GEORGE ELSA

The Necessary Shakespeare with NEW MyLiteratureLab -- Access Card Package Familius

A portrait of Elizabethan England and how it contributed to the

making of William Shakespeare discusses how he moved to London lacking money, connections, and a formal education; started a family; attempted to forge his career in the competitive theater world; grappled with dangerous religious and political forces; and rose to become his age's foremost playwright. 100,000 first printing.
 AKA *Shakespeare* Simon and Schuster

A highly respected editor and Shakespearean scholar, David Bevington presents a brief version of The Complete Works of Shakespeare, 7/e with the new edition of The Necessary Shakespeare, 4/e. Available in the traditional print text format and now available as an eText within MyLiteratureLab, Pearson's online resource for literature. The eText increases flexibility for students who prefer the convenience of studying online. The

eText offers complete note-taking capabilities so students can mark the text as they would the printed page. The fourth edition continues to address the two key issues confronted by students approaching Shakespeare today: a lack of knowledge about the historical period and difficulty with the language of Shakespeare's plays. A richly illustrated general introduction offers insight into Shakespeare's England and background on the literary, social, and cultural contexts in which Shakespeare wrote and produced plays. Each play is introduced by a descriptive essay designed to help students appreciate the historical contexts and interpretive issues raised by the play, without dictating students' interpretations. Thoroughly revised and updated notes and glosses provide contemporary readers the support they need to understand Elizabethan language and idioms in accessible and clear modern language, line by line. 0321893751 / 9780321893758 The Necessary Shakespeare with NEW MyLiteratureLab with eText -- Access Card Package Package consists of 0321880943 / 9780321880949 Necessary Shakespeare, The 0205891284 / 9780205891283 NEW MyLiteratureLab with eText -- Valuepack Access Card

Penguin

The Winter's Tale is a play by William Shakespeare, originally published in the First Folio of 1623. Although it was grouped among the comedies, some modern editors have relabelled the play as one of Shakespeare's late romances. Some critics consider it to be one of Shakespeare's problem plays, because the first three acts are filled with intense psychological drama, while the last two acts are comedic and supply a happy ending.

Bernard Quaritch Longman Publishing Group

Shakespeare / Text sets new agendas for the study and use of the Shakespearean text. Written by 20 leading experts on textual matters, each chapter challenges a single entrenched binary – such as book/theatre, source/adaptation, text/paratext, canon/apocrypha, sense/nonsense, extant/ephemeral, material/digital and original/copy – that has come to both define and limit the way we read, analyze, teach, perform and edit Shakespeare today. Drawing on methods from book history, bibliography, editorial theory, library science, the digital humanities, theatre studies and literary criticism, the collection as a whole proposes that our understanding of Shakespeare – and early modern drama more broadly – changes radically when 'either/or' approaches to the Shakespearean text are reconfigured. The chapters in *Shakespeare / Text* make strong cases for challenging received wisdom and offer new, portable methods of treating 'the text', in its myriad instantiations, that will be useful to scholars, editors, theatre practitioners, teachers and librarians.

The Life of King Henry the Fifth Bloomsbury Publishing

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a

substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of *The Merchant* in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

A Comedy Longman Publishing Group

Fairies, unruly women, and vestigial Catholicism constituted a frequently invoked triad in late sixteenth- and early seventeenth-century drama which has seldom been critically examined and therefore constitutes a significant lacuna in scholarly treatments of early modern theater, including the work of Shakespeare. Fairy tradition has lost out in scholarly critical convention to the more masculine mythologies of Christianity and classical Greece and Rome, in which female deities either serve masculine gods or are themselves masculinized (i.e., Diana as a buckskinned warrior). However, the fairy tradition is every bit as significant in our critical attempts to situate early modern texts in their historical contexts as the references to classical texts and struggles associated with state-mandated religious beliefs are widely agreed to be. *Fairies, Fractious Women, and the Old Faith* examines the ways in which the fairy, rebellious woman, quasi-Catholic trio repeatedly stages resistance to early modern conceptions of appropriate class and gender conduct and state-mandated religion in *A Midsummer Night's Dream*, *The Merry Wives of Windsor*, *Cymbeline*, *All's Well That Ends Well*, and Ben Jonson's *The Alchemist*.

How Shakespeare Became Shakespeare Longman Publishing Group

Far less expensive than comparable guides, *Reading and Writing about Literature: A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned. This brief guide introduces strategies for reading literature, explains the writing process and common writing assignments for literature courses, provides instruction in writing about fiction, poetry, and drama, and includes coverage of writing a research paper and of literary criticism and theory. This volume in the popular Bedford/St. Martin's series of Portable Anthologies and Guides offers a trademark combination of high quality and great value. *The Comedy of Errors* Springer

The Necessary Existence of God ... Fourth Edition (The Russell Edition). Cambridge University Press

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

A Scientific Approach to the Authorship Question

Susquehanna University Press

Hamlet is a tragedy by William Shakespeare, believed to have been written between 1599 and 1601. The play, set in Denmark,

recounts how Prince Hamlet exacts revenge on his uncle Claudius, who has murdered Hamlet's father, the King, and then taken the throne and married Hamlet's mother. The play vividly charts the course of real and feigned madness—from overwhelming grief to seething rage—and explores themes of treachery, revenge, incest, and moral corruption.

Arden Shakespeare Third Series Complete Works W. W. Norton & Company

Remediating Shakespeare in the Eighteenth and Nineteenth Centuries analyzes literary remediations of Shakespeare's works, particularly those written for young readers. This book explores adaptations, revisions, and reimaginings by Lewis Theobald, the Bowdlers, the Lambs, and Mary Cowden Clarke, among others, to provide a theoretical account of the poetics and practices of remediating literary texts. Considering the interplay between the historical fascination with Shakespeare and these practices of adaptation, this book examines the endless attempt to mediate our relationship to Shakespeare. Howard Marchitello investigates the motivations behind various forms of remediation, ultimately expanding theories of literary adaptation and appropriation.

Romeo and Juliet Bucknell University Press

Extracted from the best-selling *Complete Works of Shakespeare*, 5/e by David Bevington, *The Necessary Shakespeare* offers the

most comprehensive scholarly apparatus, with the most often taught-necessary-of Shakespeare's work, creating a truly concise yet complete anthology. This anthology provides extensive introductions to the plays and poems-offering discussion topics, sources for each play, and the stage history of performances. Readers interested in Shakespeare.

Castrovilli Giuseppe

Since the rediscovery of Elizabethan stage conditions early this century, admiration for *Measure for Measure* has steadily risen. It is now a favorite with the critics and has attracted widely different styles of performance. At one extreme the play is seen as a religious allegory, at the other it has been interpreted as a comedy protesting against power and privilege. Brian Gibbons focuses on the unique tragi-comic experience of watching the play, the intensity and excitement offered by its dramatic rhythm, the reversals and surprises that shock the audience even to the end. The introduction describes the play's critical reception and stage history and how these have varied according to prevailing social, moral and religious issues, which were highly sensitive when *Measure for Measure* was written, and have remained so to the present day.

Drawn from our best-selling anthology, *The Bedford Introduction to Literature*, *Literature to Go* is a brief and inexpensive collection of stories, poems, and plays supported by the superior instruction you expect from a Michael Meyer anthology. With literature from many periods, cultures, and diverse voices, the book is also a complete guide to close reading, critical thinking, and thoughtful writing about literature. The second edition features a new thematic chapter on our working lives and a new in-depth chapter on the fiction of Dagoberto Gilb, created in collaboration with the author himself—continuing the anthology's mission to present literature as a living, changing art form.
