OUR TIMES

Lulu Press, Inc
An addition to the Who Was series
recounts the life of Daniel Boone, most
famous for opening up the West to settlers
through Kentucky, and shows how he
became a symbol of America's pioneering
spirit. Original.

H-Bombs, Inupiat Eskimos, and the Roots of the Environmental

Movement University of Pennsylvania
Press

Chronicles the social and political history
of America from the 1890s to the 1920s
Seventeen Seventy-six Light Of The Moon
Publishing

Draws on personal correspondence and
period diaries to present a history of the
American Revolution that ranges from the
siege of Boston, to the American defeat at
Brooklyn and retreat across New Jersey, to
the American victory at Trenton.

Hay House, Inc

Rural Rides is the book for which the
English journalist, agriculturist and political
reformer William Cobbett is best known. At
the time of writing Rural Rides, in the early
1820s, Cobbett was a radical anti-Corn
Law campaigner. He embarked on a series
of journeys by horseback through the
countryside of Southeast England and the
English Midlands. He wrote down what he
saw from the points of view both of a
farmer and a social reformer. The result
documents the early 19th-century
countryside and its people as well as

giving free vent to Cobbett's opinions

Dark End of the Spectrum Pustaka Digital Media

Daniel Stratton died a tragic death. He should have crossed over into the light, but fate had other plans. When he awoke in the cemetery, he quickly came to learn death is only the beginning. Thrust into a world of the undead, he had no time to learn of the afterlife or the battle of good and evil. The dark ones were coming, whether he was ready or not. He would soon learn of the dark-lighters and a force of evil named Malachi.

A Novel Booksurge Publishing
Evoking Into the Wild and The Monkey Wrench Gang, Dead Run is the extraordinary true story of three desperado survivalists, a dangerous plot, a brutal murder, and a treacherous manhunt. On a sunny May morning in 1998, three friends in a stolen truck passed through Cortez, Colorado on their way to commit sabotage of unspeakable proportions. Evidence suggests their mission was to blow up the Glen Canyon dam. Had they succeeded, the structure's collapse would have unleashed a 500-foot-high inland tsunami, surging across the American Southwest and pulverizing

everything in its path--crashing through the Grand Canyon, overflowing Hoover Dam, washing away downstream communities and crippling the water supply of Las Vegas, Phoenix, Tucson, Los Angeles, and San Diego. Instead, the truck was pulled over by an unsuspecting small town cop and the outlaws opened fire. After shooting him twenty times, they blasted their way past dozens of police cars and vanished into 10,000 square miles of the harshest wilderness terrain on the North American continent. The pursuit that ensued pitted the most sophisticated law enforcement technology on the planet against three self-trained survivalists. Seventy-five local, state, and federal police agencies; dozens of SWAT teams; U.S. Army Special Forces and more than five hundred officers from across the country followed the fugitives into a landscape only they could survive. Nine years later the last of the fugitives was finally accounted for, but what really happened to them remained shrouded in mystery. The first in-depth account of this sensational case, Dead Run is replete with overbearing local sheriffs, Native American trackers, posse's on horseback, suspicion

of police cover-ups, rumors of vigilante justice, and the blunders of the nation's most exalted crime-fighters pursuing outlaws against the unforgiving backdrop of the Utah wilderness. More than a thrilling crime story, *Dead Run* is also an examination of the seductive allure of outlaw culture in the West and how it continues to inform national attitudes toward guns, authority and unfettered freedom. Exhaustively researched, *Dead Run* offers a stunning portrayal of an enduring Wild West landscape, where the American spirit is most boldly and confusingly, even tragically, lived.

