THE SPARK THAT SURVIVED

Rowman & Littlefield

Thanks to the dawn of MTV and the affordability of the synthesizer, a generation of innovative artists created one of the last great glory eras of pop music. *Playing Back the 80s* features original interviews with over sixty artists, producers, session players, writers and others who were directly involved with the most memorable songs of the decade.

What Pop Music Rivalries Reveal About the Meaning of Life Macmillan

From the first Police album, *Outlandos D'Amour*, through *Sacred Love*, here are the collected lyrics written by Sting, along with his commentary. "Publishing my lyrics separately from their musical accompaniment is something that I've studiously avoided until now. The two, lyrics and music, have always been mutually dependent, in much the same way as a mannequin and a set of clothes are dependent on each other; separate them, and what remains is a naked dummy and a pile of cloth. Nevertheless, the exercise has been an interesting one, seeing perhaps for the first time how successfully the lyrics survive on their own, and inviting the question as to whether song lyrics are in fact poetry or something else entirely. And while I've never seriously described myself as a poet, the book in your hands, devoid as it is of any musical notation, looks suspiciously like a book of poems. So it seems I am entering, with some trepidation, the unadorned realm of the poet. I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating. My wares have neither been sorted nor dressed in clothes that do not belong to them; indeed, they have been shorn of the very garments that gave them their shape in the first place. No doubt some of them will perish in the cold cruelty of this new environment, and yet others may prove more resilient and become perhaps more beautiful in their naked state. I can't predict the outcome, but I have taken this risk knowingly and, while no one in their right mind should ever attempt to set "The Waste Land" to music, in the hopeful words of T. S. Eliot, These fragments I have shored against my ruins." —Sting, from the Introduction

#1 NEW YORK TIMES BESTSELLER • Discover Jane Fonda, in her own words—and now experience the story of her life in the HBO documentary *Jane Fonda in Five Acts*. "To hold this book in your hands is to be astonished by how much living can be packed into sixty-plus years."—Los Angeles Times America knows Jane Fonda as actress and activist, feminist and wife, workout guru and role model. In this extraordinary memoir, Fonda shows that she is much more. From her youth among Hollywood's elite to her film career and her activism today, Fonda reveals intimate details and personal truths she hopes "can provide a lens through which

others can see their lives and how they can live them a little differently." Surprising, candid, and wonderfully written, *My Life So Far* is filled with insights into the personal struggles of a woman living a remarkable life. "In the process of writing this book I discovered there were clear, broad, even universal themes that ran through my life, a coherent arc to my journey that, if I could be truthful in the telling, might provide a road map for other women as they face the challenges of relationships, self-image, and forgiveness. What I did not anticipate was how my journey would also resonate with men."—From the Introduction This eBook includes the full text of the book plus the following additional content: • 50 new photos from Jane Fonda's personal and family archives, many often never seen in public • A free chapter from Jane Fonda's Prime Time Praise for My Life So Far "[A] sisterly, enveloping memoir . . . an intimate, haunting book that might as well be catnip from its ever controversial author."—Janet Maslin, The New York Times "Terrific . . . rich . . . unexpectedly quite moving."—San Francisco Chronicle "Fiercely intelligent, detailed, probing, rigorously revealing."—O: The Oprah Magazine "Fonda possesses a raw and affecting candor. . . . Her honesty [is] a force."—The Philadelphia Inquirer "A fearless book . . . fascinating."—Chicago Sun-Times "Truly compelling."—The Atlanta Journal-Constitution "Riveting."—Seattle Post-Intelligencer

The New Upper Class and How They Got There Stanford Court Press

In this informative and entertaining book, learn from Cousin Sal how not to gamble your life away -- along with many other life lessons -- so you don't have to learn the hard way. Over the last forty years, Cousin Sal has made bets with doctors, lawyers, teachers, agents, bookies, writers, comedians, radio DJs, tv producers, baseball players, front office executives, bandleaders, movie stars, publicists, weed lab owners, hedge fund operators, and even professional wrestlers. From his early days growing up in Brooklyn and Long Island flipping baseball cards to now hosting podcasts and TV shows and managing several offshore accounts we don't talk about, Cousin Sal has truly become the average American sports fan's go to source for gambling tips. So here's how not to do it . . . With hilarious tales of love and loss, winning and (a lot) of losing, crazy family and fatherhood, and a life saga that inspired the Phil Collins' song, "Against All Odds," Cousin Sal has now written THE Vegas super-system, MIT-algorithmic, sharp-approved book for how to gamble like a pro -- or at least not how not to go broke and lose your kids to Child Protective Services.

