Harpercollins

Hundreds of exercises to get you to the next level Collins Work on your Grammar - Pre-Intermediate (A2) is a new practice book that covers the key grammar points needed by learners of English at Pre-Intermediate level (CEF level A2). This book is an essential resource for learners who want to improve their English grammar. Each of the 30 units presents a different area of grammar using clear language and examples. This is followed by practice exercises to ensure the

learner will remember and be able to use what they have learnt with confidence in their written and spoken English. The grammar covered in Collins Work on your Grammar - Pre-Intermediate (A2) has been carefully selected based on Collins Corpus research and the experience of our language experts. As a result, this book provides plenty of useful practice with authentic, up-to-date examples of language usage in context. A carefully structured layout and simple illustrations make sure the language is always clear and the book is easy to navigate. Collins Work on your Grammar - Pre-Intermediate (A2) is ideal for self-study or for use in the classroom, and is an essential resource for students and teachers. \* Focuses on the grammar required at Pre-Intermediate level (CEF level A2) \* Thirty units with clear presentation material followed by practice exercises \* Authentic examples of real English, taken from the Collins Corpus \* Includes line drawings which illustrate key concepts \* Clear structure and presentation of language \* Plenty of room to write in \* Full answer key included \* Ideal for self-study or for use in the classroom **English Grammar in Use Supplementary Exercises Book with Answers** Cambridge University Press

This major new edition of the Collins COBUILD English Grammar is a modern, global and learner-focussed grammar reference, aimed at learners and teachers of English.

*Pattern Grammar* Collins

Clearly and attractively presented, this reissue of the second edition of the Collins COBUILD Elementary English Grammar offers pre-intermediate learners of English a firm foundation in the principles of English Grammar. The second edition of the Collins COBUILD Elementary English Grammar has been written for pre- intermediate to intermediate learners of English in order to

provide them with a sound understanding of the basics of English Grammar. The reference material is attractively presented on the left-hand pages, with useful and challenging exercises on the right-hand pages, serving as reinforcement. Examples from the Bank of English have been used to illustrate the patterns shown, common phrases have been identified and highlighted, and additional help is offered for spelling and pronunciation. Hundreds of specially-drawn cartoons vividly illustrate the grammatical points being made. Logically organized and attractively presented, the Collins COBUILD Elementary English Grammar offers learners of English all the help they need when starting to study English Grammar.

Collins Publishers

New Oxford English Grammar is Oxford's brand new and definitive guide to grammar usage. This book has been written by a leading expert in the field, covers both British and American English, and makes use of the unrivalled language monitoring of Oxford's English Dictionaries programme. Arranged in three clear parts for ease of use, its comprehensive coverage ranges from the very basic to the most complex aspects of grammar, all of which are explained clearly and engagingly. This descriptive source of reference is invaluable for those with an interest in the English language, undergraduate students of all disciplines, and for anyone who would like a clear guide to English grammar and how to use it.

*Collins COBUILD English Usage* Collins COBUILD Elementary English Grammar & Practice

This book describes an approach to lexis and grammar based on the concept of phraseology and of language patterning arising from work on large corpora. The notion of 'pattern' as a systematic way of dealing with the interface between lexis and grammar was used in Collins Cobuild English

Dictionary (1995) and in the two books in the Collins Cobuild Grammar Patterns series (1996; 1998). This volume describes the research that led to these publications, and explores the theoretical and practical implications of the research. The first chapter sets the work in the context of work on phraseology. The next two chapters give several examples of patterns and how they are identified. Chapters 4 and 5 discuss and exemplify the association of pattern and meaning. Chapters 6, 7 and 8 relate the concept of pattern to traditional approaches to grammar and to discourse. Chapter 9 summarizes the book and adds to the theoretical discussion, as well as indicating the applications of this approach to language teaching. The volume is intended to contribute to the current debate concerning how corpora challenge existing linguistic theories, and as such will be of interest to researchers in the fields of grammar, lexis, discourse and corpus linguistics. It is written in an accessible style, however, and will be equally suitable for students taking courses in those areas.

#### **COLLINS COBUILD ENGLISH USAGE**

Collins

This major new edition of the Collins COBUILD English Usage is a modern, easy-to-use and in-depth guide to English usage, aimed at upper-intermediate and advanced learners and teachers of English. Collins COBUILD English Usage has been designed to help learners to use individual words correctly, and choose the right words and structures for the meaning they want to convey. The title not only explains what English words mean, but also provides information on how the words actually work. The title covers a range of different areas of the English language, to help learners use the language naturally and effectively. It provides clear information on easily confused words, words with similar meanings, and help with words that are often tricky for learners to understand. Entries are organized alphabetically so that they are easy to find, and each has a clear explanation of when and how to use the word. Each entry also includes examples from the Collins Corpus, which show how the words are really used in everyday English. In addition to information on usage, the title includes helpful grammar boxes, which explain elements of English grammar which students need to be able to write and speak in English. A supplement of various topics, including punctuation and academic writing, will help to ensure that learners have all the information they need to be able to communicate effectively and accurately. Collins COBUILD English Usage has been thoroughly revised and updated, based on extensive corpus research and is now easier to use than ever. With additional information on American English, and warning notes highlighting particular problems, Collins COBUILD English Usage is an indispensable tool for learning English today.

*Collins Cobuild - Student's Dictionary Plus Grammar* HarperCollins UK

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisurely study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern, and on the use of patterns in texts and in conversations.

*A Practice Book for Learners at Elementary Level* Collins

Focusing on the most common errors in English, this book is the easiest way to improve your everyday language skills. Using simple explanations and corpus examples, it uses a thematic approach to steer learners away from the most common pitfalls in English.
