Matta, as well as a  
number of  
epigrammatic and  
Chinese-like lyrics. Two  
remarkable long  
poems --"I Speak of the  
City," a Whitmanesque  
apocalyptic evocation  
of the contemporary  
urban nightmare, and  
"Letter of Testimony,"  
a meditation on love  
and death--are  
emblematic of the  
mature poet in a  
prophetic voice.

This book follows Chinese porcelain through the commodity chain, from its

production in China to trade with Spanish Merchants in Manila, and to its eventual adoption by colonial society in Mexico. As trade connections increased in the early modern period, porcelain became an immensely popular and global product. This study focuses on one of the most exported objects, the guan. It shows how this porcelain jar was produced, made accessible across vast distances and how designs were borrowed and transformed into new creations within different artistic cultures. While people had increased access to global markets and products, this book argues that this new connectivity could engender more local outlooks and even

heightened isolation in some places. It looks beyond the guan to the broader context of transpacific trade during this period, highlighting the importance and impact of Asian commodities in Spanish America.

Good Places and Non-places in Colonial

Mexico CRC Press

Esta es la historia de una pequeña pulga que sueña con conocer el mundo. Todos se burlan de ella porque es muy pequeña, pero, con un poco de valor y perseverancia, les demostrará que puede llegar muy lejos... ¡incluso hasta las estrellas! Este libro le enseña a los niños que no hay metas imposibles y que siempre pueden lograr todo lo que se propongan si luchan por ello. El cuento ganó

el primer lugar en el Concurso de Guiones de Titerenet 2019, y ha sido presentado como obra de teatro en países como México, Chile, Argentina, El Salvador y Guatemala.

Ediciones Colihue SRL Giannalberto Bendazzi brings to light some of the lost relics of animation history with his new book, *Twice the First: Quirino Cristiani and the Animated Feature Film*. Unlike other works, however, Bendazzi focuses on the growth of animation in non-western countries. This book particularly emphasizes the contributions of Quirino Cristiani and how his work influenced other animators. Bendazzi

provides in-depth coverage about Cristiani's life, both professionally and personally. Twice the First takes the reader on an exciting journey through the historical development of animation through the eyes of Quirino Cristiani. Key Features A look back at the modest beginnings of feature film animation. An exciting account of some facts never before revealed in the history and development of animated film Among the fascinating information the reader can learn from this book, is that not all the action in cinematography took place in North America and Western Europe This book provides an important service in documenting the early

period of animation and filling in the gaps in the history of the development of animation.

**El barco de papel** El barco de papel

This book proposes that there is no better, no more complex way to access a community, a society, an era and its cultures than through literature. For millennia, literature from a wide variety of geocultural areas has gathered knowledge about life, about survival, and about living together, without either falling into discursive or disciplinary specializations or functioning as a regulatory mechanism for cultural knowledge. Literature is able to offer its readers knowledge through

direct participation in the form of step-by-step intellectual and affective experiences. Through this ability, it can reach and affect audiences across great spatial and temporal distances. Literature – what different times and cultures have been able to understand as such in a broad sense – has always been characterized by its transareal and transcultural origins and effects. It is the product of many logics, and it teaches us to think polylogically rather than monologically. Literature is an experiment in living, and living in a state of experimentation. About the author Ottmar Ette has been Chair of Romance Literature at the University of Potsdam, Germany,

since 1995. He is Honorary Member of the Modern Language Association of America (MLA) (elected in 2014), member of the Berlin-Brandenburg Academy of Sciences and Humanities (elected in 2013), and regular member of the Academia Europaea (since 2010).

