### HAROLD SHANNON

*L.I. Mandelstam and His School in Physics* Jennifer Ann Shore

Pretending is learning in this innovative curriculum for young children. Students play school, house, bakery, pet store, museum, and more - all the while reinforcing and expanding their knowledge of the real world. They also practice literacy-related behaviors and develop interpersonal-communication skills. Teachers may choose from 24 fully developed ideas for dramatic play centers, complete with directions, materials needed, reproducible handouts, activities to perform, and lists of picture books. Grades K-1. Illustrated. Good Year Books. 104 pages.

### SOPHIE'S WORLD

Hocus Pocus Publishing, Inc.

Benny wants to play pirates without his little sister Penny, and so he tries to get rid of her, but when Penny really disappears, Benny is worried.

*The Dial* Just Pretend

JUST ENGAGED. WHO SAID ANYTHING ABOUT LOVE? The plan was simple: find the perfect girl, wife her for a few months, and save my parents from a stinging case of heartbreak. That was before I got my first taste of Skye's whip-sharp tongue. Before she woke up wearing my ring and a hundred

questions. Before I found out it takes more than a million dollars to put the sun back in her smile. She needs a friend. A protector. A relentless caveman who won't quit until her haunted, uptight good girl act is history. One glaring problem: Cade doesn't do serious. I built my name on fast money, vicious good looks, and a rebel charm that never beguiles the same woman twice. I expected this one night bride thing to be complicated. I didn't know how wrong I could be. She's scandalized my very soul. Every secret, every touch, every smoldering glance is fresh insanity. We're on a collision course. There's no hiding the truth when Skye, my delicious little lie, has me asking the unthinkable. What if the woman I'm about to pretend marry is chaos incarnate? What if her kiss is an obsession? And what if I can't let our sweet madness end? Complete stand alone romance novel with the tears, lip-biting alpha hotness, and drama dreams are made of. Happily Ever After guaranteed. Wall Street Journal bestselling author Nicole Snow knows how to bring it! *Let's Pretend This Never Happened* LanguageMixing.com

Lena's nineteen-year-old brother Jordan has become someone else since he developed schizophrenia, and she's not sure she likes him. And yet she hurts deeply when others don't understand. Dealing with peers is hard enough, but adults can be even worse as they seek to blame and explain Jordan's changes. Luckily there's Andy, whose enthusiasm for life helps sort out some of the situations that keep arising. Then suddenly Andy isn't the faithful friend she thought he was: he's going to the grade 12 grad, but not with her. Running is Lena's only escape. If only it wasn't so hard to breathe. Finding wisdom, resilience and acceptance can be life-long quests, but Lena needs them right now. Pushed to her limits physically and emotionally, Lena learns how far, and how fast, she is willing to go for the brother she realizes she still loves.

### MOTHER NIGHT

Simon and Schuster

She fixes problems. There is no problem that Aspen Gray can't handle. No case that is too hard. No challenge too great. She's a rising star criminal defense attorney, and she intends to have the world at her feet...until a ghost from her past comes back to wreck her carefully designed plans. A

ghost who should have been in the ground. And when a dead man comes stalking you, what's a woman to do? Let things get Wilde. As soon as she sets foot in the elite protection and security firm known as Wilde, Aspen knows that she must tread carefully. Her life is on the line, and everything that she has worked so hard to achieve can be destroyed...unless one very talented and dangerous Wilde agent can help her out. She needs a man with exceedingly deadly skills—and she needs him now. He can practically see the secrets dripping from her... It should have been a standard undercover operation. Gideon Ranier knew the drill. He was supposed to play the role of his new client's boyfriend so that he could slip into her world, keep her safe, and unmask the jerk screwing around with her. Standard work. No big deal. Former Delta Force, he could do that type of job in his sleep. Except...he doesn't count on actually falling for his client. But he does. Hard, fast, and deep, and soon...there is nothing that he won't do for her. It's personal. Lines are crossed. Desire grows too strong. Their need won't be denied. But the attacks on Aspen are mounting. As an obsessed killer plays a deadly game, Gideon will have no choice but to fight harder and dirtier than he's ever fought in his life in order to protect Aspen from a stalker hellbent on vengeance. Author's Note: He's dangerous. She's devious. They shouldn't want each other so badly, but they do. Close proximity, a deadly threat...adrenaline is pumping and the desire between Aspen and Gideon will not be controlled. He'll walk through hell to keep her safe...and, yes, he's pretty much gonna have to do just that. Sexy times, dangerous deeds, and a happy ending are guaranteed in this stand-alone read. Be on the lookout for secrets, because there sure are plenty of those coming your way!

