My First Book of Chinese Calligraphy is a fun and engaging introduction to one of China's most celebrated arts and crafts for kids. Calligraphy—the art of producing decorative handwriting or lettering with a pen or brush—has been around for thousands of years. In this fun calligraphy-for-kids book, readers will follow along with Mimi, an eight-year-old, who takes her first steps towards learning this magical art. Dive in, and explore: The Evolution of Chinese Writing—how Chinese characters first began, thousands of years ago, and how they have evolved The Order of the Strokes—learn how to write the strokes in the correct order The Radicals—what are they, and how to unlock their secrets The Four Treasures of Calligraphy—the four essential tools to get started Movements and Position—how to master your mind's focus, your breathing and even how to move The Five Styles of Calligraphy—Zhuan Shu (seal), Li Shu (clerical), Kai Shu (regular), Cao Shu (cursive), and Xing Shu (running) The Eight Strokes—how to draw the eight strokes; with them, you can write anything Writing a Character in Calligraphy—create an entire character in calligraphy The included interactive CD-ROM enables learners to play creative games to see, hear and try Chinese writing; listen to the pronunciation of the Chinese characters; observe calligraphers in action and print the characters to create practice pages.

The Complete Book of Lettering and Design Stackpole Books

The Calligraphy Handbook is a complete guide to the art of calligraphy, from selecting pens and mastering different alphabets through designing and laying out your work—an excellent starter reference or step up for someone interested in creative lettering. Step-by-step mini projects demonstrate a wide range of techniques, from brush lettering and gliding to design principles and practice. Beautifully illustrated examples provide a wealth of inspiration and include scripts such as Roman, Italic, Gothic, and Copperplate calligraphy. In a digital age, it's easy to move away from handwriting, but even the most artistically stunted can create beautiful text blocks on gift cards and in their own journals. The stylish design of this book—along with the interior photographs, illustrations, and diagrams—make the learning process simple and fun for beginners and provides useful tips for more advanced readers. The book also describes the equipment needed to be an excellent calligrapher, including the paper, measuring tools, pens, brushes, and inks. Teach yourself a skill with versatile and practical uses and bring a little bit of beauty onto the page.

MODERN CALLIGRAPHY

Sterling Publishing Company, Inc.

A perfect gift for anyone who wants to learn the "write" way to

craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In Modern Calligraphy, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.
