The Improper Life of  
Bezellia Grove Simon

and Schuster  
Jake and Maggy lived on a farm where they loved to sing and dance to the music from Mama's radio. Then terrible dust storms came and ruined the land. The family had no choice but to auction off the farm and make the long, hard journey west to California-away from the dust storms, where the land is still green. Along the way, Papa tries to find work, and Jake and Maggy try to help too. But what if Papa can't find a job? What if California isn't better after all? Ann Turner's dramatic story about the dust bowl, set during the Great Depression and beautifully captured in Robert Barrett's paintings, shows how one family stays together during

difficult times.  
*A Creation Books Reader Vintage*  
Become immersed in worlds where love is key. In these twelve stories, enjoy tales of new, unexpected, and lost love. Open the pages to discover love that fights through war, abuse, curses, death, and withstands time itself. These stories will touch your heart, make you laugh, and make you cry. Let the authors show you the many ways love can tug at your heartstrings in Love Dust.  
Bloodline Harper Collins  
"The Bestselling Hardcover Novel of the Year."--Publishers Weekly  
From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a

powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. “My land tells its story if you listen. The story of our family.” Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman’s only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin,

there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa’s tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind

and go west, to California, in search of a better life for her family. The Four Winds is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, The Four Winds is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation. *From Dust and Ashes*

Politics, Money, Power, Religion, and Greed. These are the things we never again need. Artist Matthew Sugiyama can alter the physical world with his art. As the top student graduating from the prestigious Popham Abbey, Matthew Sugiyama's future is secure... until he bucks convention and begins a journey to find answers about his birth family. The trouble is, he doesn't know who or where they are. Determined to find answers, but without a clear destination, Matthew sets out on horseback across a post-technology world, guided only by random flashes of a vision or long-buried memory. Using his skills as an artist to barter for hospitality and supplies, Matthew soon

learns his sheltered upbringing has left him wholly unprepared to face the obstacles on the road or his unexpected yearning to join the communities he encounters. When he uncovers a mysterious adversary's plan to harm the people he's come to care for, Matthew must decide what's more important; the adopted family he has created, or his need for answers about his past. *Oil and Dust* is the first book in the gripping Elemental Artist series. If you like low fantasy quests and character-driven stories, you'll love Jami Fairleigh's page-turning tale. Buy *Oil and Dust* to begin the adventure today!

**A Novel** CreateSpace  
George Orwell's *Nineteen Eighty-Four* is unquestionably the

most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

## **DUST**

EverAfter Romance  
From the acclaimed author of *Corelli's*

Mandolin, here is a sumptuous, sweeping, powerfully moving new novel about a British family whose lives and loves are indelibly shaped by the horrors of World War I and the hopes for its aftermath. In the brief golden years of the Edwardian era the McCosh sisters—Christabel, Otilie, Rosie and Sophie—grow up in an idyllic household in the countryside south of London. On one side, their neighbors are the proper Pendennis family, recently arrived from Baltimore, whose close-in-age boys—Sidney, Albert and Ashbridge—shake their father’s hand at breakfast and address him as “sir.” On the other side is the Pitt family: a “resolutely French” mother, a former navy captain

father, and two brothers, Archie and Daniel, who are clearly “going to grow up into a pair of daredevils and adventurers.” In childhood this band is inseparable, but the days of careless camaraderie are brought to an abrupt halt by the outbreak of The Great War, in which everyone will play a part. All three Pendennis brothers fight in the hellish trenches at the front; Daniel Pitt becomes an ace fighter pilot with his daredevil tendencies intact; Rosie and Otilie McCosh volunteer in the hospitals, where women serve with as much passion and nearly as much hardship as the men at the front; Christabel McCosh becomes one of the squad of

photographers sending “snaps” of their loved ones at home to the soldiers; and Sophie McCosh drives for the RAF in France. In the aftermath of the war, as “the universal joy and relief were beginning to be tempered by . . . an atmosphere of uncertainty,” everyone must contend with the modern world that is slowly emerging from the ashes of the old. A wholly immersive novel about a particular time and place, *The Dust That Falls from Dreams* also illuminates the timeless ways in which men and women carry profound loss alongside indelible hope.

