Tasslehoff Burfoot... the classic

Dragonlance characters are back! Picking up where the first book of the classic Dragonlance Chronicles left off, this tale follows the Companions of the Lance on their adventures following the rescue of the refugees of Pax Tharkas. The Second Generation Wizards of the Coast

From the bestselling authors of *The Rose of the Prophet* and *The Death Gate Cycle*, the first in a majestic saga of magic, fantasy, and adventure In the enchanted realm of Merilon, magic is life. Born

without magical abilities and denied his birthright, Joram is left for dead. Yet he grows to manhood in a remote country village, hiding his lack of powers only through constant vigilance and ever more skillful sleight-of-hand. Forced to kill a man in self-defense, Joram can keep his secret from the townspeople no longer: he has no magic, no life. Fleeing to the Outlands, Joram joins the outlawed Technologists, who practice the long forbidden arts of science. Here he meets the scholarly catalyst Saryon, who has been sent on a special mission to hunt down a mysterious "dead man" and instead finds himself in a battle of wits and power with a renegade warlock of the dark Duuk-tsarith caste. Together, Joram and Saryon begin their quest toward a greater destiny—a destiny that begins with the discovery of the secret books that will enable them to overthrow the evil usurper Blachloch . . . and forge the powerful magic-absorbing Darksword.
