### WILDLIFE PAINTING

International Artist Pub Incorporated  
Capturing the details is what makes wildlife painting come alive. Getting the fur, facial features and anatomy right with subjects that refuse to stand still adds to the challenge. Artist's Photo Reference: Wildlife saves the day by allowing you to concentrate on what's important - creating great art. Artist and photographer Bart Rulon provides hundreds of gorgeous full-color images showcasing nearly four dozen animals from a variety of angles. Each one has been taken with the needs of the artist in mind, ensuring that you save time, effort, money and worry. Stop wasting hours combing through endless magazines and books. You'll find all the high-quality reference photos you need right here! Rulon also provides guidelines for taking your own reference photos, plus five demonstrations in a variety of media, that illustrate how professional wildlife artists create extraordinary works of art by painting from photographs. Wildlife is the perfect addition to your reference library! Use it to save time, get inspired and create

beautiful art of your own.

35 Step-by-Step Demonstrations Penguin

Artists seem compelled to try to capture the amazing variety of the animal kingdom; the challenge remains how to breathe energy into your paintings and make the animals jump off the paper. This deeply practical book offers an accessible introduction to sketching animals from life, to try to capture that essence. It gives instruction on how to approach drawing; covers ideas for materials and supplies to make sketching from life a joy; gives step-by-step demonstrations of different watercolour techniques; offers specific advice on using colour and painting, fur, feathers and features and gives ideas for mixed-media experimentation. Full of colourful examples and guidance, this new book explains how to transform your studies into finished artwork that are brimming with character. It encourages you to find the extraordinary in the everyday, as well as revelling in the breadth of nature. Taking a contemporary approach to traditional watercolour, the author shows how a few, well-chosen brushes of paint can reveal the soul of your subject.

*Drawing Wildlife* Walter Foster Publishing  
Capturing the Essence is a step-by-step personal guide - by one of Australia's greatest living bird artists - to observing, retaining the essential information and then painting birds from field notes and sketches, photographs and other field observations. The author takes the reader through the processes involved in oil painting, watercolour and acrylic techniques, and a piece of art is built up in stages to demonstrate the skills required in each of these media. While the book covers some of the general basics relevant to various kinds of painting of natural history subjects, the concentration is very much on birds. Painting or drawing any subject well, gives great satisfaction. In this book the author hopes to help the reader become competent at drawing and painting birds, or at least to enjoy trying!
