For courses in Developmental English with students of varying skill levels, or those in need of additional writing practice prior to college-level writing. A highly visual, theme-based approach to writing that meets you where you are, and guides you to where you need to be. The Writer's World series integrates essential elements that are simply not found in other writing books - a stimulating visual program, thoughtful coverage for nonnative speakers, and effective strategies that address the skill levels of all readers. Authors Lynne Gaetz and Suneeti Phadke draw upon their more than 30 years of combined teaching experience to reach as many readers as possible, by meeting their needs and addressing their individual interests and abilities. The authors' innovative instruction seamlessly infuses material for both native and nonnative speakers, while their exercises and activities encourage active participation and collaboration. The engaging design, open layout, and dynamic images support visual learners and prompt critical thinking. Aesthetics: The Key Thinkers offers a comprehensive historical overview of the field of aesthetics. Thirty specially commissioned essays introduce and explore the contributions of philosophers who have shaped the subject, from its origins in the work of the ancient Greeks to contemporary developments in the 21st century. Now thoroughly revised and updated throughout, this second edition includes new chapters on Ludwig Wittgenstein, Susanne Langer, Bernard Bolzano, as well as more coverage of post-1950 aesthetics with Frank Sibley, Stanley Cavell, Peter Kivy, Noël Carroll, Peter Lamarque, and Jerrold Levinson. The book reconstructs the history of aesthetics, clearly illustrating the most important attempts to address such crucial issues as the nature of aesthetic judgment, the status of art, and the place of the arts within society. Ideal for undergraduate students, it lays the necessary foundations for a complete and thorough understanding of this fascinating subject.