In a Handful of Dust  
Random House Books  
for Young Readers  
In these five stories,  
Ernest Gaines returns

to the cane fields, sharecroppers' shacks, and decaying plantation houses of Louisiana, the terrain of his great novels *A Gathering of Old Men* and *A Lesson Before Dying*. As rendered by Gaines, this country becomes as familiar, and as haunted by cruelty, suffering, and courage, as Ralph Ellison's *Harlem* or Faulkner's *Yoknapatawpha County*. Gaines introduces us to this world through the eyes of guileless children and wizened jailbirds, black tenants and white planters. He shows his characters eking out a living and making love, breaking apart and coming together. And on every page he captures the soul of black community whose

circumstances make even the slightest assertion of self-respect an act of majestic—and sometimes suicidal—heroism. Bloodline is a miracle of storytelling. STORIES INCLUDE: A Long Day in November The Sky Is Gray Three Men Bloodline Just Like a Tree

### **A CUP OF DUST**

Vintage  
Rebecca Podos,  
Lambda Award-winning author of Like Water, returns with a contemporary Jewish fantasy of enduring love, unfathomable loss, and the power of stories to hold us together when it seems that nothing else can. Hannah's whole life has been spent in motion. Her mother has kept her and her

brother, Gabe, on the road for as long as she can remember, leaving a trail of rental homes and faded relationships behind them. No roots, no family but one another, and no explanations. All that changes on Hannah's seventeenth birthday when she wakes up transformed, a pair of golden eyes with knife-slit pupils blinking back at her from the mirror—the first of many such impossible mutations. Promising that she knows someone who can help, her mother leaves Hannah and Gabe behind to find a cure. But as the days turn to weeks and their mother doesn't return, they realize it's up to them to find the truth. What they discover is a family they never knew and a history more

tragic and fantastical than Hannah could have dreamed—one that stretches back to her grandmother’s childhood in Prague under the Nazi occupation, and beyond, into the realm of Jewish mysticism and legend. As the past comes crashing into the present, Hannah must hurry to unearth their family’s secrets in order to break the curse and save the people she loves most, as well as herself.

A Novel Forge Books  
Winner of the Booker Prize as best novel of the year in 1983, *Heat and Dust* was also made into a major motion picture starring Julie Christie, now regarded by many as a classic.

## GRIEF AND PRAISE

St. Martin's Press

A compelling novel of a man brought to reckon with his buried past...

In *St. Adrienne*, a small black community in Louisiana, Reverend Phillip Martin—a respected minister and civil rights

leader—comes face to face with the sins of his youth in the person of Robert X, a young, unkempt stranger who arrives in town for a mysterious "meeting" with the Reverend. In the confrontation between the two, the young man's secret burden explodes into the open, and Phillip Martin begins a long-neglected journey into his youth to discover how destructive his former life was, for himself and for those around him. "...on

every page there's an authentic moment, or a dead-right knot of conversation, or a truer-than-true turn of phrase..."—Kirkus Reviews

*The Dust That Falls from Dreams* Simon and Schuster

This is the story of Marcus: bonded out of jail where he has been awaiting trial for murder, he is sent to the Hebert plantation to work in the fields. There he encounters conflict with the overseer, Sidney Bonbon, and a tale of revenge, lust and power plays out between Marcus, Bonbon, BonBon's mistress Pauline, and BonBon's wife Louise.

*The Book of Dust: La Belle Sauvage (Book of Dust, Volume 1)*

Vintage

Hidden in the forgotten

tunnels beneath the castle of Thorilleia lies an ancient book written by a powerful wizard. Two young men set out to find the book, which is said to contain a mysterious secret. Their journey takes them across rugged mountains and through dense forests where they encounter dangerous creatures and strange cultures. When they reach Thorilleia, they find themselves thrust into a pivotal role in a war between great kingdoms. Loaded with action and unexpected twists, *Dragon's Dust* is not just a quest for riches and power; it's an adventure story where integrity, determination, and courage prevail in dire circumstances.

