## GLOVER SHANNON

---

### **Outcome-based Massage** HarperCollins

Contains everything a man needs to know in order to be a good lover, based on esoteric traditions of sexual ecstasy. • Includes practical and easy-to-follow Tantric rituals and sacred sexuality exercises for a modern lifestyle. • Uses real-life stories of couples to show the benefits achieved with the practices. • Offers an approach to lovemaking that encompasses all dimensions--physical, emotional, and spiritual. • Written by the co-creators of The Secrets of Sacred Sex video Being a good lover isn't easy. With more freedom, knowledge, and body awareness, today's woman knows better than to settle for predictable, performance-based sex. Tantric Secrets for Men offers everything a man needs to know in order to satisfy a woman's physical, emotional, and spiritual yearnings. Employing the ancient secrets of physical ecstasy, men learn to transform rote sex into

passionate lovemaking, pleasure into ecstasy, and partnership into union. From the expert teachings of a committed couple practicing and teaching ecstatic sexuality in a modern-day context, men will learn how to satisfy a woman on the levels of body, heart, and soul--and how to bring themselves to new heights of ecstasy in the process. The authors draw upon time-honored tantric and Taoist practices and modern sexology that will enable couples to make love more frequently, achieve higher and prolonged states of orgasmic intensity, experience lovemaking as a sacred endeavor, and deepen loving relationships.

### **A RADICAL NEW WAY TO NEGOTIATE**

Watson-Guptill

A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. In Mountain, Water, Rock, God, Luke Whitmore situates the disastrous flooding that fell on the Hindu Himalayan shrine of Kedarnath in 2013 within a broader religious and ecological context. Whitmore explores the longer story of this

powerful realm of the Hindu god Shiva through a holistic theoretical perspective that integrates phenomenological and systems-based approaches to the study of religion, pilgrimage, place, and ecology. He argues that close attention to places of religious significance offers a model for thinking through connections between ritual, narrative, climate destabilization, tourism, development, and disaster, and he shows how these critical components of human life in the twenty-first century intersect in the human experience of place.

*Tantric Quest* University of California Press

This new collection explores for the first time male sex work from a rich array of perspectives and disciplines. It aims to help enrich the ways in which we view both male sex work as a field of commerce and male sex worker themselves. Leading contributors examine the field both historically and cross-culturally from fields including public health, sociology, psychology, social services, history, filmography, economics, mental health, criminal justice, geography, and migration studies, and more. Synthesizing introductions by the editors help the reader understand the implications of the findings and conclusions for scholars, practitioners, students, and members of the interested/concerned public.

*A Guide to the Massage Therapeutic Relationship* Last Gasp of San Francisco

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. A practical guide to improving therapist-client communication. *Talking Body, Listening Hands: A Guide to the Massage Therapeutic Relationship*, 1e helps massage therapy educators, students, practitioners, and clients discuss communication and ethical challenges associated with massage therapy practice. The text explores professional responsibilities, communication skills, and interpersonal challenges that massage therapists face day to day, examining the therapeutic relationship from both therapist and client perspectives. Coverage begins with basic concepts and ends with clinical decision-making about complex conditions and end-of-life issues. Using a case-based approach informed by massage therapy evidence, psychological theory, and clinical experience, *Talking Body Listening Hands* shows readers how to examine and manage conflicts while maintaining client-centered care and personal integrity. *Teaching and Learning Experience* *Talking Body Listening Hands* provides an exceptional teaching and learning experience—for you and your students. It provides: Understanding through clinical examples: Topics are directly tied to real examples and applications. Emphasis on communication: Chapters help foster the skills required for successful communication. Practical advice for both students and professionals: Discussions provide useful insights from the author's extensive professional experience. Effective visual resources: Tables and figures clarify and support discussions from the text. Watch author, Pam Fitch, introduce *Talking Body, Listening Hands*

**Love Secrets** Simon and Schuster

This book is for anyone who wants to live in a place of greater freedom, peace and fulfilment. *Living Your Best Life* reflects the heart of God for us to live fully as the people we were destined to be. Each chapter integrates the restorative power of Christian spirituality with evidence based psychological tools, drawing on our relationship with God as a source of healing and wholeness. Readers are invited to enter into a personal journey of growth and transformation as they are empowered with practical skills to flourish spiritually, think healthily and thrive emotionally.

