Federal Communications Commission Reports

This book represents the eighth edition of what has become a well established reference work, MAJOR COMPANIES OF THE Guide to the =AR EAST & AUSTRALASIA. This volume has been carefully researched and updated since publication of the previous arrangement of the book 3dition, and

provides more company data on the most important companies in the region. The information in the This book has been arranged in order to allow the reader to find any entry rapidly and accurately. It is completely free of charge. For the second time, a third volume has been added to the series, covering major companies in Company entries are listed alphabetically within each section; Australia and New

Zealand, in addition three indexes are provided on coloured paper at the back of the book. The companies listed have been selected on the grounds of the size of their sales volume or balance sheet or their The alphabetical index to companies throughout East Asia lists the importance to the business environment of the country in all companies having entries in the book irrespective of their which they are based. The main book is updated and

published every year. Any company The alphabetical index to companies within each country of that considers it is eligible for inclusion in the next edition of East Asia lists companies by their country of operation.
