Our Untold Story of Elvis' Missing Years

Kensington Books

If Nero Wolfe and his sidekick, Archie, would ever admit to an Achilles' heel--which they wouldn't--it would be a weakness for damsels in distress. In these three charming chillers the duo answer the call of helpless heroines with nothing to lose--except their lives. First a beautiful young Aphrodite comes to Nero looking for a hero--and the answer to the mystery of her father's death....Then an old flame of Archie's reignites with a plan that may corner him into a lifetime commitment--behind bars....And finally a detective's work is never done, as a hot tip leads the team into the sizzling center of a sexy scandal that could leave them cold--dead cold.

This useful offprint contains biographical sketches of approximately 800 southwestern Pennsylvania residents. The sketches are of Greene County families predominantly, though unavoidably some sketches concern families of Washington

or Fayette County provenance. The biographies are conveniently arranged in alphabetical order within township and borough and generally treat subjects who were born in the early nineteenth century, with reference to immediate forebears of the late eighteenth century. Typical sketches mention the date and place of birth and marriage of the biographee; the name of his wife and the names of his children; names with dates and places of birth of his parents and often grandparents; sometimes the name of the first ancestor in America; and details of religion, education, military service, occupation, home, and residence.

Sometimes being naughty is far more satisfying than being nice--and the best lovers know that desire is a gift to enjoy together. Four of today's hottest romance authors are gathered here with stories designed to arouse your imagination, titillate your senses--and leave you breathless . . . Naughty or Nice? Sherrilyn Kenyon heats up an office where two coworkers decide to spend the holidays together--only to find themselves surrendering completely to forbidden passion . . . Carly Phillips explores a "mistletoe moment" when a no-nonsense lawyer intent on seducing her boss meets his twin instead--and gives him a scintillating kiss that leaves him begging for more . . . Patricia Ryan surprises a cynical P.I., who meets the kind of woman he never wanted--until she takes him on a journey of rapturous pleasure . . . Kathryn

Smith teases a pair of Regency lovers who once shared a night of white-hot passion with the temptation to forgo propriety for something scandalous and irresistible . . . *Findley's Play of Renaissance Gender* Rowman & Littlefield

Timothy Findley (1930-2002) was one of Canada's foremost writers—an award-winning novelist, playwright, and short-story writer who began his career as an actor in London, England. Findley was instrumental in the development of Canadian literature and publishing in the 1970s and 80s. During those years, he became a vocal advocate for human rights and the anti-war movement. His writing and interviews reveal a man concerned with the state of the world, a man who believed in the importance of not giving in to despair, despite his constant struggle with depression. Findley believed in the power of imagination and creativity to save us. *Tiff: A Life of Timothy Findley* is the first full biography of this eminent Canadian writer. Sherrill Grace provides insight into Findley's life and struggles through an exploration of his private journals and his relationships with family, his beloved partner, Bill Whitehead, and his close friends, including Alec Guinness, William Hutt, and Margaret Laurence. Based on many interviews and exhaustive archival research, this biography explores Findley's life and work, the issues that consumed him, and his often profound depression over the evils of the twentieth-century. Shining through his darkness are Findley's generous humour, his unforgettable characters, and his hope for the future. These qualities inform canonic works like *The Wars* (1977), *Famous Last Words* (1981), *Not Wanted on the Voyage* (1984), and *The Piano Man's Daughter* (1995).

What's the worst thing you can do to Shakespeare? The answer is simple: don't read him. To that end, Richard Burt and Julian Yates embark on a project of un/reading the Bard, turning the conventional challenges into a roadmap for textual analysis and a thorough reconsideration of the plays in light of their absorption into global culture.

A young diplomat's account of her assignment in South Sudan, a firsthand example of US foreign policy that has failed in its diplomacy and accountability around the world. In 2017, Elizabeth Shackelford wrote a pointed resignation letter to her then boss, Secretary of State Rex Tillerson. She had watched as the State Department was gutted, and now she urged him to stem the bleeding by showing leadership and commitment to his diplomats and the country. If he couldn't do that, she said, "I humbly recommend that you follow me out the door." With that, she sat down to write her story and share an urgent message. In *The Dissent Channel*, former diplomat Elizabeth Shackelford shows that this is not a new problem. Her experience in 2013 during the precarious rise and devastating fall of the world's newest country, South Sudan, exposes a foreign policy driven more by inertia than principles, to suit short-term political needs over long-term strategies. Through her story, Shackelford makes policy and politics come alive. And in navigating both American bureaucracy and the fraught history and present of South Sudan, she conveys an urgent message about the devolving state of US

foreign policy.

