for your life Penguin
Everything can change
- In Just One Day Flora
has always adored her
brother Billy. Born just
eighteen months apart,
their childhood was
spent like two peas in a
pod - no one could
separate them. Now,
as adults, they remain
the best of friends. And
as Flora is immersed in

family life, Billy is
always there to lend a
hand. But, in just one
day, everything
changes. In just one
day, Flora's life falls
apart. In just one day,
Flora has to learn how
to live again. From the
nostalgia of seaside
Britain to the breath-
taking beauty of
Venice, in tears and
laughter, join Helen
McGinn for this
emotional, uplifting
and joyful story about
love in all its guises.
But above all, this is an
unforgettable story of
one little girl and the

brother she adored. Helen McGinn has written a novel to recommend to all your friends, perfect for fans of Elizabeth Noble, Cathy Kelly and Jojo Moyes. Praise for Helen McGinn: 'Escapist, warm, witty and wise' Daily Mail 'This is a lovely uplifting book that transported me away, firstly to the beautiful city of Rome and then to gorgeous Cornwall. It's a moving and emotional story of families in all their messy wonderfulness, of people losing one another, and then coming together again - sometimes in unexpected ways. A hugely enjoyable family tale, it was exactly what I wanted to read at this time.' Louise Douglas 'This Changes Everything is the perfect tonic. An

uplifting, forget-about-everything-else read that I couldn't put down. Romantic, emotional and page-turning, Helen McGinn's debut novel can't fail to cheer you up!' Zoe Folbigg 'I loved reading this book. I needed escapism - don't we all need escapism right now - and it gave me Rome, Cornwall and a family who immediately felt like old friends. I took it to the bath, to bed and had finished it within 24 hours. It was the perfect antidote to tough times.' Victoria Moore The Daily Telegraph
One Day Vintage
 "One of the 50 Best Nonfiction Books of the Last 25 Years"—Slate
 On New Year's Day 2013, two-time Pulitzer Prize-winner Gene

Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet

to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. One Day asks and answers the question of whether there is even such a thing as “ordinary” when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human. *Dreaming of Dylan* Simon and Schuster Courtney Baker is ready to put small town life—and the man she can't have—behind her. Years of secretly crushing on her best friend's older brother have led nowhere and she's finally ready to

move on. It would have been a great plan had she not drunkenly blurted out all her feelings and kissed him. At least she'll be able to forget all about it when she leaves town in less than 48 hours. It takes a lot to surprise Dean Jones, but a kiss from the girl he's been secretly attracted to for years does just that. All it takes is one kiss for him to realize he doesn't want to let her go. But she's his sister's best friend and that's a line he knows he should never cross. Never mind that she seems determined to leave their small town—and him—behind. When a storm and a broken car stop Courtney from leaving town, Dean sees perfect opportunity to get her

out of his system. But can one night ever be enough?

ONE DAY IN DECEMBER

Little, Brown
Continuing his acclaimed series of meditations on life and death, David Horowitz turns to the consolation that his marriage and family have brought him amid the trials of age and illness. You're Going to Be Dead One Day is a political warrior's reflection on the mysterious rejuvenating power of love, the bittersweet way in which our children reward us while also leaving us behind, and how kindnesses to others bring blessings home. *One Day Like This*
Abrams
Nobody remembers

how the Causality War started; that's sort of the point. We were time warriors, and we broke time. But I was the one who ended it: ended the fighting, tidied up the damage as much as I could. Then I came here, to the end of it all, and gave myself a mission: to never let it happen again.

ONE DAY AT A TIME

Dell

Then One Day... describes the colorful scene of legal sports books in the memoir of Chris Andrews, who built a Las Vegas career out of sports betting.

ONE DAY, SO MANY WAYS

First Second Books
When a mysterious man arrives one day on Orange Street, the

children who live on the block try to find out who he is and why he's there. Little do they know that his story—and the story of a very old orange tree—connects to each of their personal worries in ways they never could have imagined. From impressing friends to dealing with an expanding family to understanding a younger sibling's illness, the characters' storylines come together around that orange tree. Taking place over the course of a day and a half, Joanne Rocklin's masterful novel deftly builds a story about family, childhood anxieties, and the importance of connection. In the end the fate of the tree (and the kids who care

for it) reminds us of the magic of the everyday and of the rich history all around us. Praise for One Day and One Amazing Morning on Orange Street STARRED REVIEWS "Unfolding in one day's time, the story recounts how secrets are revealed, curiosity is satisfied and wishing becomes hope because the spirit and ties of friendship and community are resilient and strong. Fully realized characters and setting definitely make this one morning on Orange Street amazing." -Kirkus Reviews, starred review "Fascinating and thought-provoking, the writing has a gentle cadence, richness in detail, and is charged with emotion. The book, like

the oranges on the Orange Street tree, presents segments of life that are both sweet and tart and sure to satisfy." -School Library Journal, starred review "A touching story, beautifully told in multiple viewpoints." -Booklist "Each chapter focalizes the third-person narration through a particular child, and the book weaves the singular tales into a larger story about a community that is pleasingly quirky but still believable. Readers and parents looking for some wholesome sweetness will want to make a visit to Orange Street." -The Bulletin of the Center for Children's Books AWARD: Pennsylvania School Librarians Association (PSLA) Young Adult Top Forty

Looks at one day in the lives of the Guardado family, peasants caught up in the terror and corruption of El Salvador

One Day at a Time

Chasing Romance, Inc.

