If marriage shows us the shape of the gospel, singleness shows us its sufficiency. Much of what we commonly assume about singleness—that it is primarily about the absence of good things like intimacy, family, or meaningful ministry—is either flat-out untrue or, at the very least, shouldn't be true. To be single, we often think, is to be alone and spiritually hindered. But the Bible paints a very different picture of singleness: it is a positive gift and blessing from God. This book seeks to help Christians—married and unmarried alike—value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole.

Here in modern English is the most famous of Baptist Confessions containing the heart and soul of the Reformation in terms of clear Biblical truth. Here is a Confession of faith for churches to be founded upon, a faith for church members to know, love, defend and propagate, a faith that church officers can hand on to future generations. The Introduction which forms a preface to this Confession explains its origin and discusses several particularly relevant issues contained in the chapters, thereby increasing the usefulness of the whole.

This study guide on Christian marriage focuses on how the Gospel shapes the practical realities of everyday life. Author Tim Chester lifts the lid on many of the common pressure points that modern couples face, and shows how a proper understanding of the Gospel can shape a response.

Gospel Centered Marriage Crossway

Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. When Sinners Say "I Do" is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage. --from publisher description

 Reflecting on forty years of matrimony,

John Piper exalts the biblical meaning of marriage over its emotion, exhorting couples to keep their covenant for all the best reasons. Even in the days when people commonly stayed married "'til death do us part," there has never been a generation whose view of marriage was high enough, says Pastor John Piper. That is all the more true in our casual times. Though personal selfishness and cultural bondage obstruct the wonder of God's purpose, it is found in God's Word, where his design can awaken a glorious vision capable of freeing every person from small, Christ-ignoring, romance-intoxicated views. As Piper explains in reflecting on forty years of matrimony: "Most foundationally, marriage is the doing of God. And ultimately, marriage is the display of God. It displays the covenant-keeping love between Christ and his people to the world in a way that no other event or institution does. Marriage, therefore, is not mainly about being in love. It's mainly about telling the truth with our lives. And staying married is not about staying in love. It is about keeping covenant and putting the glory of Christ's covenant-keeping love on display." This

Momentary Marriage unpacks the biblical vision, its unexpected contours, and its weighty implications for married, single, divorced, and remarried alike.

Un pacto de amor Crossway

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different

manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Preparing for Marriage Crossway

Getting to know that special someone naturally involves learning about family and friends, education and athletics, favorite pastimes, and your hopes and dreams. Ideally, you'll talk about life's best moments and worst, the brightest places in your background and the darkest. But what about God? What is his role in your relationship? What do each of you believe about him, and how do you understand his dream for marriage-for your marriage? John Piper wants to help you

faithfully walk the road to becoming husband and wife. Here you'll find his counsel on practical topics like engagement, wedding planning, finances, and sex. But most importantly, John shares his most vital word on marriage: a vision grander than many of us have ever dared to dream, about what God is doing in every Christian marriage.

7 Myths about Singleness Jonás Aquino López

We live in a deeply broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God’s beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one way or another, affects us all. This sexual brokenness reveals our deep need for redemption—something quick fixes, mere behavior modification, or a set of rules can’t provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God

intended.

El matrimonio fue hecho para proteger el amor durante toda la vida. La

permanencia de la relación entre esposos descansa sobre un pacto de compromiso mutuo, diseñado para sobrevivir a conflictos matrimoniales normales e incluso serios. Sin embargo, a veces, el abuso verbal y físico ejerce sobre matrimonio lo que el asesinato o la violación le hacen a una vida. ¿Qué sucede entonces? ¿Y si los esfuerzos para salvar un matrimonio terminan en una pérdida doble: de la paz y la confianza en el hogar? En este librito, Herb Vander Lugt abre la Biblia para mostrar que Moisés, Jesús y Pablo reconocieron que hay condiciones matrimoniales peores que el divorcio.
