In 1985 Suzuki brought the technology from its championship-winning Grand Prix motorcycles to the street in the form of the groundbreaking GSX-R series. For decades the Japanese manufacturers had built sporting motorcycles that were all motor and very little else. For the complete

package-bikes that handled as well on a racetrack as they handled in a straight-line drag race-riders had to purchase ultra expensive, ultra exotic machinery from European manufacturers. In one lightning strike Suzuki changed that. Suzuki GSX-R tells the complete story of these remarkable bikes.

The Phenomenal Sunday Times No1 Bestseller 'It was the start of the third lap of the 2010 Senior TT, the last race of the fortnight. The last chance to get a TT win for another year, and I was pushing hard. Ballagarey. The kind of corner that makes me continue road

racing. A proper man's corner. You go through the right-hander at something like 170mph, leant right over, eyes fixed as far down the road as I can see. But this time something happened. This time the front end tucked ...' Guy Martin, international road-racing legend, maverick star of the Isle of Man TT, truck mechanic and TV presenter, lives on the edge, addicted to speed, thoroughly exhilarated by danger. In this book we'll get inside his head as he stares death in the face,

and risks his life in search of the next high. We'll discover what it feels like to survive a 170mph fireball at the TT in 2010, and come back to do it all again. He'll sweep us up in a gritty sort of glory as he slogs it out for a place on the podium, but we'll also see him struggle with the flipside of fame. We'll meet his friends and foes, his family, his teammates and bosses and we'll discover what motivates him, and where his strengths and weaknesses lie. For the first time, here is the full story in Guy's

own words. From the boy who learned to prep bikes with his dad, to the spirited team mechanic, paying his way by collecting beer glasses in pubs, to the young racer at the start of his first race and the buzz he's been chasing ever since. This thrilling

## **HOW TO BUILD MOTORCYCLE-ENGINE RACING CARS**

Cassell Injury. Adrenaline. Addiction. These are the things that fuelled one man's race to international stardom as he pushed boundaries and took life on and off the bike to the limits. Starting out as a talented youth riding the desert tracks of California, his reckless nature and incredible talent earned him a position in the rarefied world of professional

motorcycle racing. Despite the success in his professional life, his personal life was crumbling around him - John was battling with depression and temptation, which began to threaten his career, health and marriage, ultimately bringing him to a life of alcoholism, addiction and even smuggling. In his remarkable memoir, one of the world's most renowned riders takes us on a raw and unique journey to the extremes of fast living. John

'Hopper' Hopkins is an icon for motorsport fans worldwide. He won't let anything hold him back. He has broken almost every bone in his body (twice), suffered a bleed on the brain, and had a finger amputated... yet he continued to race. Finally, at the age of 35 - with his latest crash at Brands Hatch in 2017 putting him in rehab for two years - he decided to hang up his helmet. Leathered tells the incredible story of an unparalleled career. From bone-crunching injuries and alcohol-fuelled antics

to the breakdown of his marriage, it unveils the true stories behind the lurid headlines.

Why would anyone want to do something as dangerous as motorcycling? For those who love to ride, no explanation is necessary. For everyone else, there's *Why We Ride*. Designed

as both an explanation for outsiders and an anthem for those within the fold, this new book presents the insights of Mark Barnes, PhD, a motorcycling clinical psychologist. As a popular columnist at *Motorcycle Consumer News* for more than 20 years, Dr. Barnes articulates the elusive physical, emotional, and interpersonal elements that make the world of the motorcyclist such a rich and exciting place. His wide-ranging text covers both sports psychology and the

psychoanalysis of common riding experiences, including the results of Dr. Barnes' own empirical research. Heartfelt and thought provoking, here is a straightforward account of what makes real motorcyclists tick. Inside *Why We Ride: What makes all the hazards and hardships of riding a motorcycle worthwhile to perfectly sane, intelligent, and responsible individuals* Insights from clinical psychologist and moto-journalist Dr. Mark Barnes Examination of the

complex gratifications, relentlessly compelling passions, and deeply personal experiences that motivate motorcyclists Sports psychology, psychoanalysis of common riding experiences, and reflections on the author's personal journey as a rider Results of the author's own empirical research on the motives of motorcyclists Thought-provoking exploration of the human dimension of motorcycling Special section on how riders achieve the quasi-

mystical state of "Flow," a concept currently at the center of modern sports psychology
