Electrogravitics - Wikipedia Electrogravitics has become popular with UFO, anti-gravity, and government conspiracy theorists where it is seen as an example of something much more exotic than electrokinetics , i.e. that electrogravitics is a true anti-gravity technology that can "create a force that depends upon an object's mass, even as gravity does". Empirical Analysis of Electrogravitic

s and Electrokinetics ... However, fourteen years later, a follow-up second volume called *Electrogravitics II: Validating Reports on a New Propulsion Methodology* has been updated and released which contains journal articles by the Army Research Lab and Honda Corporation on their experiments and theory of how electrogravitics and electrokinetics can work,