### **LA NIÑA Y EL BARCO DE PAPEL**

Host Publications, Inc. Esta es sin duda la novela más maravillosa que he escrito en mi vida, y cuando alguien está tan orgulloso de su trabajo solo quiere compartirlo con el mundo entero, por eso he decidido que mi mejor obra jamás estará a la venta, sino que pueda apreciarse de manera gratuita. Quiero que sientas al leerla la

misma magia que yo he sentido al crear esta historia. Es mi forma de agradecer al universo por haberme dado este don de la creatividad, de poder imaginar y contar estas historias fantásticas. Casi veinte años de mi vida he dedicado a escribir esta novela, la he dejado descansar durante años, la he leído, corregido y reescrito más de mil veces hasta que al fin estuvo ajustada de manera exacta y precisa a mis expectativas. Cuatro historias que lindan entre la realidad y la fantasía se van a mezclar para formar una serie de sucesos únicos que van a conectar a los protagonistas atravesando generaciones y

tiempos. Náufragos de un barco de papel es una mirada inédita del mundo en el que vivimos, plagado de injusticias y dolor, pero también de amor y esperanza, que nos lleva por paisajes estremecedores y románticos, sin dejar de lado la intriga y la aventura. Con una profunda observación de la realidad que nos rodea, que nos aleja en soledades insondables y nos acerca a otros seres para conectar nuestras tristezas y alegrías con ellos, una realidad que nos obliga a amar y odiar sin miramientos, donde se nos arrebató todo lo más valioso y se nos devuelve en lugares y situaciones que nunca imaginamos. Cuatro historias que nos transportarán desde la Ucrania de 1932 en el

Holodomor, hasta los Estados Unidos de la post segunda guerra mundial, pasando por la Venezuela de 1990 y la España y Argentina del 2000, viviendo en cada paso los sentimientos de los personajes más controversiales y enigmáticos que la imaginación haya creado.

Twentieth-Century Latin American Poetry

New Directions Publishing  
Chilean New Song and the Question of Culture in the Allende Government focuses on the Chilean cultural scene during the Popular Unity government (1970-73), situating the discourses and artistic productions linked to the Chilean New Song movement.

**A Woman in Her**

**Garden** White Pine Press

"In order to talk with the dead you have to know how to wait: they are fearful like the first steps of a child. But if we are patient one day they will answer us with a poplar leaf trapped in a broken mirror, with a flame that suddenly revives in the fireplace, with a dark return of birds before the glance of a girl who waits motionless on the threshold." —from "In Order to Talk with the Dead" Reared in the rainy forests of Chile's "La Frontera" region which had nurtured Pablo Neruda a generation earlier, Jorge Teillier has become one of Chile's leading contemporary poets, whose work is widely read in Latin America and Europe

along with the poetry of his well-known contemporaries Nicanor Parra and Enrique Lihn. This English-Spanish bilingual anthology now introduces English-speaking readers to Teillier, with a representative selection of his best work from all phases of his career. Carolyn Wright has translated poems from the volumes *Muertes y maravillas* (1971), *Para un pueblo fantasma* (1978), and *Cartas para reinas de otras primaveras* (1985). Avoiding the bravura effects of some of his contemporaries, Teillier writes from a life lived directly and simply, returning time and again in his poetry to the timeless and mythic South of his boyhood, the "Land of

Nevermore."  
*El Barco de Papel*  
 Lulu.com  
 This book explores the causal relationship between the deregulation of international economic interests and the forms of violence that prevail in a large part of the Global South. More specifically, this book tells the story of how transnational corporations benefitting from increasing deregulation of their international economic interests, account for severe harm, the unrelenting violation of human rights, and maldevelopment in Latin America. Dependent on the structural deficiencies of the Latin American region, this book tests the examples of the extractive industries

and multinational expansionism and the link between deregulated economies at the international level and the damaging local effects that increase what is here called maldevelopment. Introducing the conceptual category of maldevelopment to criminology, the author makes recommendations for further research and outlines a network of possible mechanisms for its prevention and sanction - and for the work of reparation and construction towards the satisfaction of the needs of the victim or victimizable populations. This provocative and original text will be essential reading for those concerned with white collar crime and

crimes of the powerful, and for researchers in criminology, sociology, law, political science, development studies and international political economy.

