An Introduction to the Old Testament Poetic Books Baker
Academic

"An Indispensable Resource for Old Testament Studies" The
present work is an attempt to evaluate the contents of the Old
Testament and the Apocrypha against the vast background of
knowledge that is now available for students of ancient Near
Eastern life and culture. (From the Preface) With characteristic
understatement, R. K. Harrison embarked on this massive

attempt and produced a volume that for scrupulous detail,
scholarly rigor, and sheer erudition has remained unmatched for
nearly fifty years. Writing from his own apparently limitless
scholarship combined with a conservative perspective, Harrison
first reviews the entire history of Old Testament criticism and sets
the Hebrew scriptures in their full historical and theological
context. He then presents a detailed discussion of each Old
Testament book, along with a lucid overview of the apocryphal
books. Harrison's engagement of the perennial issues and
problems of Old Testament scholarship make this classic text a
vital foundation for a new generation of scholars. For
contemporary Old Testament studies, this highly respected
volume continues to be the essential point of departure."

A THEOLOGICAL INTRODUCTION TO THE PENTATEUCH

Zondervan

John J. Collins's Introduction to the Hebrew Bible is one of the

most popular introductory textbooks in colleges and seminary classrooms. Enriched by decades of classroom teaching, it is aimed explicitly at motivated students, regardless of their previous exposure to the Bible or faith commitments. The third edition is presented in a new and engaging format with new maps and images. An index has been added to the volume for the first time. In order to enhance classroom use, Collins's major text has now been divided into four volumes, one for each major part of the Hebrew Bible. This volume focuses on the Torah/Pentateuch. Here, Collins explores the Near Eastern context and the nature of the pentateuchal narrative and provides helpful insights into Genesis through Deuteronomy. The volume also contains the introduction to Collins's major text and is now available with even more student-friendly features, including charts, maps, photographs, chapter summaries, and bibliographies for further reading. Collins presents the current state of historical, archaeological, and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world.

INTRODUCTION TO THE PENTATEUCH

Fortress Press

A Theological Introduction to the Pentateuch Baker Books

The Pentateuch as Narrative Moody Publishers

The poetic books of the Old Testament--Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon--are often called humankind's reach toward God. The other books of the Old Testament picture God's reach toward man through the redemptive story. Yet these five books reveal the very heart of men and women struggling

with monumental issues such as suffering, sin, forgiveness, joy, worship, and the passionate love between a man and woman. C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. Hebrew is a language of "intrinsic musical quality that naturally supports poetic expression," says Bullock in his introduction. That poetic expression comes from the heart of the Old Testament writers and reaches all of us exactly where we are in our own struggles and joys.

FROM PARADISE TO THE PROMISED LAND

Bloomsbury Publishing

This accessibly written textbook has been a popular introduction to the Pentateuch for over twenty-five years. It identifies the major themes of the first five books of the Bible and offers an overview of their contents. Unlike some academic studies, it focuses on how the books from Genesis to Deuteronomy form a continuous story that provides an important foundation for understanding the whole Bible. This new edition has been substantially updated throughout to reflect the author's refined judgments and to address the future of pentateuchal studies.

Exploring the Old Testament Fortress Press

In this updated edition of the popular textbook *An Introduction to the Old Testament*, Walter Brueggemann and Tod Linafelt introduce the reader to the broad theological scope of the Old Testament, treating some of the most important issues and methods in contemporary biblical interpretation. This clearly

written textbook focuses on the literature of the Old Testament as it grew out of religious, political, and ideological contexts over many centuries in Israel's history. Covering every book in the Old Testament (arranged in canonical order), the authors demonstrate the development of theological concepts in biblical writings from the Torah through postexilic Judaism. Incorporating the most current scholarship, this new edition also includes concrete tips for doing close readings of the Old Testament text, and a chapter on ways to read Scripture and respond in light of pressing contemporary issues, such as economic inequality, racial and gender justice, and environmental degradation. This introduction invites readers to engage in the construction of meaning as they venture into these timeless texts.

