One of the most provocative and original voices in contemporary literature, Chinua Achebe here considers the place of literature and art in our society in a collection of essays spanning his best writing and lectures from the last twenty-three years. For Achebe, overcoming goes hand in hand with eradicating the destructive effects of racism and injustice in Western society. He reveals the impediments that still stand in the way of open, equal dialogue between Africans and Europeans, between blacks and whites, but also instills us with hope that they will soon be overcome.

THE YELLOW WALLPAPER Things Fall Apart

A woman and her husband rent a summer house, but what should be a restful getaway turns into a suffocating psychological battle. This chilling account of postpartum depression and a husband's controlling behavior in the

guise of treatment will leave you breathless. 2018 Reprint of 1892 Edition. This short story is regarded as an important early work of American feminist literature, illustrating attitudes in the 19th century toward women's health, both physical and mental. Presented in the first person, the story is a collection of journal entries written by a woman whose physician husband (John) has rented an old mansion for the summer. Forgoing other rooms in the house, the couple moves into the upstairs nursery. As a form of treatment, the unnamed woman is forbidden from working, and is encouraged to eat well and get plenty of exercise and air, so she can recuperate from what he calls a "temporary nervous depression - a slight hysterical tendency", a diagnosis

common to women in that period. Gilman used her writing to explore the role of women in America at the time. She explored issues such as the lack of a life outside the home and the oppressive forces of the patriarchal society. Through her work Gilman paved the way for writers such as Alice Walker and Sylvia Plath. Written with barely controlled fury after she was confined to her room for 'nerves' and forbidden to write, Gilman's pioneering feminist horror story scandalized nineteenth-century readers with its portrayal of a woman who loses her mind because she has literally nothing to do.  "Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his prose narrative

and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion.”—The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world."—2016 Whiting Award

citation "Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong's powerful voice explores passion, violence, history, identity—all with a tremendous humanity."—Slate "In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure

as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, 'Your father is only your father/ until one of you forgets. Like how the spine/ won't remember its wings/ no matter how many times our knees/ kiss the pavement.'"—Publishers Weekly "What a treasure [Ocean Vuong] is to us. What a perfume he's crushed and rendered of his heart and soul. What a gift this book is."—Li-Young Lee *Torso of Air* Suppose you do change your life. & the body is more than a portion of night—sealed with bruises. Suppose you woke & found your shadow replaced by a black wolf. The boy, beautiful & gone. So you take the knife to the wall instead. You carve & carve until a coin of light appears & you get to look in, at last, on

happiness. The eye staring back from the other side— waiting. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length collection, *Night Sky with Exit Wounds*. A 2014 Ruth Lilly Fellow and winner of the 2016 Whiting Award, Ocean Vuong lives in New York City, New York.

THINGS FALL APART BY CHINUA ACHEBE

Shambhala Publications

From the legendary author of *Things Fall Apart* comes a long-awaited memoir about coming of age with a fragile new nation, then watching it torn asunder in a tragic civil war. The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War, of 1967–1970. The conflict was infamous

for its savage impact on the Biafran people, Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By then, Chinua Achebe was already a world-renowned novelist, with a young family to protect. He took the Biafran side in the conflict and served his government as a roving cultural ambassador, from which vantage he absorbed the war's full horror. Immediately after, Achebe took refuge in an academic post in the United States, and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now, decades in the making, comes a towering reckoning with one of modern Africa's most fateful events,

from a writer whose words and courage have left an enduring stamp on world literature. Achebe masterfully relates his experience, both as he lived it and how he has come to understand it. He begins his story with Nigeria's birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise, which turned to horror when the hot winds of hatred began to stir. To read *There Was a Country* is to be powerfully reminded that artists have a particular obligation, especially during a time of war. All writers, Achebe argues, should be committed writers—they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry and prose, *There Was a Country* is a distillation of vivid firsthand

observation and forty years of research and reflection. Wise, humane, and authoritative, it will stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.