**A Universal Critical and Pronouncing Dictionary of the English Language: Including Scientific Terms** Little, Brown Books for Young Readers

The purpose of this book is to promote the value of translanguaging in EFL teaching contexts. To date, translanguaging has been discussed mostly in regards to US and European contexts. This book will examine the teaching beliefs and practices of teachers within a South Korean elementary school context to evaluate the practices of current teachers who use translanguaging strategies when teaching. This examination utilizes sociological theories of pedagogic discourse to discuss the consequences of language exclusion policies on the peninsula. Using these theories, it presents an argument for why EFL contexts like South Korea need to reevaluate their current policies and understandings of language learning and teaching. By embracing translanguaging as an approach, the author argues, they will transform their traditional notions of language learning and teaching in order to view teachers as bilinguals, and learners as emerging bilinguals, rather than use terms of deficiency that have traditionally been in place for such contexts. This book's unique use of sociological theories of pedagogic discourse supports a need to promote the translanguaging ideology of language teaching and learning.

*Abridged and Accommodated to the American Church, from the English Edition* Ella Miles Women's Writing in Twenty-First Century France is a collection of critical essays on recent women-authored literature in France. It takes stock of the themes, issues and trends in women's writing of the first decade of the twenty-first century, and it engages critically with the work of individual authors through close textual readings. Authors covered include major prizewinners, best-selling authors, established and new writers whose work attracts scholarly attention, including those whose texts have been translated into English such as Christine Angot, Nina Bouraoui, Marie Darrieussecq as Chloé Delaume, Claudie Gallay and Anna Gavalda. Themes include translation, popular fiction, society, history, war, family relations, violence, trauma, the body, racial identity, sexual identity, feminism, life-writing and textual/aesthetic experiments.

The Lovecraft Squad Independently Published

I'm not looking for a date. I'm definitely not looking for a husband—just one night of passion. I'm in Vegas, after all. And what happens in Vegas stays in Vegas. So how did I end up with a giant rock on that finger, you ask? Your guess is as good as mine. Now I'm stuck fake married to the biggest self-centered jerk I've ever met. We agree to keep the charade going for six months to protect our pride and dignity. We have six months to convince everyone we aren't meant to be. Should be easy. I'm sweet, kind, fun Millie. He's cynical, self-absorbed, loner Sebastian. We don't belong together. Convincing everyone we're married is the easy part. Convincing everyone we're over—that's proving more difficult. Convincing myself that we're over is proving hardest yet. I just have to remember that it was all pretend from the start. We were never together. Pretending we're over is just going back to my life before. But what if I don't want to keep pretending? Pretend We're Over is a standalone fake marriage spinoff featuring Sebastian from Pretend I'm Yours.

