In his first frankly
autobiographical work,
Jack Kerouac tells the
exhilarating story fo the
years when he was
writing th books that
captivated and infuriated
the public, restless years
of wandering during which
he worked as a railway
brakeman in California, a

steward on a tramp
steamer, and a fire
lookout on the crest of
Desolation Peak in the
Cascde Mountains.

Originally subtitled "An
Adventurous Education,
1935-1946," Vanity of
Duluoz is a key volume in
Jack Kerouac's lifework,
the series of
autobiographical novels
he referred to as The
Legend of Duluoz. With
the same tender humor

and intoxicating wordplay
he brought to his
masterpieces On the Road
and The Dharma Bums,
Kerouac takes his alter
ego from the football
fields of small-town New
England to the playing
fields and classrooms of
Horace Mann and
Columbia, out to sea on a
merchant freighter plying
the sub-infested waters of
the North Atlantic during
World War II, and back to
New York, where his

friends are the writers who would one day become known as the Beat generation and where he published his first novel. Written in 1967 from the vantage point of the psychedelic sixties, *Vanity of Dulooz* gives a fascinating portrait of the young Kerouac, dedicated and disciplined in his determination from an early age to be an important American writer.

Written in just three days, *The Subterraneans* is the story of Leo Percepied, an aspiring writer and self-styled freewheeling bum who gravitates to the Subterraneans—impoverished intellectuals who haunt the bars and clubs of San Francisco,

surviving on booze, Benzedrine, Proust, and Verlaine. Centering on the tempestuous and destructive relationship between Leo and Mardou Fox, a denizen of the San Francisco underground, *The Subterraneans* is an exuberant and melancholy tale of dark alleys and rooms and of artists and visionaries. Jack Kerouac, who died in 1969 at the age of forty-seven, is renowned as the father of the "beat generation." His eighteen internationally acclaimed books -- including "On the Road, Doctor Sax, The Subterraneans," and "Lonesome Traveler" -- were important signpost in a new American literature. Here, in "Mexico City Blues," his only collection of poetry, his voice is as distinctive

as in his prose; it roams widely across continents and cultures in a restless search for meaning and expression, giving the verse the unique qualities found in America's most distinctive contribution to music.

THE DHARMA BUMS

Grove/Atlantic
"Each book by Jack Kerouac is unique, a telepathic diamond. With prose set in the middle of his mind, he reveals consciousness itself in all its syntatic elaboration, detailing the luminous

emptiness of his own paranoiac confusion. Such rich natural writing is nonpareil in later half XX century, a synthesis of Proust, Céline, Thomas Wolfe, Hemingway, Genet, Thelonius Monk, Basho, Charlie Parker, and Kerouac's own athletic sacred insight. This entire short novel Tristessa's a narrative meditation studying a hen, a rooster, a dove, a cat, a chihuahua dog, family meat, and a ravishing, ravished junky lady, first in their crowded bedroom, then out to drunken streets, taco

stands, & pads at dawn in Mexico City slums."
 —Allen Ginsberg
Kerouac's Crooked Road
 Da Capo Press
 Satori in Paris and Pic, two of Jack Kerouac's last novels, showcase the remarkable range and versatility of his mature talent. Satori in Paris is a rollicking autobiographical account of Kerouac's search for his heritage in France, and lands the author in his familiar milieu of seedy bars and all-night conversations. Pic is Kerouac's final novel and one of his most

unusual. Narrated by ten-year-old Pictorial Review Jackson in a North Carolina vernacular, the novel charts the adventures of Pic and his brother Slim as they travel from the rural South to Harlem in the 1940s.

 Grove/Atlantic, Inc.
 "What I'm beginning to discover now is something beyond the novel and beyond the arbitrary confines of the story. . . . I'm making myself seek to find the wild form, that

can grow with my wild heart . . . because now I know MY HEART DOES GROW." —Jack Kerouac, in a letter to John Clellon Holmes Written in 1951-52, *Visions of Cody* was an underground legend by the time it was finally published in 1972. Writing in a radical, experimental form ("the New Journalism fifteen years early," as Dennis McNally noted in *Desolate Angel*), Kerouac created the ultimate account of his voyages with Neal Cassady during the late forties, which he captured

in different form in *On the Road*. Here are the members of the Beat Generation as they were in the years before any label had been affixed to them. Here is the postwar America that Kerouac knew so well and celebrated so magnificently. His ecstatic sense of superabundant reality is informed by the knowledge of mortality: "I'm writing this book because we're all going to die. . . . My heart broke in the general despair and opened up inward to the Lord, I made a

supplication in this dream." "The most sincere and holy writing I know of our age." —Allen Ginsberg

'It is the sum of myself, as far as the written word can go' Kerouac on *THE TOWN AND THE CITY*
 Kerouac's debut novel is a great coming of age story which can be read as the essential prelude to his later classics. Inspired by grief over his father's death and gripped by determination to write the Great American Novel, he

draws largely on his own New England childhood.