Bill Graham Presents Da Capo Press

Huey "Piano" Smith's musical legacy stands alongside that of fellow New Orleans legends Dr. John, Fats Domino, Ernie K-Doe, and Allen Toussaint. His 1957 classic, "Rocking Pneumonia and the Boogie Woogie Flu," made Billboard's top R&B singles chart, and hundreds of artists including Aerosmith, the Grateful Dead, the Beach Boys, Johnny Rivers, and Chubby Checker have recorded his songs. The first biography of the artist responsible for hits "Don't You Just Know It," "High Blood Pressure," and "Sea Cruise," Huey "Piano" Smith and the Rocking Pneumonia Blues follows the musician's extraordinary life from his Depression-era

childhood to his teen years as a pianist for blues star Guitar Slim to his mainstream success in the 1950s and '60s. Drawing from extensive interviews and court records, author and journalist John Wirt also provides new insights on Smith's professional disappointments and financial struggles in the 1980s and '90s as he battled over royalties from his most successful and profitable work. An enigmatic and guarded personality in a profession of extroverted performers, Smith made far-reaching contributions to the New Orleans music scene as a songwriter, pianist, and producer. Wirt reveals that Smith's numerous collaborations with other artists -- including the Clowns, the Pitter Pats, the Hueys, and Shindig Smith and the Soul Shakers -- served as vehicles for his creative vision rather than simply as an anonymous backup for a leading front man. Throughout this intimate account, Wirt details Smith's significant impact on rock and roll history and underscores both the longevity of his music -- which has entertained and inspired for over five decades -- and the musician's personal endurance in the face of hardship and opposition.

RENDEZVOUS EIGHTEENTH

Arcadia Publishing

"Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored." — New York Times From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's & the Papa's, Hollywood Eden captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 — a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys — who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, Hollywood Eden tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun.

Cruel to Be Kind Simon and Schuster

San Francisco's rich and unique cultural history since its time as a gold rush frontier town has long made it a bastion of forward thinking and freedom of expression. It makes perfect sense, then, that both it and the surrounding Bay Area should prove to be a crucible for some of the most enduring and influential music of the rock and roll era. From the heady days of Haight-Ashbury in the '60s to today, San Francisco and the Bay Area have provided a distinctive soundtrack to the American experience that has often been confrontational, controversial, enlightening, and always entertaining. Perhaps best known for the '60s psychedelic scene which included the Grateful Dead, Jefferson Airplane,

Creedence Clearwater Revival, Santana, the Steve Miller Band, Sly & the Family Stone, and Janis Joplin, the Bay Area's rock and roll history twists and turns like Lombard Street itself. The first wave San Francisco punks wrought the Avengers and Dead Kennedys; punk later gripped the East Bay, giving us Green Day and Rancid. From the folk and blues eras through the chart-topping sounds of Journey and Huey Lewis & the News. The rock equivalent of Manifest Destiny carried wave upon wave of young musicians in search of fame, fortune and the great lost chord to Golden Gate City. San Francisco and the surrounding Bay Area have collectively produced countless key figures in rock and roll, from musicians to journalists to entrepreneurs. The modern concept of the vast outdoor rock festival took root in and around San Francisco. The Bay Area is also where music history happened to artists from almost everywhere else: San Francisco is where the Beatles played their final concert and the Sex Pistols fell apart; where the Clash recorded much of their second album; where a drug-addled Keith Moon passed out during a concert by the Who only to be replaced behind the drum kit by an eager fan. Rock and roll is baked into the Bay Area's culture and story to this day. A guide to the places that shaped the local scene and world-famous sound, the Rock and Roll Explorer Guide to San Francisco and the Bay Area will take you to where music makers lived, rocked, performed, recorded, met, broke up, and much, much more.

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster *Die Hard*. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

the right hand of the piano part as well as in the vocal line.