**Books in Spanish for Children and Young Adults**

Nico Quindt  
Through a series of rich photographs, *Art of Captivity / Arte del Cautiverio* tells a compelling story about the war on drugs in Central America. Entirely bilingual in both English and Spanish, the book focuses on the country of Guatemala, now the principle point of transit for the cocaine that is produced in the Andes and bound for the United States and Canada. Alongside a spike in the use of crack cocaine, Guatemala City has witnessed the

proliferation of Pentecostal drug rehabilitation centers. The centers are sites of abuse and torment, but also lifesaving institutions in a country that does not provide any other viable social service to those struggling with drug dependency. Art of Captivity / Arte del Cautiverio explores these centers as architectural forms, while also showcasing the cultural production that takes place inside them, including drawings and letters created by those held captive. This stunning work of visual ethnography humanizes those held inside these centers, breaks down stereotypes about drug use, and sets the conditions for a hemispheric

conversation about prohibitionist practices – by revealing intimate portraits of a population held hostage by a war on drugs.

**El barco de papel** Oz Editorial

Chile emerged from military rule in the 1990s as a leader of free market economic reform and democratic stability, and other countries now look to it for lessons in policy design, sequencing, and timing.

Explanations for economic change in Chile generally focus on strong authoritarianism under General Augusto Pinochet and the insulation of policymakers from the influence of social groups, especially business and landowners. In this

book Eduardo Silva argues that such a view underplays the role of entrepreneurs and landowners in Chile's neoliberal transformation and, hence, their potential effect on economic reform elsewhere. He shows how shifting coalitions of businesspeople and landowners with varying power resources influenced policy formulation and affected policy outcomes. He then examines the consequences of coalitional shifts for Chile's transition to democracy, arguing that the absence of a multiclass opposition that included capitalists facilitated a political transition based on the authoritarian constitution of 1980

and inhibited its alternative. This situation helped to define the current style of consensual politics that, with respect to the question of social equity, has deepened a neoliberal model of welfare statism, rather than advanced a social democratic one.

In Order to Talk with the Dead Saúl Torres High state official and judge of the Supreme Court or the Segunda Audiencia, and later first bishop of the state of Michoacan, Vasco de Quiroga is still celebrated for the alternative community models he established for the Purepecha Indians in the Northwestern state of Michoacan in Mexico. This study offers the most complete approach to date to the writings directly

attributed to this state official of the Spanish Empire and also to the scholarship about him. This work provides critical readings of Quiroga's texts including the Rules and Regulations for the Government of the Hospitals of Santa Fe de Mexico and Michoacan, Información en Derecho, De Debellandis Indis and the Juicio de Residencia, and relates them to more widely known figures such as Ginés de Sepúlveda, Bartolomé de las Casas, Bernal Díaz del Castillo and Francisco de Vitoria among others. This book will be of interest to all those engaged in the history of literature, legal studies, utopianism, Hispanic/Spanish

studies of the Early Modern Period, Colonial Latin American Studies and Golden Age Studies.

Experiencing Puerto Rican Citizenship and Cultural Nationalism

Springer

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

### **CHINESE PORCELAIN IN COLONIAL MEXICO**

Rowman & Littlefield  
En la Historia de la literatura puertorriqueña a través de sus revistas literarias (2010), Jiménez Benítez aborda desde una perspectiva diferente el devenir histórico de nuestra literatura nacional. El lector encontrará apuntes sobre el periodismo literario en Puerto Rico durante los

siglos XIX, XX y XXI.  
Pero el eje medular  
será el estudio de las  
revistas que nos va  
llevando por todo el  
proceso histórico de la  
literatura  
puertorriqueña: sus  
movimientos,  
tendencias,

generaciones de  
autores y sus obras. El  
libro está dirigido a  
resaltar la importancia  
de las revistas  
literarias, como hilo de  
Ariadna, para descubrir  
así el hacer literario y  
crítico del país.