Dust Knopf Books for Young Readers

Wool introduced the world of the silo. Shift told the story of its creation. Dust will describe its downfall.

**The Sunday Times  
Top 10 Bestseller**

Bantam

The violent murder of her brother on the streets of Nairobi triggers long-untouched memories and unexpected events for his grieving sister, Ajany, from the flight of their mercurial mother and the arrival of a young Englishman at their home to the reopening of a cold case by a hardened policeman and a vengeance plot by an all-seeing Trader.

*A Novel* Kregel

Publications

It is 1945 and a group of American soldiers liberate a Nazi concentration camp. Helene is the

abandoned wife of an SS guard who has fled to avoid arrest.

Overcome by guilt, she begins to help meet the needs of survivors. Throughout the process, she finds her own liberation - from spiritual bondage, sin, and guilt. Readers will be intrigued and touched by this fascinating story of love, faithfulness, and courage amidst one of the darkest chapters of mankind's history.

**DRAWING IN THE  
DUST**

Vintage

"And in the end we are nothing more than love and space dust." From the author of *Lilith's Tears*, *The Travelling Circus of Lacrimosa* and *Could You Ever Live Without?* *Love & Space Dust* is a poetry anthology exploring

love and eternity. Timeless poetry of feeling and emotion, *Love & Space Dust* carries readers on a journey through love, life and relationships, and then far beyond, into the stars and the far flung galaxies, where all that remains of the feelings we once felt and the lives we once lived is love and space dust.

### **A MEMOIR OF A CREATIVE LIFE**

Harper Collins  
Acclaimed author  
Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

*The Four Winds*

Vintage

Born to prominent but dysfunctional Nashville parents, Bezellia Grove

leans on disregarded African-American servants as substitute family figures and incites wrath from both groups when she pursues an interracial relationship with a handyman's son. By the author of *Looking for Salvation at the Dairy Queen*.

### **The Autobiography of Miss Jane Pittman**

Kitsune Publishing

*Ask the Dust* is a virtuoso performance by an influential master of the twentieth-century American novel. It is the story of Arturo Bandini, a young writer in 1930s Los Angeles who falls hard for the elusive, mocking, unstable Camilla Lopez, a Mexican waitress. Struggling to survive, he perseveres until, at last, his first novel is published. But

the bright light of success is extinguished when Camilla has a nervous breakdown and disappears . . . and Bandini forever rejects the writer's life he fought so hard to attain.

**From Dust** Hachette UK

Set in Minnesota, *Gone with Dust* is the New York Times bestselling debut private eye murder mystery from Emmy Award-winning *Seinfeld* writer Matt Goldman. "Sharp wit, complex characters, and masterful plotting makes Goldman a writer to watch. Irreverent and insightful, private detective Nils Shapiro is sure to become a fan favorite."—Harlan Coben, New York Times bestselling author *A Brutal Crime*. The ultimate cover-up. How

do you solve a murder with no useable evidence? Private detective Nils Shapiro is focused on forgetting his ex-wife and keeping warm during another Minneapolis winter when a former colleague, neighboring Edina Police Detective Anders Ellegaard, calls with the impossible. Suburban divorcee Maggie Somerville was found murdered in her bedroom, her body covered with the dust from hundreds of emptied vacuum cleaner bags, all potential DNA evidence obscured by the calculating killer. Digging into Maggie's cell phone records, Nils finds that the most frequently called number belongs to a mysterious young woman whose true identity could shatter

the Somerville family-- but could she be guilty of murder? After the FBI demands that Nils drop the case, Nils and Ellegaard are forced to take their investigation underground, where the case grows as murky as the contents of the vacuum cleaner bags. Is this a strange case of domestic

violence or something with far reaching, sinister implications? "A perfect blend of light touch and dark story—I want more of Nils Shapiro." —Lee Child, New York Times bestselling author At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
