Highlights of the book: Discussion about all the fields of Computer Aided Engineering, Finite Element Analysis Sharing of worldwide experience by more than 10 working professionals Emphasis on Practical usage and minimum mathematics Simple language, more than 1000 colour images International quality printing on specially imported paper Why this book has been written ... FEA is gaining popularity day by day & is a sought after dream career for mechanical engineers.

Enthusiastic engineers and managers who want to refresh or update the knowledge on FEA are encountered with volume of published books. Often professionals realize that they are not in touch with theoretical concepts as being pre-requisite and find it too mathematical and Hi-Fi. Many a times these books just end up being decoration in their book shelves ... All the authors of this book are from IITs & IISc and after joining the industry realized gap between university education and the practical FEA. Over the years they learned it via interaction with experts from international community, sharing experience with each other and hard route of trial & error method. The basic aim of this book is to share the knowledge & practices used in the industry with experienced and in particular beginners so as to reduce the learning curve & avoid reinvention of the cycle. Emphasis is on simple language, practical usage, minimum mathematics & no pre-requisites. All basic concepts of engineering are included as & where it is required. It is hoped that this book would be helpful to beginners, experienced users, managers, group leaders and as additional reading material for

university courses.

Proud and rebellious, Gideon is banished from the Light. His own words define his punishment, transforming bloodlust into literal hunger. Living by his sword, he wanders the land of mortals,

embittered and alone. Naomi works in secret, illuminating manuscripts for the Knights of St. John. Gideon is drawn to her beauty and fascinated by her innocence. She stirs the shattered remnants of his nobility, intensifying the conflict already raging within him. Gideon is unlike anyone Naomi has ever encountered before. His passionate kisses and intoxicating caresses leave her restless and wanting. Still, she senses the bleak loneliness he tries so hard to deny. Responding to his seduction with tenderness, she is determined to help him rediscover the beauty in life. The battle lines are drawn. Gideon must seek redemption or Fall. Naomi must lead her Rebel Angel back into the light before the forces of darkness have their way. Note: This book was previously published elsewhere under the same title and has been re-edited for Cerridwen Press.

These are more than dreams and visions: they're a calling. Six people. Five mind-numbing visions. Four ancient and mysterious artifacts. Two exotic locations. And one greedy man who will stop at nothing, not even murder, to achieve his goal. Rev. Adam Bridger and his wife, Dr. Rachel Tremaine are once again in the center of an adventure not of their making. And joining them are four total strangers who, along with Rachel, have seen visions that most mortals can't imagine. They have been called on a mission that will forever change the world--if they survive.