Hodder Gibson

A TikTok sensation, this rom-com about a young woman who agrees to fake date a colleague and bring him to her sister's wedding has "everything you could want in a romance" (Helen Hoang,

New York Times bestselling author). Catalina Martín desperately needs a date to her sister's wedding. Especially since her little white lie about her American boyfriend has spiralled out of control. Now everyone she knows—including her ex and his fiancée—will be there and eager to meet him. She only has four weeks to find someone willing to cross the Atlantic and aid in her deception. New York to Spain is no short flight and her raucous family won't be easy to fool. Enter Aaron Blackford—her tall, handsome, condescending colleague—who surprisingly offers to step in. She'd rather refuse; never has there been a more aggravating, blood-boiling, and insufferable man. But Catalina is desperate, and as the wedding draws nearer, Aaron looks like her best option. And she begins to realize he might not be as terrible in the real world as he is at the office.

**A CONTRIBUTION TO THE PSYCHOLOGY OF EDUCATION**

e-artnow

From its new headquarters, the Human Protection League (colloquially known as "The Lovecraft Squad") must regroup against the rising tide of supernatural threats from such clandestine cults as The Olde Fellowes and The Esoteric Order of Dagon, who worship a group of ancient deities known as the Great Old Ones. As their unholy acolytes prepare to resurrect these multi-dimensional gods from their imprisonment beneath the earth and beyond the stars, the universe hovers on the brink of an Eldritch War such as it has never known before. The only thing that may stand between victory or the enslavement and eventual destruction of the human race itself is a man out of his own time—a writer, a visionary, a dreamer on the night-side . . .

The Greatest Works of French Literature (English Edition) e-artnow

A new language-learning technique Trick your brain into accepting German words as "English". We pretend that German words are actually newly-coined English words. It's technique is called "Diglot Weave". Evidence One University in Iran experimented with the method on some high schoolers learning English. Half the kids learned using standard methods, and the other half used the Diglot Weave method. Afterwards, they all sat a test. What were the results? The kids taught the usual way scored 12 out of 25, but the kids taught with the Diglot Weave method scored nearly double - 23 out of 25! Also, some kindergartens in China use a variation of the method they invented to teach children English. The kids enjoy it much more than the usual approaches, and the teachers report better results overall. Parents also appreciate it, because they see their children learning English much more quickly and easily than before. Want to try it? This book includes over 80 German conjunctions and prepositions like "and", "with", "for", and so on - the little words vital to creating sentences. We mix them into fully English sentences. By the end of the book, your brain should be tricked into thinking that these words are "English". Words included aber = but all(e/r/s/n/m) = all als = than also = so andere(r/s/m/n) = other(s) auch = also auf = on aus = from out of ausgenommen = except für außer = except außerdem = furthermore beide(m/n/r/s) = both bevor/vor/vorher = before bis zu = up to bis = as far as bis = until da = since [that] damit = so that / in order to dann = then darum = thus das = the (neuter perpetrator + victim) dass = that dem = the (masc. third party) dem = the (neuter third party) den = the (masc. victim) den = the (plural third party) denn = seeing as dennoch = nevertheless der = the (fem. third party) der = the (masc. perpetrator) der = the (plural owner) des = the (masc. owner) des = the (neuter owner) deshalb = therefore die = the (fem. perpetrator + victim) die = the (plural perpetrator + victim) doch = yet durch = through ein = a/an (masc. perpetrator) ein = a/an (neuter perpetrator + victim) eine = a/an (fem. perpetrator + victim) einem = a/an (masc. third party) einem = a/an (neuter third party) einen = a/an (masc. victim) einer = a/an (fem. owner + third party) eines = a/an (masc. owner) eines = a/an (neuter owner) einige(r/n/m/s) = some [things] einschließlich = including entweder X oder Y = either X or Y etwas = some [amount or part] falls = just in case für = for [purpose] gegen = against immer = always in Richtung = towards in = in innerhalb = inside jede(r/s/n/m) = each / every jedenfalls = anyhow jedoch = however laut = according to mit = with nachdem/nach/danach = after neben = next to nie = never noch = (see "weder X noch Y") nun = well [then] obgleich = though obwohl = although oder = or ohne = without sehr = very seit = since [a time] so = so sondern = but rather sowieso = anyway statt = rather than trotz = despite trotzdem = nevertheless um X zu Y = to [do something] und = and unter = among von = about [a specific topic] von = by [someone] von = from von = of weder X noch Y = neither X nor Y weil = because wenn = if wie = like [similar] während = during während = while zu = to [a place] zwischen = between äußerst = extremely über = about [a broad topic] überdies = besides [this