An Adventurous Education, 1935-46

Jack Kerouac's classic novel about friendship, the search for meaning, and the allure of nature First published in 1958, a year after *On the Road* put the Beat Generation on the map, *The Dharma Bums* stands as one of Jack Kerouac's most powerful and influential novels. The story focuses on two ebullient young Americans--mountaineer, poet, and Zen Buddhist

Japhy Ryder, and Ray Smith, a zestful, innocent writer--whose quest for Truth leads them on a heroic odyssey, from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras.

And the Hippos Were Boiled in Their Tanks

Penguin

"When someone asks 'Where does [Kerouac] get that stuff?' say: 'From you!' He lay awake all night listening with eyes and ears. A night of a

thousand years. Heard it in the womb, heard it in the cradle, heard it in school, heard it on the floor of life's stock exchange where dreams are traded for gold."
—Henry Miller One of the dozen books written by Jack Kerouac in the early and mid-1950s, *Maggie Cassidy* was not published until 1959, after the appearance of *On the Road* had made its author famous overnight. Long out of print, this touching novel of adolescent love in a New England mill town, with its straight-

forward narrative structure, is one of Kerouac's most accessible works. It is a remarkable, bittersweet evocation of the awkwardness and the joy of growing up in America.

Faust Part Three Library of America Jack Kerouac In 1952 and 1953 as he wandered around America, Jack Kerouac jotted down spontaneous prose poems, or "sketches" as he called them, on small notebooks that he kept in his shirt pockets. The poems recount his travels—New

York, North Carolina, Lowell (Massachusetts, Kerouac's birthplace), San Francisco, Denver, Kansas, Mexico—observations, and meditations on art and life. The poems are often strung together so that over the course of several of them, a little story—or travelogue—appears, complete in itself. Published for the first time, *Book of Sketches* offers a luminous, intimate, and transcendental glimpse of one of the most original

voices of the twentieth century at a key time in his literary and spiritual development.

Good Blonde & Others

Penguin

Leo Percepied, aspiring writer and self-styled free-wheeling bum, gravitates to the subterraneans, impoverished intellectuals who haunt the bars of San Francisco. One of them is Mardou Fox, part Negro, part Cherokee, beautiful and a little crazy, whose dark eyes full of suffering and sweetness find recognition in Leo. But, afraid of his growing

involvement, Leo sets out to destroy their love through betrayal and drunkenness. Exuberant and melancholy, Kerouac's spontaneous, rhythmic prose flows across the pages. Written in three days, *The Subterraneans* is, like all Kerouac's work, closely related to his own life while encapsulating his great vision of America. *The Subterraneans* Penguin
The definitive Kerouac collection—now in Penguin Classics To coincide with the 50th anniversary

Old Angel Midnight New York : Grove Press
 "A fascinating literary and historical document, the most insightful look at the Beat Generation." —Dan Wakefield, author of *New York in the Fifties* and *Going All the Way First* published in 1978, *Jack's Book* gives us an intimate look into the life and times of the "King of the Beats." Through the words of the close friends, lovers, artists, and drinking buddies who survived him, writers Barry Gifford and

Lawrence Lee recount Jack Kerouac's story, from his childhood in Lowell, Massachusetts, to his tragic end in Florida at the age of forty-seven. Including anecdotes from an eclectic list of well-known figures such as Allen Ginsberg, William S. Burroughs, and Gore Vidal, as well as Kerouac's ordinary acquaintances, this groundbreaking oral biography—the first of its kind—presents us with a remarkably insightful portrait of an American legend and the spirit of a generation.

Pic City Lights Books
 Written by the woman who loved them all—as wife of Cassady, lover of Kerouac, and friend of Ginsberg—this riveting and intimate memoir spans one of the most vital eras in twentieth-century literature and culture, including the explosive successes of Kerouac's *On the Road* and Ginsberg's *Howl*, the

flowering of the Beat movement, and the social revolution of the 1960s. Carolyn Cassady reveals a side of Neal Cassady rarely seen—that of husband and father, a man who craved respectability, yet could not resist the thrills of a wilder and ultimately more destructive lifestyle.

three days and three nights, *The Subterraneans* was generated out of the same kind of ecstatic flash of inspiration that produced another one of Kerouac's early classics, *On The Road*. Centering around the tempestuous breakup of Leo Percepied and Mardou Fox—two denizens of the 1950s San
