throughout the world. The Lesson Book introduces sight-reading and technique as well as preparation for the exam pieces. The correlated Theory Book prepares students for the theory exam at the same time. By including some exam pieces from previous practical syllabuses and also a mock theory paper from the theory exam in the correlated theory books, you, as a teacher, can judge perfectly the appropriate time to enter your pupil for the graded exam. This will make passing a formality but, more importantly, give your pupil the confidence to achieve the merits and distinctions that inspire and reward their hard work.

Alfred's Basic Piano Prep Course: Theory Book B Alfred Music Publishing

Alfred's Basic Prep Course, Levels A through F, was written to answer a demand for a course of piano study designed specifically for students who are five years old and up. This course offers a careful introduction of fundamentals, music that fits comfortably under the young student's normal hand span, plus constant reinforcement--all leading to results beyond those generated by other piano methods. After Lesson Book D, the student may progress to Prep Course, Lesson Book E or choose to go directly into the faster paced Level 2 of Alfred's Basic Piano Library. The complete Prep Course consists of six books (Levels A through F).