The Old Testament Anchor Bible

The Pentateuch (or the Torah) consists of the first five books of the Bible and is a foundational scripture for millions of people, both Jews and Christians. In this book Paula Gooder and Brad Anderson provide a clear and accessible introduction for those beginning Bible study. Key themes such as creation and the flood, exodus and liberation, as well as covenant and law are presented and analyzed. These themes are explored in their ancient context and from the standpoint of contemporary concerns such as liberation theology, gender issues and ecology. For this new edition introductory sections on the five books of the Pentateuch have been expanded and supplemented, while recent developments in the quest for the origins of the Pentateuch have also been updated. A new chapter on academic approaches to the study of the Pentateuch has been added, along with a section on the 'afterlife' of the Pentateuch which focuses on its place in

the history of interpretation, as well as in the arts and culture. Reading lists and references have been updated throughout to take account of the most recent scholarship.

Handbook on the Pentateuch Society of Biblical Lit

John J. Collins' Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike, and for good reason. Enriched by decades of classroom teaching, it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments. Collins proceeds through the canon of the Old Testament and the Apocrypha, judiciously presenting the current state of historical, archaeological, and literary understanding of the biblical text, and engaging the student in questions of significance and interpretation for the contemporary world. The second edition has been revised where more recent scholarship indicates it, and is now presented in a refreshing new format.

An Introduction to the Study of the Pentateuch Burns & Oates

This study provides a straightforward introduction to the contents and themes of the first five books of the Bible. The author stresses the meaning of the Pentateuch in its canonical form while remaining sensitive to its literary merit, theological import, and compelling power.

The Pentateuch Kregel Academic

This useful textbook explores the theological dimensions of the Pentateuch and provides examples of critically engaged theological interpretation.

The Old Testament Fortress Press

A Respected Scholar Introduces Students to the Discipline of Old

Testament Studies Richard Hess, a trusted scholar of the Old Testament and the ancient Near East, offers a substantial introduction to the Old Testament that is accessibly written and informed by the latest biblical scholarship. Hess summarizes the contents of the Old Testament, introduces the academic study of the discipline, and helps readers understand the complex world of critical and interpretive issues, addressing major concerns in the critical interpretation of each Old Testament book and key texts. This volume provides a fulsome treatment for students preparing for ministry and assumes no prior knowledge of the Old Testament. Readers will learn how each book of the Old Testament was understood by its first readers, how it advances the larger message of the whole Bible, and what its message contributes to Christian belief and the Christian community. Twenty maps, ninety photos, sidebars, and recommendations for further study add to the book's usefulness for students. Resources for professors are available through Baker Academic's Textbook eSources.

The Old Testament A Theological Introduction to the Pentateuch In this latest addition to the Handbooks for Old Testament Exegesis series, Peter T. Vogt continues the tradition of excellence established by previous volumes. Divided into three parts, *Interpreting the Pentateuch* first provides an overview of the major themes of the Pentateuch. In the second part, Vogt offers resources and strategies for interpreting and understanding the first five books of the Bible by exploring its genres-law and narrative. Finally, Vogt shows that, although the Pentateuch is a collection of ancient texts, it still has contemporary significance. Vogt also includes two samples-one

from law and one from narrative-of exegesis, giving students a start-to-finish example of the techniques he has illustrated for effective exegesis.

An Introduction to the Old Testament B&H Publishing Group The Samaritan Pentateuch (SP) is the sacred scripture of the Samaritans, a tenacious religious community made famous by Jesus' Good Samaritan story that persists to this day. Not so widely known is the impact of the SP outside the Samaritan community. Recently there has been a resurgence of interest in this scripture, as evidenced by several translations of the SP as well as reference in Qumran scroll studies to the SP or an SP-like tradition in an effort to describe some of the textual evidence present in the scrolls. This volume presents a general introduction to and overview of the SP, suitable for a course text and as a reference tool for the professional scholar.