## IGNITING INTIMACY

Penguin

Around the globe, there is a growing awareness of the importance of addressing students' social and emotional development and wellbeing during schooling. Although the bulk of the work in this area has been conducted in North America and Europe, there is now a burgeoning interest in this topic in Australia and the wider Asia Pacific. This book is the first ever to provide a timely and important collection of diverse perspectives on and approaches to social and emotional learning in the Australian and Asia Pacific context. Adopting a broad view of social and emotional learning, the book explores positive psychology, belonging, teachers' professional development, pre-service training and post-initial training in Australia and in neighbouring communities such as China, Hong Kong, Korea, Singapore, New Zealand, Fiji, and other Pacific nations. "Frydenberg, Martin, and Collie have provided an incredible service by bringing together in a single well planned scholarly volume an incredible and well balanced group of senior and early career cutting edge researchers from Australia, Asia and the Asia Pacific area tackling approaches and key issues of social and emotional learning. Their much needed volume links research on key factors, such as differing perspectives, measurement issues, the identification of at-risk children, teachers' social and emotional development, and these and other across the cultures of an increasingly vibrant and developing geographic region. It is indeed encouraging to gain the sense of depth and breadth of ongoing research that the volume gives." John Roodenburg PhD FAPS MCEDP MCCOUNSP, Monash University Melbourne "Social and Emotional Learning is understood to be a crucial part of the school curriculum. This book covers the field, with a refreshing focus on work being done in Australia and in neighbouring countries. For school psychologists, the book helps us to understand how SEL can help at every level – from working with individuals, small groups, whole classes, or with the entire school. Our work with vulnerable students, individually or in small groups, is always more effective when embedded in the broader context of Social and Emotional Learning." Paul Bertoia FAPS MCEDP, Senior School Psychologist "This collected volume of researchers from Australia and the Asia-Pacific provides a thorough review of important educational, social, and emotional development issues for practitioners and researchers around the world. Readers will greatly benefit from the breadth and depth of treatment in each of the topics covered." Kit-Tai Hau, PhD, Choh-Ming Li Professor of Educational Psychology, The Chinese University of Hong Kong.

*Male Sex Work and Society* Llewellyn Worldwide

"Rules Without Meaning" is an original study of ritual and mantras which shows that rites lead a life of their own, unaffected by religion or society. In its analysis of Vedic ritual, it uses methods inspired by logic, linguistics, anthropology and Asian studies. New insights are offered into various topics including music, bird song and the origin of language. The discussion culminates in a proposal for a new human science that challenges the current dogma of -the two cultures- of sciences and humanities."

*Bondassage* Kinky Erotic Massage Tips for Lovers

## I AM MY LOVER

Simon and Schuster

"The next evolution in erotic massage, this book will teach you how to take your need for sensation to a whole new level!"-Jaiya, creator of Red Hot Touch video series and co-author of Red Hot Touch: A Head-to-Toe Handbook for Mind-Blowing Orgasms "Bondassage is the absolute best massage book in the whole world! Gifted pleasure artists and world-class sex educators, Jaeleen Bennis and Eve Minax, generously share the secrets and skills they've gathered from decades of hands-on experience. Follow their simple, clear, concise instructions and you are guaranteed to manifest full body bliss and profoundly deep satisfaction-sexually and beyond."-Annie Sprinkle, Ph.D., author of Spectacular Sex-Make Over Your Love Life Learn how to give your lover a sensual, euphoric--and slightly kinky--massage that will open the door to new realms of pleasure, intimacy and connection for you both. Whether you're looking to learn simple things to do with your hands (pinch, caress, spank!), or are ready to explore light bondage and the delights of submission (including an introduction to basic sex toys and how to use them), this book will show you how to get kinky while deepening that loving connection to your partner. Bondassage is a massage practice created by Jaeleen Bennis, who trains and licenses professional masseuses and bodyworkers in this exceptional set of techniques. Now you can learn the secrets of Bondassage to use in the privacy of your own home. Bondassage is perfect for couples looking to heat things up as well as singles looking to improve their sexual confidence.

