*The Secret
Life of France*
Open Road
Media
At the age of
eighteen Lucy
Wadham ran

away from
English boys
and into the
arms of a
Frenchman.
Twenty-five
years later,
having
married in a
French
Catholic
Church, put

her children
through the
French
educational
system and
divorced in a
French court
of law,
Wadham is
perfectly
placed to
explore the

differences between Britain and France. Using both her personal experiences and the lessons of French history and culture, she examines every aspect of French life - from sex and adultery to money, happiness, race and politics - in this funny and engrossing account of our most intriguing neighbour. Provence A-Z Vintage From the moment Peter Mayle and his wife, Jennie,

uprooted their lives in England and crossed the Channel permanently, they never looked back. Here the beloved author of *A Year in Provence* pays tribute to the most endearing and enduring aspects of his life in France—the charming and indelible parade of village life, the sheer beauty, the ancient history. He celebrates the café and lists some of his favorites; identifies his

favorite villages, restaurants, and open-air markets; and recounts his most memorable meals. A celebration of twenty-five years of Provençal living—of lessons learned and changes observed—with his final book Mayle has crafted a lasting love letter to his adopted home, marked by his signature warmth, wit, and humor. **The Corsican Capers** Archipelago

Merde! A Hollywood lawyer's world-class wine collection has been lifted, and crime-fighting wine expert Sam Levitt tracks it to the south of France.

Chasing Cezanne

Usborne Publishing Ltd
 Never before have we cared so much about food. It preoccupies our popular culture, our fantasies, and even our moralizing—"You still eat meat?" With our top chefs as deities and finest

restaurants as places of pilgrimage, we have made food the stuff of secular seeking and transcendence, finding heaven in a mouthful. But have we come any closer to discovering the true meaning of food in our lives? With inimitable charm and learning, Adam Gopnik takes us on a beguiling journey in search of that meaning as he charts America's recent and rapid evolution from

commendably aware eaters to manic, compulsive gastronomes. It is a journey that begins in eighteenth-century France—the birthplace of our modern tastes (and, by no coincidence, of the restaurant)—and carries us to the kitchens of the White House, the molecular meccas of Barcelona, and beyond. To understand why so many of us apparently live to eat, Gopnik delves into the most

burning questions of our time, including: Should a Manhattanite bother to find chicken killed in the Bronx? Is a great vintage really any better than a good bottle of wine? And: Why does dessert matter so much? Throughout, he reminds us of a time-honored truth often lost amid our newfound gastronomic pieties and certitudes: What goes on the table has never mattered as

much to our lives as what goes on around the table—the scene of families, friends, lovers coming together, or breaking apart; conversation across the simplest or grandest board. This, ultimately, is who we are. Following in the footsteps of Jean Anthelme Brillat-Savarin, Adam Gopnik gently satirizes the entire human comedy of the comestible as he surveys the wide world of

taste that we have lately made our home. The *Table Comes First* is the delightful beginning of a new conversation about the way we eat now. *Hotel Pastis* Penguin The ultimate “dictionary” for lovers of Provence: Peter Mayle's personal selection of the foods, customs and words he finds most fascinating, curious, delicious, or just plain fun. Though organized from A to Z,

this is hardly a conventional work of reference. In more than 170 entries, Peter Mayle—bestselling author of *A Year in Provence*—writes about subjects as wide-ranging as architecture and zingue-zingue-zoun (in the local patois, a word meant to describe the sound of a violin). And, of course, he writes about food and drink: vin rosé, truffles, olives, melons, bouillabaisse, the cheese

that killed a Roman emperor, even a cure for indigestion. *Provence A-Z* is a delight for Peter Mayle's ever-growing audience and the perfect complement to any guidebook on Provence, or, for that matter, France. Toujours Provence Pantheon Look out for Julie's new book, *The Almost Legendary Morris Sisters*. The hilarious and heartfelt chronicle of a woman learning the

secrets of love, health, and happiness from some very surprising teachers: her dogs. Julie Klam was thirty, single, and working as a part-time clerk in an insurance company, wondering if she would ever meet the man she could spend the rest of her life with. And then it happened. She met the irresistible Otto, her first in a long line of Boston terriers, and fell instantly in love. *You Had Me at Woof* is

the often hilarious and always sincere story of how one woman discovered life's most important lessons from her relationships with her canine companions. From Otto, Julie realized what it might feel like to find "the one." She learned to share her home, her heart, and her limited resources with another, and she found an authentic friend in the process. But that was just the beginning.

