DAZE AND KNIGHTS OF COMEDIC DESTRUCTION

Simon and Schuster
Celebrates the beauty of a snowfall and its happy effects on children.

A Novel Abrams

“Terse and intense and new...I loved it.” —Tommy Orange, author of *There There* “Fuccboi is its generation’s coming of age novel...Utterly of its moment, of this moment.” —Jay McInerney, *Wall Street Journal* A fearless and savagely funny examination of masculinity under late capitalism from an electrifying new voice. Set in Philly one year into Trump’s presidency, Sean Thor Conroe’s audacious, freewheeling debut follows our eponymous fuccboi, Sean, as he attempts to live meaningfully in a world that doesn’t seem to need him. Reconciling past, failed selves—cross-country walker, SoundCloud rapper, weed farmer—he now finds himself back in his college city, trying to write, doing stimulant-fueled bike deliveries to eat. Unable to accept that his ex has dropped him, yet still engaged in all the same fuckery—being coy

and spineless, dodging decisions, maintaining a rotation of baes—that led to her leaving in the first place. But now Sean has begun to wonder, how sustainable is this mode? How much fuckery is too much fuckery? Written in a riotous, utterly original idiom, and slyly undercutting both the hypocrisy of our era and that of Sean himself, *Fuccboi* is an unvarnished, playful, and searching examination of what it means to be a man. “Got under my skin in the way the best writing can.” —Sheila Heti “Sean Conroe isn’t one of the writers there’s a hundred of. He writes what’s his own, his own way.” —Nico Walker, author of *Cherry Pete the Cat: Five Little Pumpkins* Random House Books for Young Readers

Here's the newest twist on the familiar tale of *There Was an Old Lady Who Swallowed A Fly*. There was a cold lady who swallowed some snow. I don't know why she swallowed some snow. Perhaps you know. This time, the old lady is swallowing everything from snow to a pipe, some coal, a hat, and more! With rollicking, rhyming text and funny illustrations, this lively version will appeal to young readers with every turn of the page. And this time, there's a surprise at the end no reader will be able to guess! *There Was a Cold Lady Who Swallowed Some Snow!* Scholastic Inc.

Songwriters, performers and producers Erik Appelwick, Eric

Fawcett, John Hermanson and Darren Jackson were important players in an early 2000s musical collective. This collective included genres such as folk, power pop, R & B, electro-funk and indie rock. Well-known bands Storyhill, Spymob, Alva Star, Kid Dakota, Vicious Vicious, Tapes 'n Tapes, Olympic Hopefuls and others were part of this movement. These four men worked for their rock 'n' roll dreams, producing well-crafted albums and exciting live performances along the way. Their shared biography draws from dozens of new interviews and hundreds of articles to document their intersecting musical journeys--from playing air guitar to KISS records to rocking gyms in high school cover bands to touring the world with some of pop music's biggest names. Equal parts celebration and cautionary tale, this book discusses both the rewards and difficulties of life as an independent musician.
