The city of Tokyo is in the grip of a reign of terror! Possessed by demons, people have begun to burst into flame, leading to the establishment of a special firefighting team: the Fire Force, ready to roll on a moment's notice to fight spontaneous combustion anywhere it might break out. But the team is about to get a very unique addition: Shinra, a boy who possesses the unique power to run at the speed of a rocket, leaving behind the famous devil's footprints. Can the Fire Force discover the source of this

strange phenomenon and put a stop to it? Or will the city burn to ashes first?

Bungo Stray Dogs: Beast, Vol. 2

Aftershock Comics

The Earth has died, but the entire planet has been reconstructed using gears and clockwork. One thousand years later, a mysterious black box crashes into the house of a high school gearhead named Naoto Miura, a machine otaku who is obsessed with tinkering. The box contains the broken body of an automaton girl. When Naoto repairs the automaton and she becomes his clockwork companion, Naoto's world will never be the same again.

Two hundred years after a failed attack on the Lustrous, Phosphophyllite is reassembled and tries again to get

Kongō to pray for the Lunarians. This attempt seems likely to succeed, and the Lunarians prepare to depart to nothingness, while the gemstones on the moon prepare to be left behind. Meanwhile, Euclase is awakened by the commotion between Phos and Kongō... Land of the Lustrous 10 Taylor & Francis
When the world is under siege from the pits of Hell, it's up to The Devilers to set things right! Seven of the world's greatest exorcists, representing many faiths but united by common resolve, are called to the burning Vatican. As rescue workers attempt to contain the city-wide inferno, only the truly devout stand witness to the demon army marching among the flames. The Devilers, each armed with a unique and fearsome ability to combat the fiendish invaders,

must battle their way through the City of the Damned to confront the true evil at its core... but one among their number holds a terrible secret that might be their undoing! Reviews: "Devilers has a way of grabbing you and keeping you reading until the final page... This isn't just a book you'll want to pick up, it's one you'll want on your pull list." - Comic Vine "With a thoughtful plot, interesting and well-developed characters, and beautiful artwork, this is rapidly becoming a favorite horror comic because the creative team has succeeded on many levels." - ComicWow!

"This beautifully illustrated slice-of-life tale that shows two young women of color getting to know each other and creating a relationship is so warm and charming that readers will hardly notice how much they are learning about how to better interact with folx who are different from themselves and the

importance of not making assumptions." -- Kirkus Reviews "...soft, expressive art adds a visceral charge to the couple's very human experiences, which range from excitement and affection to pain and doubt." -- Publisher's Weekly "This wholesome plot focuses on building understanding, offering mutual support, and budding self-acceptance, as well as the importance of asking rather than making assumptions; avoiding othering; and regarding all those in one's orbit with compassion...A charming, sensitive story of love and acceptance." --School Library Journal " In a technologically advanced near future, two young women bumble through their first dates and fights together as they enjoy the exhilaration of new love....Always Human by Ari North is an endearingly feel-good

sapphic romance set against a diverting futuristic backdrop." --Samantha Zaboski, Shelf Awareness First serialized on the popular app and website WebToon, Always Human ran from 2015-2017 and amassed over 76,000 unique subscribers during its run. Now reformatted for a print edition in sponsorship with GLAAD, Always Human is a beautifully drawn graphic novel about a developing relationship between two young women in a near-future, soft sci-fi setting. Always Human is drawn in a manga-influenced style and with an incredible color palette that leaps off the page! In the near-future, people use technology to give the illusion of all kinds of body modifications-but some people have "Egan's Syndrome," a highly sensitive immune system that rejects

these "mods" and are unable to use them. Those who are affected maintain a "natural" appearance, reliant on cosmetics and hair dye at most to help them play with their looks. Sunati is attracted to Austen the first time she sees her and is drawn to what she assumes is Austen's bravery and confidence to live life unmodded. When Sunati learns the truth, she's still attracted to Austen and asks her on a date. Gradually, their relationship unfolds as they deal with friends, family, and the emotional conflicts that come with every romance. Together, they will learn and grow in a story that reminds us no matter how technology evolves, we will remain . . . always human. Rendered in beautiful detail and an extraordinary color palette, Always Human is a sweet

love story told in a gentle sci-fi setting by a queer woman cartoonist, Ari North. Imperial Army State Section III.. 2 Fire Force

Our real parents, yours and mine... The death match with Maré leaves Stella drained. Slipping in and out of consciousness, she relives the traumatic events of the airline crash. Anime and Philosophy focuses on some of the most-loved, most-intriguing anime films and series, as well as lesser-known works, to find what lies at their core. *Astro Boy*, *Dragon Ball Z*, *Ghost in the Shell*, and *Spirited Away* are just a few of the films analyzed in this book. In these stories about monsters, robots, children, and spirits who grapple with the

important questions in life we find insight crucial to our times: lessons on morality, justice, and heroism, as well as meditations on identity, the soul, and the meaning — or meaninglessness — of life. Anime has become a worldwide phenomenon, reaching across genres, mediums, and cultures. For those wondering why so many people love anime or for die-hard fans who want to know more, *Anime and Philosophy* provides a deeper appreciation of the art and storytelling of this distinctive Japanese culture.