Over the years her brood has grown to one husband, one daughter, and several Boston terriers. And although she had much to learn about how to care for them-walks at 2 a.m., vet visits, behavior problems-she was surprised and delighted to find that her dogs had more wisdom to convey to her than she had ever dreamed. And caring for them has made her a better person-and completely

and utterly opened her heart. Riotously funny and unexpectedly poignant, *You Had Me at Woof* recounts the hidden surprises, pleasures, and revelations of letting any mutt, beagle, terrier, or bulldog go charging through your world. Watch a Video [Driving Over Lemons](#) Lyle Stuart Filled with inspiring stories and photographs, this heartfelt tribute to the pit bull celebrates one

of America's most popular yet misunderstood dogs. Perhaps more than any other breed, the pit bull has been dogged by negative stereotypes. In truth, pit bulls are innately wonderful family pets, as capable of love and good deeds as any other type of dog. Setting the record straight, Ken Foster sings the praises of pit bulls in *I'm a Good Dog*, a gorgeously illustrated, tenderly written tribute

to this most misunderstood of canines. Founder of the Sula Foundation, which promotes responsible pit bull ownership in New Orleans, and the author of two acclaimed books about abandoned dogs, Foster has made it his mission to bring overlooked canines into the limelight. *I'm a Good Dog* traces the fascinating history of this particularly maligned breed. A century ago, the pit bull

was considered a family dog, featured in family photos and trusted as loving companions for children. More recently, pit bulls have been portrayed by the media as stereotypes of everything they are not. Foster shatters that reputation through moving profiles of pit bulls that serve as therapy dogs, athletic heroes, search-and-rescue dogs, and educators, not

to mention as loving pets. Foster also profiles many pit bull lovers, from Helen Keller and Dr. Seuss to actor Todd Cerveris, who took his pit bull on tour with him for the musical Spring Awakening. Proving that there's much to love and nothing to fear, I'm a Good Dog restores the pit bull to its rightful place as friend, family member, athlete and entertainer. Dog Gone Vintage A second

idyllic helping of rural life in France from the bestselling author of the classic A YEAR IN PROVENCE. Skulking through customs with a suitcase full of truffles, toads singing the Marseillaise, taking pastis lessons and finding gold at the bottom of the garden, you might think there is little time left for pleasures of the table. TOUJOURS PROVENCE proves that while you might not be able to get away from it

all, you can have fun trying. 'Peter Mayle's idyllic portrait makes you almost taste the wonderful food and wine, feel the sun and balmy breezes' Sunday Express 'Anyone with any feel for the land and the people who lead their lives close to it will be enchanted' Yorkshire Evening Post 'Splendidly amusing... filled with things which will help you to understand, at least in part, the glory

of this wonderful place' Dirk Bogarde

The Table Comes First

Faber & Faber

In his most delightful foray into the wonders of Provençal life, Peter Mayle returns to France and puts behind him cholesterol worries, shopping by phone, California wines, and other concerns that plagued him after too much time away. In *Encore Provence*, Mayle gives us a glimpse into

the secrets of the truffle trade, a parfumerie lesson on the delicacies of scent, an exploration of the genetic effects of 2,000 years of foie gras, and a small-town murder mystery that reads like the best fiction. Here, too, are Mayle's latest tips on where to find the best honey, cheese, or *chambre d'hôte* the region has to offer. Lyric, insightful, sparkling with detail, *Encore Provence* brings us a

land where the smell of thyme in the fields or the glory of a leisurely lunch is no less than inspiring.

Where Did I Come From?

