Lectures on Homoeopathic Materia Medica Repertory of the Homoeopathic Materia Medica B. Jain

Dr. E. A. Farrington s Clinical Materia Medica is more than 100 years old book, and what a gem it is. Though it is a very nicely written book, it is not as popular as Kent s Lectures on Materia Medica. So,

we at B. Jain decided to revamp this jewel.

Lectures on Homoeopathic Materia Medica B. Jain Publishers

As increasing numbers of people turn to alternative healing practices, this classic text on the science and art of homeopathic medicine remains ever relevant. Written at the turn of the twentieth century by a distinguished physician, its concepts of health and healing are still ahead of our time. Dr. Kent summarizes, interprets, and systematizes the traditions of homeopathy, offering insights into the essential characteristics of the healing process: how to take a case history, how to study the case, how to establish the hierarchy of symptoms in determining the appropriate remedy--and above all, how to decide what to do after the first prescription, how to interpret the many reactions to therapy, and how to achieve a scientific understanding of a cure. This informative volume is must reading for any student or practitioner of homeopathy as well as any individual seriously interested in understanding the fundamental laws of health and healing.

HOMOEOPATHIC MATERIA MEDICA (HINDI)

B. Jain Publishers

Kent's repertory is one of the most acceptable repertories amongst the homoeopathic fraternity . Kent's comparative repertory is a helping hand for the physicians and students alike to overcome the problem of understanding the exact meaning of each rubric and to differentiate amongst the closely related ones such as ;abandon and Forsaken' also the book is a guide for the selection of 'The correct remedy' as it details the differentiating features of each of the third grade remedy under the given rubric. This facilitates the physician at the clinical level. The book well elucidates the most important section of the Kent's repertory which is the Mind section.
