Milo and Cat have a very effective sleep routine, but this night, it just doesn't work! They even know a few tricks that helped them quickly fall asleep before. When these tricks won't work - at least not for Milo - it takes a lot of creativity, Cat's magic whiskers, the Know It All book, and a drop of exaggeration to lead Milo to dreamland. ★ Who's going to fall asleep first? Milo, Cat or you? ★ Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... "We tried counting sheep and we counted the stars, We even tried counting the distance to Mars." ... "We'll be sleeping in no time; without any doubt. Trust my whiskers," said Cat. "We will figure it out!" ... "This should have some clues, so let's go have a look There's always advice in the KNOW IT ALL book." ...

An illustrated picture book that teaches the best way to be happy is to embrace the circumstances we find ourselves in each day Happy Right Now brings a much-needed message to kids: it's great to feel happy, but it's okay to feel sad sometimes too.

Dealing with emotions can be hard. Children experience the same range of strong feelings as adults, but often don't have the tools to deal with them. For children ages 4 to 8, Happy Right Now teaches emotional intelligence with fun, relatable imagery and clever rhymes. Award-winning author Julie Berry brings a playful bounce to the important lesson that kids don't need to wait for fantastic gifts, school vacations, or sunny days to find joy in the moment. And even if they can't find a way to choose happiness—if the blues are just too strong—Berry provides a series of quick practices to help young readers move through their sadness. Smartly illustrated by Holly Hatam, Happy Right Now is perfect for children, parents, and caregivers who want to learn how to navigate difficult emotions and embrace the bright side of any situation, rain or shine.

This book is NOT a bedtime story. It's scary, strange and rather gory. Bedtime stories make you sleepy. This book won't. It's much too CREEPY. Except it isn't... this book is told by a group of monsters who think they're very scary, but in fact they're not - they're cute and cuddly. They try their hardest to scare you - in a haunted house, creepy wood, ghostly ship and darkest dark, but each time they fail! The problem is, these monsters aren't at all spooky. They're a bit silly, actually. And a bit cuddly. In fact, they share the insecurities and worries of us humans and all they want is a cosy, snoozy good night's sleep. Despite the title of this book it really is a bedtime story. A brilliant tale that reassures children, makes them laugh and gets them ready for a peaceful night's sleep.