Vintage

The true story of a lost dog's journey and a family's furious search to find him before it is too late. Along the way, a father and son discover their own lost bond. Suspenseful, heartbreaking, and ultimately life-affirming, *Dog Gone* shows us the way heroism can assert itself in the

little things we do each day. • Soon to be a Netflix Film Starring Rob Lowe. October 10, 1998. Fielding Marshall is hiking on the Appalachian Trail. His beloved dog—a six-year-old golden retriever mix named Gonker—bolts into the woods. Just like that, he’s vanished. And Gonker has Addison’s disease. If he’s not found in twenty-three days, he will die. Dog Gone is the story of the

Marshall family—Fielding and his parents, John and Virginia—and their epic hunt to track down Gonker. As their search continues, covered by news outlets and drawing in the community at large, old wounds reemerge, threatening to undo the Marshalls—but also presenting the opportunity for long-overdue healing.

MY TWENTY-

FIVE YEARS IN PROVENCE

Vintage Hanky-panky on the international art scene is the source of the hilarity and fizz in Peter Mayle’s new novel. He flies us back to the south of France (a region some readers of his irresistible best-sellers believe him to have invented), on a wild chase through galleries, homes of prominent collectors, and wickedly delectable

restaurants. There are stopovers in the Bahamas and England, and in New York, where that glossiest of magazines, *Decorating Quarterly*, reflects the cutting-edge trendiness of its editor, Camilla Jameson Porter. (Camilla has recently broken new ground in the world of power lunches by booking two tables on the same day, and shuttling between them, at the city's trendiest restaurant.) It

is Camilla who has sent our hero, Andre Kelly, to Cap Ferrat to take glamorous photographs of the houses and treasures of the rich, famous, and fatuous. He happens to have his camera at the ready when he spots a Cézanne being loaded onto a plumber's truck near the home of an absent collector. Odd, thinks Andre. And in no time he's on the trail of a state-of-the-art art scam, chasing Cézanne. It's a

joy to follow him and the crowds intent on speeding or foiling his quest-- including a beautiful agent; a super-savvy art dealer attracted to the finer things in life, especially if they promise the payoff of a lifetime; an awesome Dutch forger; some outstandingly greedy New York sophisticates; and, invisible in the background, the parade of remarkable chefs whose mouthwaterin

g culinary masterpieces periodically soothe the hero and tantalize the reader of Chasing Cézanne.

A Year in Provence/Tojours

Provence

Vintage

No sooner had Chris Stewart set eyes on El Valero than he handed over a check. Now all he had to do was explain to Ana, his wife that they were the proud owners of an isolated sheep farm in the Alpujarra Mountains in Southern Spain. That

was the easy part. Lush with olive, lemon, and almond groves, the farm lacks a few essentials—running water, electricity, an access road. And then there's the problem of rapacious Pedro Romero, the previous owner who refuses to leave. A perpetual optimist, whose skill as a sheepshearer provides an ideal entrée into his new community, Stewart also possesses an

unflappable spirit that, we soon learn, nothing can diminish. Wholly enchanted by the rugged terrain of the hillside and the people they meet along the way—among them farmers, including the ever-resourceful Domingo, other expatriates and artists—Chris and Ana Stewart build an enviable life, complete with a child and dogs, in a country far from home.

A Dog's Life

Vintage
 When
 billionaire
 Francis Reboul
 finds himself
 on the wrong
 side of a
 Russian
 tycoon, he's
 fortunate to
 have
 vacationing
 friends Sam
 Levitt and
 Elena Morales
 on hand to
 help him out.
 Now it's up to
 Sam—who's
 saved
 Reboul's neck
 before—to
 negotiate with
 an underworld
 of
 mercenaries,
 hit men, and
 Mafioso, to
 prevent his
 friend from
 becoming a
 victim of

“Russian
 diplomacy.”
 As usual, Sam
 and Elena still
 find time to
 enjoy the
 good life, but
 as Sam's
 sleuthing
 draws him
 closer to the
 truth, he
 realizes
 Reboul might
 not be the
 only one in
 trouble. Rich
 with clever
 twists,
 sparkling
 scenery, and
 mouthwaterin
 g gustatory
 interludes as
 only Peter
 Mayle can
 write them,
 The Corsican
 Caper is an
 adventure par
 excellence.