REFLECTIONS ON PATRIOTISM

Twelve

The central figure of this novel is a young man whose parents were executed for conspiring to steal atomic secrets for Russia. His name is Daniel Isaacson, and as the story opens, his parents have been dead for many years. He has had a long time to adjust to their deaths. He has not adjusted. Out of the shambles of his childhood, he has constructed a new life—marriage to an adoring girl who gives him a son of his own, and a career in

scholarship. It is a life that enrages him. In the silence of the library at Columbia University, where he is supposedly writing a Ph.D. dissertation, Daniel composes something quite different. It is a confession of his most intimate relationships—with his wife, his foster parents, and his kid sister Susan, whose own radicalism so reproaches him. It is a book of memories: riding a bus with his parents to the ill-fated Paul Robeson concert in Peekskill; watching the FBI take his father away; appearing with Susan at rallies protesting their parents' innocence; visiting his mother and father in the Death House. It is a book of investigation: transcribing Daniel's interviews with people who knew his parents, or who knew about them; and logging his strange researches and discoveries in the library stacks. It is a book of judgments of everyone involved in the case—lawyers, police, informers, friends, and the Isaacson family itself. It is a book rich in characters, from elderly grand- mothers of immigrant culture, to covert radicals of the McCarthy era, to hippie marchers on the Pen-tagon. It is a book that spans the quarter-century of American life since World War II. It is a

book about the nature of Left politics in this country—its sacrificial rites, its peculiar cruelties, its humility, its bitterness. It is a book about some of the beautiful and terrible feelings of childhood. It is about the nature of guilt and innocence, and about the relations of people to nations. It is *The Book of Daniel*.

AMERICAN SPIRIT

Simon and Schuster

In *Dan Ratnu's* third novel, "First Lady President," is the story of a controversial American First Lady and powerful US Senator's quest for the sole political prize that eluded her ambitious grasp: the presidency of the United States. Written back in 2003 this book's story explains how the lady candidate confronts an African American man challenger and defeats him in the primaries only to pick him up as her vice presidential running mate. Later in the main election she confronts another African American man a retired Army chief and a former Secretary of State, a 'liberal' republican only to defeat by an unprecedented record breaking margin in the US presidential history. Her landslide victory follows, amid

unprecedented security measures, her inauguration and her inaugural speech during the day time and an unusual celebration during the night.

The Fiction of Richard Yates, Dan

Wakefield, Thomas McGuane iUniverse

Suddenly, a plethora of thoughts and memories raced through my mind; my childhood, my parents, my friends, but most of all someone whom I hadn't seen in many years.

Altered America Bantam

In this study, Charles Fanning has written the first general account of the origins and development of a literary tradition among American writers of Irish birth or background who have explored the Irish immigrant or ethnic experience in works of fiction. The result is a portrait of the

evolving fictional self-consciousness of an immigrant group over a span of 250 years. Fanning traces the roots of Irish-American writing back to the eighteenth century and carries it forward through the traumatic years of the Famine to the present time with an intensely productive period in the twentieth century beginning with James T. Farrell. Later writers treated in depth include Edwin O'Connor, Elizabeth Cullinan, Maureen Howard, and William Kennedy. Along the way he places in the historical record many all but forgotten writers, including the prolific Mary Ann Sadlier. *The Irish Voice in America* is not only a highly readable contribution to American literary history but also a valuable reference to many writers and their works. For this second edition, Fanning has added a chapter that covers the fiction of the past decade. He argues that contemporary writers continue to draw on Ireland as a source and are important chroniclers of the modern American experience.

Hebrew in America St. Martin's Griffin

One of the most beloved and bestselling novels of spiritual adventure ever published, *Ishmael* has earned a

passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. "A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny."—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In *Ishmael*, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual *Ishmael* trilogy: *ISHMAEL* • *MY ISHMAEL* • *THE STORY OF B* Praise for *Ishmael* "As

suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year.”—The Austin Chronicle “Before we’re halfway through this slim book . . . we’re in [Daniel Quinn’s] grip, we want Ishmael to teach us how to save the planet from ourselves. We want to change our lives.”—The Washington Post “Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur’s Prayer: ‘Lord, a little more time!’ Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time.”—Los Angeles Times

Santa's Hobbies Univ. Press of Mississippi
 Look Into My Eyes is an autobiography of one man's life through the lens of Asperger's syndrome - a high-functioning form of autism spectrum disorder. This second edition includes a chapter written by the authors wife about what it is like to be in a relationship with an someone with Asperger's Syndrome, she shares both the positive aspects, and the challenges. As a small child Dan Jones knew he was different to other children, they would

want to play football and interact with each other, he would want to crawl around searching for snails keeping himself to himself. Dan found his own coping strategies to manage his anxieties, discovering meditation as an eight year old, and hypnosis as a teenager. This book offers a rare insight into what it is like to live with Asperger's. Dan has a unique perspective; not only does he have Asperger's, but a large part of his professional life has been spent working with people with autism spectrum disorder and their carers.

