Ecofeminism and the Indian Novel tests the theories of ecofeminism against the background of India's often different perceptions of environmental problems, challenging the hegemony of Western culture in thinking about human problems. This book moves beyond a simple application of the concepts of ecofeminism, instead explaining the uniqueness of Indian novels as narratives of ecofeminism and how they can contribute to the development of the theory of ecofeminism. In examining a selection of novels, the author argues that Indian texts conceptualize the ecological crisis more as a human problem than as a gender problem. The book proposes that we should think of ecofeminism as ecohumanism instead, seeing human beings and nature as a part of a complex web. Novels analysed within the text include Kamala Markandaya's *Nectar in a Sieve* (1954), Shivram Karanth's *Return to Earth* (2002) and Na D'Souza's *Dweepa* (2013). Ecofeminism and the Indian Novel will be of great interest to students and scholars of ecofeminism, ecocriticism, ecological feminism, environmental humanities, gender studies, ecological humanities, feminist studies and Indian literature.

Mahasweta Devi is one of India's foremost literary figures, a prolific and best-selling author in Bengali of short fiction and novels, and a deeply political social activist who has been working in marginalized communities for decades. *Breast Stories* is a collection of short fiction that focuses on the breast as more than a symbol of beauty, eroticism, or motherhood. Instead, it is seen as a harsh indictment of an exploitative social system and a weapon of resistance. At a time when violence towards women in India has escalated exponentially, Devi's acerbic writing exposes the inherently vicious systems in Indian society.

Our world is broken and cries out for reconciliation. But mere conflict resolution and peacemaking are not enough. What makes real reconciliation possible? How is it that some people are able to forgive the most horrendous of evils? And what role does God play in these stories? Does reconciliation make any sense apart from the biblical story of redemption? Secular models of peacemaking are insufficient. And the church has not always fulfilled its call to be agents of reconciliation in the world. In *Reconciling All Things* Emmanuel Katongole and Chris Rice, codirectors of the Center for Reconciliation at Duke Divinity School, cast a comprehensive vision for reconciliation that is biblical, transformative, holistic and global.

They draw on the resources of the Christian story, including their own individual experiences in Uganda and Mississippi, to bring solid, theological reflection to bear on the work of reconciling individuals, groups and societies. They recover distinctively Christian practices that will help the church be both a sign and an agent of God's reconciling love in the fragmented world of the twenty-first century. This powerful, concise book lays the philosophical foundations for the *Resources for Reconciliation*, a new series from InterVarsity Press and the Center for Reconciliation at Duke Divinity School which explores what it means to pursue hope in areas of brokenness in theory and practice.

The tragic tale of a Montana family ripped apart by scandal and murder: "a significant and elegant addition to the fiction of the American West" (*Washington Post*). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. As the tragic fallout unravels around David, he learns that truth is not what one believes it to be, that power is abused, and that sometimes one has to choose between loyalty and justice. "Kamala Markandaya, whose *Nectar in a Sieve* (1955) was a miniature epic about India's poor, returns to the earlier concerns of that book in *A Handful of Rice*. Ravi is a village son who has left his desolate, destitute home for the promise of the city. There he falls into the company of similarly rootless young men, presided over by the wily city boy, Damodar, who appears fitfully through the book as a seducer to criminal and get-rich-quick schemes which Damodar is clever enough to survive and thrive by. By a chance misdeed, Ravi becomes acquainted with the tailor Apu and his family; Apu's daughter Nalini wins his heart and brings him from the streets into the already crowded household, first as Apu's apprentice, then his son-in-law. The author recreates the life of the respectable poor with moving fidelity as they face the problems of food, illness, unemployment. When Apu dies, the still rebellious but worn Ravi, now a father of three and head of the household, cannot keep his customers. After the death of his son, he reverts to the street, but Damodar now discards him as unfit for dangerous enterprises, and he ends storming the rice supplies with the mob. A portrait in poverty, which is part of the history of our times. It is less compelling than the earlier book as a novel while managing the same concerned compassion."--Kirkus