A YEAR IN PROVENCE

Knopf
 Once upon a
 time in
 Provence,
 Peter Mayle
 adopted a dog
 of uncertain
 origins and
 dubious
 hunting skills
 and gave him
 a name—Boy.
 Now he gives
 this canny
 canine a voice
 in an
 irresistible
 “memoir” that
 proves that
 the best
 vantage point
 for observing
 life may well
 be on all
 fours. As Boy
 recounts his
 progress from
 an
 overcrowded

maternal bosom to unchallenged mastery of the Mayle household, he tells us why dogs are drawn to humans (“our most convenient support system”) and chickens (“that happy combination of sport and nourishment”). We share in his amorous dalliances, his run-ins with French plumbers and cats, and in the tidbits (both conversational and edible) of his owners’ dinner parties.

Enhanced by fifty-nine splendidly whimsical drawings by Edward Koren, *A Dog’s Life* gives us all the delights we expect from any book by Peter Mayle—pedigree prose, biting wit, and a keen nose for the fragrance of civilization—together with the insouciant wisdom of which only a dog (and probably only Peter Mayle’s dog) is capable. [Driving Over Lemons](#) Knopf
When a Riviera

socialite’s diamonds are stolen—the latest in a string of seemingly unconnected but increasingly audacious jewelry heists across France—Peter Mayle’s bon vivant and master sleuth, Sam Levitt, and his partner, Elena Morales, are soon on the case. In these “perfect crimes,” Sam sees the hand of a master criminal, but as he and Elena dig deeper, they begin to realize just

how dangerous it may be to pursue the truth. In the midst of all the excitement, there's a house to renovate, rosé to share, and feasts of the Provençal summer bounty to enjoy—giving *The Diamond Caper* all the hallmarks of another delightfully sun-splashed Peter Mayle adventure. [Ten Trees and a Truffle Dog](#) Penguin NATIONAL BESTSELLER • In this witty and warm-

hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious

regional cuisine. *A Year in Provence* transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days. [You Had Me at Woof](#) Vintage A boxed set containing Mayle's best-selling *A Year in Provence* and *Toujours Provence* offers a colorful study of the people, landscapes, and life-styles of Provence. Reprint. 15,000 first printing.

Confessions of a French Baker Michael O'Mara Books One of the final novellas by the acclaimed French writer Jean Giono, *Ennemonde* is a fierce and jubilant portrait of a life intensely lived *Ennemonde* Girard: Obese. Toothless. Razor-sharp. Loving mother and murderous wife: a character like none other in literature. In telling us *Ennemonde's* astounding story of undetected

crimes, Jean Giono immerses us in the perverse and often lurid lifeways of the people of the High Country, where vengeance is an art form, hearts are superfluous, and only boldness and cunning such as *Ennemonde's* can win the day. A gleeful, broad sardonic grin of a novel. "Roads move cautiously around the High Country..." So begins the story of *Ennemonde*,

but also of her sons, daughters, neighbors, lovers, and enemies, and especially of the mountains that stand guard behind their home in the Camargue. This is a place of stark and terrifying beauty, where violence strikes suddenly, whether from the hand of a neighbor or from the sky itself. Giono captures every wrinkle, glare, and glance with wry delight, celebrating the uniquely

tough people whose eyes sparkle with the cruel majesty of the landscape. Full of delectable detours and startling insights, Ennemonde will take you by the hand for an unforgettable tour of this master novelist's singular world. *The Vintage Caper* Penguin UK
Discover the astonishing lessons rescue dogs can teach us about life, love, and ourselves As seen on

BuzzFeed's "Best Books Gift Guide" In the follow-up to his New York Times bestseller *Rescue Road*, acclaimed journalist Peter Zheutlin offers a heartwarming and often humorous new look into the world of rescue dogs. Sharing lessons from his own experiences adopting Labs with large personalities as well as stories and advice from dozens of families and rescue advocates,

Zheutlin reveals the surprising and inspiring life lessons rescue dogs can teach us, such as: - How to "walk a mile in a dog's paws" to get a brand-new perspective - Living with a dog is not one continuous Hallmark moment—but it's never dull! - Why having a dog helps you see your faults and quirks in a new light, even if you can't "shed" them completely - How to set the world right, one dog at a