THE PENTATEUCH

Oxford University Press, USA

Rich rewards await readers who dig deep into the historical books of the Old Testament. Incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers of Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. It is really the story of all of us. David M. Howard Jr. provides an in-depth introduction to the Old Testament historical books, focusing first on the overarching themes of historical narrative in general. He

then turns his attention to each book. From the conquest of Canaan to the fall of Jerusalem, from war to peace and back to war, from kings and queens to farmers and housewives--David Howard covers it all in this invaluable introduction to the Old Testament historical books.

An Introduction to the Old Testament Moody Publishers

A survey of the Bible as a whole, with a summary of each book's context, outline, and content.

The World and the Word Wm. B. Eerdmans Publishing

Lucidly written by leading biblical scholar Michael D. Coogan, this balanced, engaging, and up-to-date introduction to the Hebrew scriptures distills the best of current scholarship. Employing the narrative chronology of the Bible itself and the history of the ancient Near East as a framework, Coogan covers all the books of the Hebrew Bible, along with the deuterocanonical books included in the Bible used by many Christians. He works from a primarily historical and critical methodology but also introduces students to literary analysis and other interpretive strategies. A FREE 6-month subscription to Oxford Biblical Studies Online (www.oxfordbiblicalstudies.com)--a \$180 value--is included with the purchase of every new copy of this text. SAVE YOUR STUDENTS 20%! This text is available in a discounted package with The New Oxford Annotated Bible with Apocrypha: New Revised Standard Version, College Edition, Fourth Edition. To assign this package, order package ISBN 978-0-19-935856-4. For additional Bibles and packaging options, contact your Oxford University Press Representative at 800.280.0280

An Introduction to the Old Testament Oxford University Press
The Pentateuch--Genesis, Exodus, Leviticus, Numbers,

Deuteronomy--are the vital first books in the Bible. understanding the scope, meaning, and events of these five books is integral to understanding the whole of Scripture that follows. Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch. Readers will find Adam, Abraham, Joseph, Moses and Joshua in these pages, as well as terrible sin and glorious forgiveness, bloody sacrifices and battles, deadly betrayal and life-giving hope. Wolf first addresses the overarching themes that flow through the Pentateuch, with special attention given to Moses as author of the five books. He then addresses each book specifically, covering topics such as purpose and scope, and literary structure. He tailors additional study to each specific book. This book contributes significantly to a clear, deep understanding of the Bible's first five books.

A Popular Introduction to the Pentateuch Moody Publishers

This textbook focuses primarily on the content and structure of the Pentateuch. The process which produced the Pentateuch and the long record of its use within Judaism and Christianity are intricate and fascinating stories, but it is the final forms of these five books to which we have the most reliable access. Discussions of historical and theological issues are included when they serve to illustrate the content and structure of the text. After an opening chapter, which introduces the major issues in the study of the Pentateuch, including a summary of the history of scholarship, a full chapter engages each of the five books. Attention to literary shape, texture, and artistry are at the forefront of the discussion, while historical and theological

discussions are included where they are most informative. The book also includes many lists of textual data in each chapter. Most of these provide a view of features, which serve to connect and draw together the diverse literature of the Pentateuch. They are intended to serve as starting points for active textual research in a classroom setting. The material in this book is classroom tested and was even developed during successive opportunities to teach courses in the Pentateuch. - Publisher. [An Introduction to the Pentateuch](#) Moody Publishers

The Pentateuch is the heart of the Hebrew Bible and the foundational document of Judaism. It is also the focus of tremendous scholarly exploration and debate today regarding the complex history of its composition. This history will be explored

along with analysis of the historical background and ancient Near Eastern parallels for its primeval history, its ancestry narratives, and laws, the theological purposes of its final redaction, and the diverse ways it is interpreted in communities today. In this textbook, Thomas B. Dozeman, one of the leading scholars of the Pentateuch today, introduces students to its contents and structure of each book, and orients them to the Pentateuch's place in the Hebrew Bible and in the interpretive traditions of Judaism and Christianity. Dozeman deftly introduces the key interpretive questions and methods that shape contemporary scholarship and explains their consequences, inviting students into the invigorating work of interpretation today. Pedagogical features include images, maps, timelines, reading lists, and a glossary.
