FUNDAMENTALS OF ENGLISH GRAMMAR

WORKBOOK

Pearson Education ESL
This is the International edition of Basic English Grammar. It is NOT to be sold in the United States. The world's most trusted grammar source for clear, direct, and comprehensive instruction, the Azar-Hagen Grammar Series -- including Basic English Grammar -- blends grammar instruction with communicative methods. Grammar is the springboard for developing all language

skills: speaking, listening, reading, and writing. With clear, user-friendly charts and engaging, interactive practice, it's easy to see why this classic series remains the top-selling text in its field year after year. Highlights Clear charts and explanations Examples accompanied by easy-to-understand explanations and minimal terminology. Direct, in-depth grammar practice Immediate application of grammatical forms and meanings. Variety of exercise types including warm-up, reading,

listening, comprehension, completion, interview, and writing. Comprehensive corpus-informed grammar syllabus Written vs. spoken usage in formal and informal contexts. Teacher's Guide includes step-by-step teaching suggestions for each chart, notes on key grammar structures, and vocabulary and expansion activities. Test Bank offers additional quizzes, chapter tests, mid-term, and final exams, and Chart Book contains the grammar charts. Teachers can use the eText as a

classroom presentation tool and the ExamView(R) software to customize their tests. New Essential Online Resources include Student Book audio, Student Book answer key, Grammar Coach videos, and self-assessments. *With Essential Online Resources* Allyn & Bacon English enjoys the status of the World Language. No other language has ever scaled this height. It is the language that encompasses everything in the world. It is used and cherished by millions whose mother tongue is

not English. Spoken English, as a natural corollary to that, has become an important tool in our hands today. Without mastery over it, the gateway to success will remain a distant dream in today's globalised market. Command on any language depends primarily on command on its grammar. Grammar is a repository of rules, governing how words are put together into sentences. These rules govern most constructions in a given

language. Grammar is the science of correct use of language. It is concerned only with correct speaking and writing. Fundamentals of Grammar need to be fully comprehended to to acquire skills of quality English. Aim of this book is a practical one: an aid to good English, to take you places on the wings of English. The book is designed to meet the requirements of students completing their schooling and entering colleges or job market, or preparing for various competitions.