*The Complete Idiot's Guide to Tantric Sex* Lippincott Williams & Wilkins

Massage Therapy: Integrating Research and Practice presents the latest research examining the evidence for the use of various massage therapy techniques in treating pathological conditions and special populations. In this resource readers will find a synthesis of information from the diverse fields of kinesiology, medicine, nursing, physical therapy, and psychology. Authored by experts carefully selected for their specific knowledge, experience, and research acumen, *Massage Therapy: Integrating Research and Practice* will assist both students and practitioners in these areas:

- Learning the benefits of evidence-based massage therapy practice
- Understanding various research methods
- Developing research skills by learning guidelines for writing case reports and journal articles
- Understanding how to integrate massage therapy research into education and clinical practice

This text presents a seamless integration of research and practice in four parts, providing readers first with a background to the field of massage therapy followed by discussion of research methods. Next is an evidence-based presentation of the efficacy of massage therapy for conditions and populations often encountered in massage therapy practice. This clinical section presents three patient populations (pediatric, athletic, and elderly); three pain-related types (headache, neck and shoulder pain, and low back pain); and six conditions that massage therapists may encounter: pregnancy and labor, scar treatment, cancer, fibromyalgia, anxiety and depression, and clients who have experienced sexual trauma. Recommendations and evidence-based treatment guidelines are clearly defined for each condition. Case reports developed from real-life cases are included in this section, offering readers a real-world context for the clinical content presented. The final section illustrates specific ways to integrate research into the educational and professional

development of current and future massage therapists. It provides readers with the fundamental tools for a research-based approach in clinical practice, especially as it relates to special populations. A running glossary, chapter summaries, and critical thinking questions assist students in learning the content and act as self-study tools for practitioners. *Massage Therapy: Integrating Research and Practice* offers both students and practitioners of massage therapy the most current evidence-based information, guidelines, and recommendations for the treatment of conditions often seen in massage therapy practice. This essential reference will assist practitioners in understanding the scientific literature and its application in enhancing the practice of this safe and effective health intervention.

*Social and Emotional Learning in Australia and the Asia-Pacific* North Atlantic Books

From one of the most prolific erotica authors comes the funniest book on wanking you will ever read. It has all the answers to questions you never thought to ask - Is God a wanker? Was Eve made to be the first bit of porn? Is wanking cheating? Wanking facts, songs, literature, who does it and why? Mutual masturbation, wanking jokes and, of course, the origins of wanking. But wait...there is more! It is the ultimate gift for all your wanking friends and will have you laughing at the author's light hearted approach to this very serious subject. Or maybe you will just cry... Break open this taboo subject and embrace the art of wanking.

*The DC Comics Guide to Coloring and Lettering Comics* Feminist Press

Going a step beyond traditional sex manuals, this guide reveals five basic principles involved in energetic lovemaking, including relaxation, focusing on the energy exchange, being present in the now, breathing deeply, and being open to new experiences. Line drawings.

**A Special Illumination** Springer

Acclaimed artists Mark Chiarello and Todd Klein demystify these essential steps in traditional graphic storytelling. Chiarello explains the entire coloring process, from computer and software choice to creating color effects that give the action its maximum impact. Klein discusses whether to letter by hand or by computer—a hotly debated topic among working letterers—and demonstrates an array of techniques for creating word balloons, fonts, logos, and much more.