The Trap CreateSpace

Using recovery and Christian faith-based themes, neurologist and author Daniel C. Potts writes poetry about gratitude and spiritual transformation.

THE BOOK OF DANIEL

Penguin

Among the millions of Jews who immigrated to America in the early twentieth century, there were the few for whom Hebrew culture was an important ideal. Reaching a critical mass around World War I, these American Hebraists attempted to establish a vital Hebrew

culture in America. They founded journals and wrote Hebrew poetry, fiction, and essays, largely about the American Jewish experience, and they succeeded in putting a Hebraist stamp upon most of the Jewish education that took place between the two world wars. Hebrew in America is the first book to fully explore the Jewish attachment to Hebrew in twentieth-century North America. Fifteen leading scholars in Judaic studies write about the legacy of American Hebraism and the claims it continues to make upon the soul of the American Jewish community. While they might commonly lament the eclipse of Hebrew in America, they speak with many different voices when it comes to the analysis of problems and the prospects for change. Several writers look backward to the impact of the Hebrew movement in America on literature and education. Others consider the implications of Hebrew's arrival on the college campus. Another emphasis of the book is the relationship between language and culture in the case of Hebrew from anthropological, educational, and linguistic perspectives. And finally, several essays assess the role of Hebrew in the

development of Jewish leadership in America as regards the relationship with the classic past and with contemporary Israel.

Daniel Radcliffe Harry N Abrams Incorporated

The first European immigrants came to the American colonies to escape incessant wars, oppressive governments, lack of opportunity, and tyrannical religious authorities. The dangerous and mysterious new world couldn't rectify all the ills of the old world, but it offered something that resonated with their Christian faith—hope for a better life for their loved ones. They miraculously built a government that preserved more freedom and opportunity for the American people than any government in history. The United States can continue as a beacon of hope if its citizens focus on the common goodness of their past that binds them instead of the differences that divide them. American Spirit presents this refreshing perspective through an exciting mosaic of adventure, despair, hope, faith, and love. Smith's

incredible research and vivid writing style as he follows multiple generations of immigrants seeking freedom in America make this book an essential read. Smith's novel is historical fiction that intrigues, engages, and lingers, long after the last page is turned. — Joe Kilgore, US Review of Books The Civil War is an ugly period of American history. Uglier still, are the many times inaccurate accounts of the war were told. Roger Smith has taken a giant step forward in setting the record straight. Reading this book will open your mind. It is much more than just another war story. — Dan Mackintosh, Pacific Book Review **The Murder of a Lawman and the Greatest Manhunt of the Modern American West** Holt Paperbacks A midlife crisis forces forty-something media exec, Matthew Harris on a hectic and hilarious quest to figure out what his life is all about.

Fortitude University Press of Kentucky The Book of Lost Saints is an evocative multigenerational Cuban-American family

story of revolution, loss, and family bonds from New York Times-bestselling author Daniel José Older. Marisol vanished during the Cuban Revolution, disappearing with hardly a trace. Now, shaped by atrocities long-forgotten, her tenacious spirit visits her nephew, Ramón, in modern-day New Jersey. Her hope: that her presence will prompt him to unearth their painful family history. Ramón launches a haphazard investigation into the story of his ancestor, unaware of the forces driving him on his search. Along the way, he falls in love, faces a run-in with a murderous gangster, and uncovers the lives of the lost saints who helped Marisol during her imprisonment. The Book of Lost Saints by Daniel José Older is a haunting meditation on family, forgiveness, and the violent struggle to be free. An Imprint Book "Spellbinding." —Marlon James, Man Booker Prize-winning author of Black Leopard, Red Wolf "A lyrical, beautiful, devastating, literally haunting journey." —N.K. Jemisin, award-winning author of the Broken Earth trilogy
