GCSE SCIENCE REVISION GUIDE

Philip Allan

Following the latest AQA GCSE Science specifications, this Revision Guide uses an accessible and concise approach to recap the essential knowledge students need to succeed. A checklist at the end of each unit clearly lists what students need to know and breaks revision down into manageable sections, while practice questions and study tips help prepare students for the exams. Mathematical skills that are needed for the exams are highlighted and supported with short, visual explanations.

WATSON NATHANIAL

Chemistry Oxford University Press - Children

Specifically tailored for the new 2016 AQA GCSE Science (91) specifications, this course supports your students on their journey from Key Stage 3 and through to success in the new linear GCSE qualifications.