*Living Your Best Life* Human Kinetics

This is the first book on Ortho-Bionomy, a bodywork technique which is quickly gaining popularity among laypeople and therapists from all bodywork disciplines. Kathy Kain gives clear descriptions of the philosophy and concepts of Ortho-Bionomy. The illustrations and easy to understand technical instructions show the standard releases taught in Ortho-Bionomy classes. The student is guided from the beginning of a session to the end in learning this gentle, effective approach to somatic re-education. Ortho-Bionomy's primary benefit lies in helping people to break the cycle of pain by learning how to correct structural and somatic dysfunction and to release stress. This noninvasive, quick acting approach is an effective preparation for mobilization, movement and therapeutic exercise.

## RULES WITHOUT MEANING

Scholastic Inc.

A tantric massage practice for awakening and honoring male creative energy and allowing a man

conscious, loving contact with his own masculinity • Empowers men to expand and deepen their experience of arousal and sensuality • Demonstrates how deep relaxation is important to a strong and lasting erection • Shows how the lingam connects a man to his dynamic strength while the prostate is linked to his more receptive side

Lingam is the Sanskrit word for the male generative organ, the penis. In India, the lingam is revered as an expression of Shiva's clarity, symbolizing the fine sword that differentiates between truth and falsehood. The goal of a lingam massage is to provide a man conscious, loving contact with his own masculinity. Western cultural expectations around sexual "performance" have created sexual difficulties for many men, including erectile dysfunction and premature ejaculation. Through loving touch, lingam massage provides the deep relaxation that supports sustained erection, putting a man in touch with less familiar aspects of his sexuality, including the energetic responses of his perineum, prostate gland, and anus. Lingam massage is not simply a hands-on technique but involves the conscious direction of energy throughout the body. It allows men to savor longer, deeper orgasms and teaches taoist and tantric practices for conserving sexual energy. Over time, as his consciousness deepens, these practices give a man complete control over his ejaculation.

#### **Sex Magic Rituals for Radical Living & Loving** Hay House, Inc

From the most brilliant and audacious choreographer of our time, the exuberant tale of a young dancer's rise to the pinnacle of the performing arts world, and the triumphs and perils of creating work on his own terms—and staying true to himself Before Mark Morris became "the most successful and influential choreographer alive" (The New York Times), he was a six year-old in Seattle cramming his feet into Tupperware glasses so that he could practice walking on pointe. Often the only boy in the dance studio, he was called a sissy, a term he wore like a badge of honor. He was unlike anyone else, deeply gifted and spirited. Moving to New York at nineteen, he arrived to one of the great booms of dance in America. Audiences in 1976 had the luxury of Merce Cunningham's finest experiments with time and space, of Twyla Tharp's virtuosity, and Lucinda Childs's genius. Morris was flat broke but found a group of likeminded artists that danced together, travelled together, slept together. No one wanted to break the spell or miss a thing, because "if you missed anything, you missed everything." This collective, led by Morris's fiercely original vision, became the famed Mark Morris Dance Group. Suddenly, Morris was making a fast ascent. Celebrated by The New Yorker's critic as one of the great young talents, an androgynous beauty in the vein of Michelangelo's David, he and his company had arrived. Collaborations with the likes of Mikhail Baryshnikov, Yo-Yo Ma, Lou Harrison, and Howard Hodgkin followed. And so did controversy: from the circus of his tenure at La Monnaie in Belgium to his work on the biggest flop in Broadway history. But through the Reagan-Bush era, the worst of the AIDS epidemic, through rehearsal squabbles and backstage intrigues, Morris emerged as one of the great visionaries of modern dance, a force of nature with a dedication to beauty and a love of the body, an artist as joyful as he is provocative. Out Loud is the bighearted and outspoken story of a man as formidable on the page as he is on the boards. With unusual candor and disarming wit, Morris's memoir captures the life of a performer who broke the mold, a brilliant maverick who found his home in the collective and liberating world of music and dance.