The events of Timothy Findley's *Elizabeth Rex* take place in Elizabethan England. Queen Elizabeth I visits the Lord Chamberlain's men after they perform *Much Ado About Nothing* for her and meets Ned Lowenscroft, female impersonator of Shakespeare's company. The confrontation between these two characters is one that exposes, in Findley's words, a contradiction of genders." It also modernizes the two Renaissance figures in ways that make them relevant to modern audiences. The Shakespearean boy-actor is a suitable character for a play that focuses on gender roles: the contradiction between Ned's male body and feminine looks and behaviour exposes the fluidity of gender. Findley transforms the boy-actor, however, into a thirty-year old homosexual female impersonator, making him closer to a presentday drama queen than a Renaissance boy-actor. Furthermore, Ned's fatal syphilis, transmitted to him by his lover Hal, is highly reminiscent of AIDS today. The virgin queen also displays the arbitrariness of gender by the contradiction between her manly body politic and her female body natural. Elizabeth I was aware of this conflict that accompanied and threatened her throughout her reign, but she was able to use it to her own benefit by adopting attributes of both genders: she was princess, prince, queen, king, warrior, virgin, mother, and wife to her kingdom. Like Ned, Elizabeth is an appropriate character for a play that has gender as its central theme. Ned and Elizabeth's gender ambiguity reveals gender as unnatural, as independent from sex, and as a performance played on the world that is a stage. In their intense theatrical confrontation, Ned the woman learns how to play the man and Elizabeth the man learns how to play the woman. They literally perform alternative genders by the use of role-playing. Their alternating between man and woman weakens the established gender dichotomies without however transcending them. Furthermore, by showing us the woman behind the king and the man behind the actor, Findley is not only playing with gender but also with history, re-writing the female impersonator and the virgin queen in ways that traditional historical documents are incapable of uncovering.

*Shakespeare in Canada* is the result of a collective desire to explore the role that

Shakespeare has played in Canada over the past two hundred years, but also to comprehend the way our country's culture has influenced our interpretation of his literary career and heritage. What function does Shakespeare serve in Canada today? How has he been reconfigured in different ways for particular Canadian contexts? The authors of this book attempt to answer these questions while imagining what the future might hold for William Shakespeare in Canada. Covering the Stratford Festival, the cult CBC television program *Slings and Arrows*, major Canadian critics such as Northrop Frye and Marshall McLuhan, the influential acting teacher Neil Freiman, the rise of Québécois and First Nation approaches to Shakespeare, and Shakespeare's place in secondary schools today, this collection reflects the diversity and energy of Shakespeare's afterlife in Canada. Collectively, the authors suggest that Shakespeare continues to offer Canadians "remembrance of ourselves." This is a refreshingly original and impressive contribution to Shakespeare studies—a considerable achievement in any work on the history of one of the central figures in the western literary canon.

The definitive bibliography of Canada's Governor General's Literary Awards Alice Munro, Michael Ondaatje, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Gilles Vigneault... For over three quarters of a century, the Governor General's Literary Awards have been instrumental in recognizing many of Canada's best authors, illustrators and translators. The result is impressive: between 1936 and 2017, 705 titles have been recognized with this prestigious

award. With careful attention to detail, Andrew Irvine presents the history and evolution of the Awards and extols their importance for the careers of authors, illustrators and translators, as well as for the development of Canada's national literature. The heart of the book contains the first comprehensive bibliography of the awards, including the first list of winning books organized according to their historically correct award categories; information about five books wrongly omitted from previous lists of winning titles; detailed information about award ceremonies, film adaptations and jury members; and other key information. This is a seminal work that belongs on the shelf of every scholar and every lover of Canadian literature. This book is published in English. - Une bibliographie incontournable des Prix littéraires du Gouverneur général du Canada Alice Munro, Margaret Atwood, Antonine Maillet, Carol Shields, Marie-Claire Blais, Michael Ondaatje, Gilles Vigneault... Les écrivains canadiens sont depuis longtemps encensés sur la scène nationale comme à l'échelle mondiale, et les Prix du Gouverneur général jouent un rôle clé dans la reconnaissance de certains de nos meilleurs auteurs, illustrateurs et traducteurs. La liste est impressionnante : ce prestigieux prix a récompensé 705 oeuvres entre 1936 et 2017. Avec un souci minutieux au détail, Andrew Irvine présente l'histoire et l'évolution des Prix et vante leurs vertus indispensables à la carrière des écrivains et des traducteurs ainsi que dans l'élaboration d'une littérature nationale au Canada. Cette bibliographie est la toute première recension complète des Prix littéraires du Gouverneur général et donne des renseignements détaillés au sujet des

cérémonies, des adaptations cinématographiques, des membres des jurys ainsi que d'autres informations clés. Le livre présente aussi une copie exhaustive et exacte de données bibliographiques tirées d'archives, une première dans le monde de l'édition. En somme, une référence incontournable. Ce livre est publié en anglais.

The marriage records abstracted here derive from microfilm copies of the original bonds and from a microfilm copy of a register of marriage bonds maintained from 1851 by the clerk of the county court. The arrangement is alphabetical by the surname of the groom, and each entry has the name of the bride, the date of the marriage bond and, where recorded, the names of the minister, witnesses, and bondsmen. About 9,000 marriage bonds are abstracted.