Prefaces to English Nineteenth-century Theatre University of Wales Press

My acting coach says I'm destined for greatness. My parents say they're proud of me no matter what. The social media trolls say I'm nothing more than a failed child star. Everyone says what they think, but no one knows who I really am or what I want. Even me. I've spent eighteen years of my life pretending to be other people, but when Cole Keller moves in next door, I get a major reality check. I don't know if it's his arrogance, our proximity this summer, or whatever he's hiding, but I'm drawn to him. I'm convinced stardom is in my past, but the more time I spend with Cole under the night sky, I wonder if it's actually my present-and my future.

*Rising Good Year Books*

"Our purpose is to attempt to give a psychological account of Instinct in Man, and thereafter to study, still in the main from the psychological point of view, the relation of Instinct to Emotion, with special reference to human emotions, and the part which Instinct plays in that phase of human development to which we give the name Education. We must, therefore, first of all get a clear idea of what is involved in a 'psychological account.' That we shall make our aim in the present chapter, and we shall also endeavour to arrive at what might be called a working notion of Instinct from the psychological point of view, as a preliminary to the more detailed study of Instinct with the object of attaining a scientific view of it within the universe of discourse of psychology"--Chapter. (PsycINFO Database Record (c) 2008 APA, all rights reserved).

"Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—Time Mother Night is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—Cincinnati Enquirer "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—Commonweal

**INCLUDING RENOWNED TITLES LIKE PYGMALION, MRS. WARREN'S PROFESSION, CANDIDA, ARMS AND THE MAN, MAN AND SUPERMAN, THE INCA OF PERUSALEM, MACBETH SKIT, CAESAR AND CLEOPATRA, ANDROCLES AND THE LION**

Farrar, Straus and Giroux

This biography of the famous Soviet physicist Leonid Isaakovich Mandelstam (1889-1944), who became a Professor at Moscow State University in 1925 and an Academician (the highest scientific title in the USSR) in 1929, describes his contributions to both physics and technology. It also discusses the scientific community that formed around him, commonly known as the Mandelstam School. By doing so, it places Mandelstam's life story in its cultural context: the context of German University (until 1914), the First World War, the Civil War, and the development of the Socialist Revolution (until 1925) and the young socialist country. The book considers various general issues, such as the impact of German scientific culture on Russian science; the problems and fates of Russian intellectuals during the revolutionary and post-revolutionary years; the formation of the Soviet Academy of Science, the State Academy; and the transformation of the system of higher education in the USSR during the 1920s and 1930s. Further, it reconstructs Mandelstam's philosophy of science and his approach to the social and ethical function of science and science education based on his fundamental writings and lecture notes. This reconstruction is enhanced by extensive use of previously unpublished archive material as well as the transcripts of personal

interviews conducted by the author. The book also discusses the biographies of Mandelstam's friends and collaborators: German mathematician and philosopher Richard von Mises, Soviet Communist Party official and philosopher B.M.Hessen, Russian specialist in radio engineering

N.D.Papalexy, the specialists in non-linear dynamics A.A.Andronov, S.E. Chaikin, A.A.Vitt and the plasma physicist M.A.Leontovich. This second, extended edition reconstructs the social and economic backgrounds of Mandelstam and his colleagues, describing their positions at the universities and the institutes belonging to the Academy of Science. Additionally, Mandelstam's

philosophy of science is investigated in connection with the ideological attacks that occurred after Mandelstam's death, particularly the great mathematician A.D.Alexandrov's criticism of Mandelstam's operationalism.
