Pray Your Way to Breakthroughs Mountain of Fire and Miracles Ministries

Christopher Hitchens, described in the London Observer as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell’s *Why I Am Not a Christian* and Sam Harris’s recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope’s awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

"If you are longing to gain insights into the prophetic word, then this book will lead you on the pathway to that discovery." --Paul Crouch, President, Trinity Broadcast Network
 Wrapped around the astounding story of Kim Clement's personal life and call into the prophetic ministry are the secrets that everyone needs in order to hear God's voice with clarity and assurance. During the course of his 60-year ministry, John Osteen combined an extraordinary love for people with a vision for ministry best

described in his own words: "No limits." In this hardcover volume not only includes content from John's sermon transcripts, but also a foreword and commentary written by his son, Joel; the principles of this "no limits" faith come alive again for a new generation. For the moments of struggle and temptation that every man faces, and the times in life when he feels surrounded and under attack, John's message is profoundly simple--those moments are precisely the time for an unwavering faith. In this book, John schools today's believers in seven qualities of unwavering faith: 1. It hears and sees what the world cannot see or hear. 2. It prays earnestly even though it has already heard the answer. 3. It is strong when there is no evidence of the answer. 4. It always says, "Go Again!" 5. It goes on when there's just a little evidence. 6. It believes for the big when it sees the little. 7. It begins with nothing but ends up doing mighty things for God. Osteen also provides principles for those times when faith doesn't seem to be working. **BECOMING A MAN OF UNWAVERING FAITH** is a guidebook to stronger faith, from a man who spent a lifetime testing its limits.