Peter Lang Pub Incorporated

In Emotional Detox - A Womans Guide to Healing and Awakening, leading Tantra Healer, Mal Weeraratne, shares a fresh approach and insights on how to unblock orgasmic potential and achieve emotional liberation. Harnessing sexual energy rejuvenates and improves physiological, emotional, psychological and spiritual health. This book teaches women how to take control of the sexual energy within their bodies to remove trauma stored in the form of emotions using ancient knowledge and practices that are combined with new ground-breaking insights to create an engineered trauma-release technique called Tantric Tao Bodywork for Emotional Detox. Tantric - Tao Bodywork is a British pioneer technique intended to eliminate traumatic experiences at a cellular level in the body to start living a positive life. -- a biological cleanse and detox to experience joy and bliss. Having explored Tantra and Tao for 20+ years, Mal reveals how all women are capable of experiencing emotional freedom and ecstatic bliss. He provides readers with a unique understanding of how the female body may be activated to deepen ecstatic states. Prevailing negative attitudes in the West work against the natural capacity of a woman to realize her full sexual potential and ability to feel unlimited bliss and achieve deep orgasmic states. Among other alarming survey results, it is estimated as per Cosmopolitans Female Orgasm Survey, only 57% of women in the UK experience an orgasm when they have sex with a partner whereas 43% has never experienced an orgasm. This book is packed with practical advice and tips on how to harness sexual orgasmic energy. Readers will learn how emotional trauma can block pleasure and cause disease; the difference between soft penetration and deep sustained penetration, including how to avoid premature male ejaculation; the secrets and history of female ejaculation; techniques for awakening and yoni massage and so much more.

#### *Understanding Kedarnath in the Twenty-First Century* Booksurge Publishing

A sex magic playbook for personal, relational, and planetary transformation Master the art of sex magic and forge radical new relationships with yourself, your beloveds, our planet, and life itself. This groundbreaking book invites you to develop intimacies that are as creative as they are consensual, as playful as they are profound, and as transformative as they are ecstatic. It offers fresh and accessible inspiration on topics such as self-love, conscious communication, and sacred sex, as well as practices and rituals for erotic shapeshifting, ecosexuality, ecstatic breath work, and so much more. Igniting Intimacy demonstrates that the only tools you really need to master the erotic, meet god, and make magic are the ability to breathe and a willing imagination. This is an essential manual for pleasure pioneers hoping to change themselves—and the world—one orgasm at a time.

#### **ORTHO-BIONOMY**

Columbia University Press

Written for physical therapists, massage therapists and occupational therapists, this text introduces an evidence-based clinical reasoning process for incorporating massage into therapeutic practice. The authors instruct readers in how to identify impairments, select and apply appropriate massage techniques, and integrate massage with other treatments. The book integrates a wide variety of techniques into a single problem-solving format consistent with the APTA's "Guide to Physical Therapist Practice". This Second Edition includes step-by-step examples of massage sequences and

features superb photographic illustrations, boxes, charts, figures, and clinical examples. The companion website contains approximately 70 video clips that show how to perform many of the techniques and sequences illustrated in the book.

**An Encounter with Absolute Love** Pearson

The perfect gift for fans of The Big Lebowski, Jeff Bridges's "The Dude", and anyone who could use more Zen in their lives. Zen Master Bernie Glassman compares Jeff Bridges's iconic role in The Big Lebowski to a Lamed-Vavnik: one of the men in Jewish mysticism who are "simple and unassuming,"

and "so good that on account of them God lets the world go on." Jeff puts it another way. "The wonderful thing about the Dude is that he'd always rather hug it out than slug it out." For more than a decade, Academy Award-winning actor Jeff Bridges and his Buddhist teacher, renowned Roshi Bernie Glassman, have been close friends. Inspiring and often hilarious, The Dude and the Zen Master captures their freewheeling dialogue and remarkable humanism in a book that reminds us of the importance of doing good in a difficult world.