Reminiscent of the early work of Jhumpa Lahiri, Ayelet Tsabari's award-winning debut collection of stories is global in scope yet intimate in feel, beautifully written, and emotionally powerful. From Israel to India to Canada, Tsabari's indelible characters grapple with love, violence, faith, the slipperiness of identity, and the challenges of balancing old traditions with modern times. These eleven spellbinding stories often focus on Israel's Mizrahi Jews, featuring mothers and children, soldiers and bohemians, lovers and best friends, all searching for their place in the world. In "Tikkun," a man crosses paths with his free-spirited ex-girlfriend—now a married Orthodox Jew—and minutes later barely escapes tragedy. In "Brit Milah," a mother travels from Israel to visit her daughter in Canada and is stunned by her grandson's upbringing. A young medic in the Israeli army bends the rules to potentially dangerous consequence in "Casualties." After her mom passes away, a teenage girl comes to live with her aunt outside Tel Aviv and has her first experience with unrequited love in "Say It Again, Say Something Else." And in the moving title story, two estranged sisters—one whose marriage is ending, the other whose relationship is just beginning—try to recapture the close bond they had as kids. Absorbing, tender, and sharply observed, *The Best Place on Earth* infuses moments of sorrow with small moments of grace: a boy composes poetry in a bomb shelter, an old photo helps a girl make sense of her mother's rootless past. Tsabari's voice is gentle yet wise, illuminating the burdens of history, the strength of the

Praise for *The Best Place on Earth* "It's impossible not to be awestruck by the depth and power rendered in Tsabari's stories."—Elle "Tsabari creates complex, conflicted, prickly people you'll want to get to know better."—Kirkus Reviews (starred review) "There's remarkable scope in Ayelet Tsabari's *The Best Place on Earth*, which interweaves stories of discrimination, loss, displacement, sex, death, religion, and a host of other issues. And yet, despite the range of viewpoints and the different facets of Israeli society explored, this is a collection that always stays intensely personal, the broader forces of history moving not merely across nations but within the souls of her beautifully conceived characters."—Phil Klay, National Book Award-winning author of *Redeployment* "With incredible compassion and a delicate touch, Ayelet Tsabari explores the heartbreak inherent in forming bonds, whether with another person or with a whole country. *The Best Place on Earth*, a complicated love song to Israel, is a sure-footed and stunningly skillful debut."—Shelly Oria, author of *New York 1, Tel Aviv 0* "Powerful . . . brilliant . . . These stories . . . depict minorities so skillfully, with such a light and accurate touch."—*The Daily Beast* "Highly recommended . . . The stories of *The Best Place on Earth* leave you wishing they wouldn't end."—*The Times of Israel* "This short story collection is a fiction debut for Tsabari, but it demonstrates that she is already a talented storyteller. . . . Her writing has an immediacy and power that invites readers into her characters' psyches."—*Publishers Weekly*

### CLASSIC INDIAN LITERATURE

Penguin Books India

"This Is a Novel to Retain in Your Heart and Library" —*Milwaukee Journal* This beautiful and eloquent story tells of a simple peasant woman in a primitive village in India whose whole life was a gallant and persistent battle to care for those she loved. Married as a child-bride to a tenant farmer she had never seen, she worked side by side in the field with her husband to wrest a living from land that was ravaged by droughts, monsoons, and insects. With remarkable fortitude and courage, she sought to meet changing times and fight poverty and disaster. She saw one of her infants die from starvation, her daughter become a prostitute, and her sons leave the land for jobs which she distrusted. One of the outstanding novels of recent years, this book received unstinting praise from the critics: "An elemental book. It has something better than power, the truth of distilled experience." —*New York Herald Tribune* "Unique in poetic beauty, in classically restrained and controlled tragedy."—Dorothy Canfield Fisher, noted author and critic "Will wring your hearts."—*Associated Press* "A superb job in telling her story."—*Christian Science Monitor*
