Turn on Your Light is for anyone that is looking to find a light within. Growing up in Charles Warner Projects, Seneca Wilson learned how to survive, overcome adversity and find the light within him. Early in life, Seneca realized it is not about the hand you are dealt in life but how you play those cards to ensure you ultimately win. In Turn on Your Light, Seneca shares his journey to his "aha moment" and helps the reader identify their moment and find a light within.

Turn on Your Light combines life experiences, encouragement and motivation to anyone needing a road map to personal success. This book is for you if....You feel like life has dealt you an unfair hand. You are in a place needing personal direction. You are ready to start living your dreams. You are ready to find your light within and shine it on the world. This book will serve as a guide to help you dig deep within yourself to find that light. It will help you build a foundation of necessary skills you need to turn your light. About the Author.

Seneca Wilson is a motivational speaker committed to serving as a gateway for young people to become successful adults. He is on a mission to inspire and empower young people to overcome barriers for college and career readiness and success. Through service, leadership, openness, accountability,

networking, and excellence, Seneca is able to connect, engage, and impact young people. Today, many students are graduating from high school unprepared for the next level. Seneca wants to empower young people to increase graduation rates and college enrollment rates while helping decrease school dropout rates and unemployment rates. WWW.SENECAWILSON.COM

The Simple Way to Commune with God and Get the Answers You Need

Author Beverly Conyers—one of the most respected voices in wellness and recovery—has guided hundreds of thousands of readers through the process of recognizing family roles in addiction, healing shame, building healthy relationships, releasing trauma, focusing on emotional sobriety, as well as acknowledging self-sabotaging behaviors, addictive tendencies, and substance use patterns. With her newest work, Conyers shows us how the practice of mindfulness can be a game-changing part of recovering from any- and everything. A guided introduction to mindfulness practice as a path to recovering health and sanity - even in unpredictable times. Early in our recovery journey, we focused on healing. Further along in the process of recovering, we dare to believe it's possible to embark on a new chapter, but often feel stuck. At times, we wonder...how do we create the breakthroughs we want? With a mindfulness practice—meditation and other habits of awareness—we develop the courage to look within. As we hold

space for ourselves, we find the light within that can spark change, personal growth, and self-compassion. Mindfulness is an irreplaceable part of the health and healing toolkit because it illuminates our true selves; as a result, it illuminates our recovery. Conyers gives us an approachable mindfulness book with carefully designed reflections and practices that set us on a path forward. Her insight guides our way whether recovering from unhealthy relationships, addictions of all types, compulsive habits, anxiety and stress, workaholism, disordered eating, or mental health and emotional challenges—and whether we follow the Twelve Steps or not. Discover why Beverly Conyers' books have been a mainstay for support groups the world over, and why so many have turned to her insights and guidance. As the author of the recovery classic *Addict in the Family*, she has inspired hope and healing in a way few others have managed to match.

365 Ways to Bring Light into Your Life

Awaken to your potential, connect with the callings your soul and light up the world with your presence. Your inner light is your soul and it is guiding you every moment of every day. *Light Is the New Black* is a guidebook for those who agreed to be here at this time in history to answer the call of their soul and work their light. This soulful, encouraging book will guide you to hear the callings of your soul, so you can light up the world with your presence. Rebecca Campbell had her first awakening when she was a teenager, but without anyone to guide her, she ignored her soul's callings and dimmed her light in order to fit in. Then, just before her 30th birthday, the life she had so consciously created began to crumble around her. It

was as if the Universe had turned off all the lights, so she had no choice but to rediscover her own. In this book, Rebecca shares her own journey, alongside practical tools to help you reconnect with the core of your being and channelled messages from the Universe. Once you rediscover what you already know at soul level, you can create a life that is in alignment, discover your soul gifts and offer the world something that only you can give.

So, how significant is light and how does it affect daily Christian living? The quality of your Christian life and the level of influence you will exercise will have a lot to do with the quality of light that will shine on your pathway in a world whose system of operation and way of thinking are becoming more and more enveloped in darkness. In this book, you will learn:

- How to receive and activate God's light on your path
- How to avoid making presumptions and know with clarity the direction God is leading you
- Why many Christians go round in circles - around the same mountains - and how to break free from this
- How to develop the attitude that will propel you higher in life
- How to bring the radiance of Jesus into your world and by it lead many people out of darkness

As you read, you will understand how to have the right perception - even in challenging circumstances - to be able to make right choices and quality decisions. This will help you to walk in wisdom and experience that your path keeps getting brighter and brighter. When light

illuminates your heart, doubt will be dissolved and your resolve to walk in victory will be strengthened. Invariably, the results you will achieve as an effective witness for the Light will be enhanced.

Little girls can let their lights shine each day! Girls need to know that they can be bright, shining lights for God—and this new devotional by Sheila Walsh will teach them to do so by thanking God,

learning His Word, telling others about Him, and showing His love to everyone they meet. More than 50 devotions help girls see that God wants us to learn about Him and to put His Word in action. Memory verses, prayers, “Shine Your Light” activities that focus on serving God each day, and devotional thoughts explore how little girls can be more like Jesus. With lots of sparkles and even more great biblical applications and encouragement, the *Shine Your Light Devotional* is sure to be a favorite part of a little girl's day. Meets national education standards.

A Treatise on the Definition of Diverse Problems iUniverse

In the middle of Psalm 43, God offers us a dynamic invitation: Send out your light. Prolific singer-songwriter Sandra McCracken believes we each have the opportunity to hear and answer this invitation. This book is written in three parts: part one is the becoming, the creation, how God makes us and gives us an identity. Part two is the disorientation of loss, displacement, and the dark night of the soul. Part three is reorientation, how God brings us through the darkness and illuminates our path with Scripture, sending us out to take his light to others. This has been the shape of Sandra McCracken's life. Through it all, songs and Scripture have been there to light the way, helping her respond to God's call. How will you respond to God's call to send out his light?

How to get rid of the darkness in your world Morgan James Publishing
Bring the light and hope of Christ into your home, your community, and your world. Scripture calls us to be lights in the world--brightening and warming the lives of those around us. But it seems the world is becoming more and more closed off to the hope and promise of faith. How do we live out the light of Christ, showing His love to the people who need it most? In *The One Year Shine Your Light Devotional*, beloved author

Chris Tiegreen provides inspiration and insight for cultivating a faith that begins deep inside and works its way out, offering glimpses of God wherever we go. Through each day's reading, God will encourage you, move you, and use you in surprising ways to bless the people in your life with His wisdom, power, and love. Originally published as *The One Year Salt and Light Devotional*, this new deluxe LeatherLike edition is a beautiful and timeless collection of reflections that will help you live out your calling every day, all year long.

Green-Light Your Book is a straight-shooting guide to a changing industry. Written for aspiring authors, previously published authors, and independent publishers, it explains the ever-shifting publishing landscape and helps indie authors understand that they're up against the status quo, and how to work within the system but also how to subvert the system in order to succeed. Publishing expert and independent publisher Brooke Warner is fearless in her critique of an industry that's lost its mandate, and in so doing has opened the door wide for indie publishers to thrive. While she does not shy away from calling out the bias against indie authors, she also asserts that it's never been a more exciting time to be in book publishing—and her passion and enthusiasm are contagious. "If you're going to green-light your work, you have to wow," Warner writes. But to surpass expectations, you also need to be a student of publishing and to be able to hold your own with book buyers, event coordinators, librarians, wholesalers, distributors, and reviewers. Green-Light Your Book seeks to equip authors and publishers with the language, knowledge, and skill sets they need to play big.