MY YEAR OF REST AND RELAXATION

Rowman & Littlefield

Like a good scare with your music? Get your Rock & Roll shriek on with... Rock & Roll GHOST STORIES Vol. I In this first-ever anthology dedicated to musicians and ghosts, discover personal accounts of hauntings experienced by bands around the world. From phantom backup singers to studio menaces, vivid apparitions to uninvited, overnight guests, the tragic ghost of Frankie Valli's daughter to a seemingly spiteful Elvis, a human-flinging spirit to comforting visits from deceased parents, this volume is packed with both uplifting and horrifying accounts.

Fargo Rock City Dial Press

The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

[Recording the Soundtrack of a Generation](#) Da Capo Press

"Lew Welch writes lyrical poems of clarity, humor, and dark probings . . . jazz musical phrasings of American speech is one of Welch's clearest contributions." ? Gary Snyder Lew Welch was a brilliant and troubled poet, legendary among his Beat peers. He disappeared in 1971, leaving a suicide note behind. Ring of Bone collects poems, songs, and some drawings, documenting the full sweep of his creative output from his early years until his death. First published by legendary poetry editor Donald Allen, this new edition includes photos, a biographic timeline, and a statement of poetics gleaned from Welch's own writing.

[A Decade of Unstoppable Hits](#) Rowman & Littlefield

Enjoying his life as a piano player in a small Paris cafe, African-American expatriate Ricky Jenks finds his life irrevocably changed when his cousin asks for help locating his runaway wife, a situation that is compromised by Ricky's discovery of a murdered prostitute in his apartment building. Reprint. 10,000 first printing. SLR Productions

Both a medical drama and meditation on motherhood, *The Water Giver* is Joan Ryan's honest account of her doubts and mistakes in raising a learning-disabled son and the story of how his near-fatal accident gave her a second chance as a parent.

BOBOS IN PARADISE

Hal Leonard Corporation

A founding member of the iconic bands Crosby, Stills, Nash & Young and the Hollies shares the story of his life from his youth in post-war England through his creative relationship with Joni Mitchell and his enduring career as a solo musician and political activist.

[Collected Poems \(New & Expanded Edition\)](#) Simon and Schuster
Chairman at the Board is an intimate, funny, and absorbing look at the music business by an insider who has recorded a host of the greatest musical artists from the 1970s to today. Bill Schnee takes the reader inside the studio--behind the curtain--and through the decades with a cavalcade of famous artists as he helped them realize their vision. After his high school band was dropped by Decca Records, Schnee began his quest to learn everything he could about making records. Mentored by technical guru Toby Foster, mastering guru Doug Sax, and recording legend Richie Podolor at his American Recording Studio, he immediately began recording the top acts of the day as a freelance engineer/producer in Hollywood. Clive Davis soon hired him to work for CBS where he partnered with famed music producer Richard Perry. Schnee went on to record and/or mix many of Perry's biggest albums of the '70s and '80s, including those by Barbra Streisand, Carly Simon, Ringo Starr, Art Garfunkel, and The Pointer Sisters. With his deft personal touch with musicians, he continued to engineer and/or produce the likes of Marvin Gaye, Thelma Houston (the Grammy-nominated, direct-to-disc album *I've Got the Music in Me*), Pablo Cruise, Neil Diamond, Boz Scaggs, the Jacksons, Huey Lewis and the News, Dire Straits, and Whitney Houston. With over 125 gold and platinum records, and two Grammys for Steely Dan's *Aja* and *Gaucho*, Schnee has been called a living legend--recognized and respected in the industry as the consummate music man with an incomparable career that he lovingly shares with his readers in humorous detail.

PIANO/VOCAL/GUITAR

Penguin

One of Amazon's Best Books of 2016 So Far Music critic Steven Hyden explores nineteen music rivalries and what they say about life Beatles vs. Stones. Biggie vs. Tupac. Kanye vs. Taylor. Who do you choose? And what does that say about you? Actually--what do these endlessly argued-about pop music rivalries say about us? Music opinions bring out passionate debate in people, and Steven Hyden knows that firsthand. Each chapter in YOUR FAVORITE BAND IS KILLING ME focuses on a pop music rivalry, from the classic to the very recent, and draws connections to the larger forces surrounding the pairing. Through Hendrix vs. Clapton, Hyden explores burning out and fading away, while his take on Miley vs. Sinead gives readers a glimpse into the perennial battle between old and young. Funny and accessible, Hyden's writing combines cultural criticism, personal anecdotes, and music history--and just may prompt you to give your least favorite band another chance.