A Boston Globe-Horn Book Honor Book Very short, creative stories pair with bold illustrations in this picture book that will inspire young readers

to stretch their imaginations and write stories of their own.

"One day. . . I went to school. I came home. The end," says our storyteller—a girl with a busy imagination and a thirst for adventure. The art tells a fuller tale of calamity on the way to school and an unpredictably happy ending. Each

illustration in this inventive picture book captures multiple, unexpected, and funny storylines as the narrator shares her shorter-than-ever stories, ending with "One day. . . I wanted to write a book." This book demonstrates a unique approach to writing and telling stories and is a delightful gift for children as well as for teachers seeking a mentor text for their

classrooms.

Just One Year BMG Books

The compelling companion title to the much-lauded *Just One Day* follows Willem's transformative journey toward self-discovery and true love, by the author of *If I Stay*.

Picking up where *Just One Day* ended, *Just One Year* tells Willem's side of the story. After spending an amazing day and night with Allyson in Paris that ends in separation, Willem and Allyson are both searching for one another. His story of their year of quiet longing and near misses is a perfect counterpoint to Allyson's own as Willem undergoes a transformative journey, questioning his path, finding love, and ultimately, redefining

himself. * "The complexity of Willem's character, the twisting plot, and far-flung settings (including the Netherlands, Mexico, and India) create an alluring story that pushes beyond the realm of star-crossed romance."— Publishers Weekly starred review "As much a travelogue as it is a romance, this novel will appeal to fans of the movie *Before Sunrise* or Maureen Johnson's *13 Little Blue Envelopes* (HarperCollins, 2005)."—School Library Journal "As [Willem] becomes engaged personally and professionally, readers will find their interest quickening, right up to the satisfying denouement."—Kirkus Reviews

Perhaps the only subject more fascinating than the mysterious world of dreams is the mysterious world of Bob Dylan. Dreaming of Dylan brings the two together for a weird and wonderful romp through the ways the mercurial musical master shows up in our subconscious states. Celebrated writer and musician Mary Lee Kortez lovingly curated this off-kilter collection of nocturnal visions. Paired with over 100 original images and illustrations, these dreams will captivate you in ways you never expected. Bob Dylan once sang, "I'll let you be in my dreams if I can be in yours." And be in them he has! There are plenty of musical dreamers here,

from the incomparable Patti Smith to Squirrel Nut Zippers frontman Jimbo Mathus to Kevin Odegard, whose guitar is heard on the memorable intro to "Tangled Up in Blue," and others. Not to mention the everyday dreamers, from plumbers to poets and pastors, from dentists to attorneys and psychotherapists. Some dreams are poignant; some are disturbing; and others are nothing short of bizarre. Taken together they're an enthralling look at what the famously enigmatic singer/songwriter represents in the deepest recesses of our minds.
Beyond Abuse: Moving Forward One Day at a Time Kadelo Group Limited
A gentle, delicately

illustrated story, told from the perspective of a young boy who has lost a beloved grandfather. Occupying two dimensions--one that is tangible and heart-wrenching in its details of traces left behind, and another that is cosmic, created by the boy's imagination as he longs for a reunion--'One Day' explores the inner world of a child as he comes to terms with a deeply felt and aching loss.

ONE DAY I WILL WRITE ABOUT THIS PLACE

Dayspring

She was only nine when her world fell apart. The struggle to understand took a lifetime. In 1960s Bristol, Susan's family was like any other with its joys and

frustrations, and fierce loyalties. Then tragedy struck and left a legacy that was to last a lifetime. Susan was only nine when her mother died. A year later she was sent away to school. She didn't want to go, and didn't understand why she had to. In her struggle to cope with an uncertain world - a world where nothing seemed to make sense any more - she pushed away the one person she loved best, her father. It wasn't until adulthood beckoned that she realised that, in order to turn their relationship around, she had to learn to love - and trust - again. One Day You'll Thank Me Xlibris Corporation

THEN ONE YEAR

Simon and Schuster
From the beloved author of Love, Nina, a frank, tender, and poignantly funny story about the ebb and flow of female friendship over half a lifetime. Susan and Norma have been best friends for years, at first thrust together by force of circumstance (a job at The Pin Cushion, a haberdashery shop in 1990s Leicestershire) and then by force of character (neither being particularly inclined to make

friends with anyone else). But now, thirty years later, faced with a husband seeking immortality and Norma out of reach on a wave of professional glory, Susan begins to wonder whether she has made the right choices about life, love, work, and, most importantly, friendship. Nina Stibbe's new novel is the story of the wonderful and sometimes surprising path of friendship: from its conspiratorial beginnings, along its irritating wrong turns, to its final gratifying destination.

Discover what daily life is like for kids all around the world! Meet children from over 40 countries and explore the differences and similarities between their daily routines.

Over 24 hours, follow a wide variety of children as they wake up, eat, go to school, play, talk, learn, and go about their everyday routine in this stunning retro-style illustrated picture book that celebrates different cultures.

**One Day at a Time,
Sweet Jesus**

Enchanted Lion Books
In less than six hours in August 1942, nearly 1,000 British, Canadian and American commandos died in the French port of Dieppe in an operation that for decades seemed to have no real purpose. Was it a dry-run for D-Day, or perhaps a gesture by the Allies to placate Stalin's impatience for a second front in the west? Historian David O'Keefe uses hitherto classified intelligence archives to prove that

this catastrophic and
apparently futile raid
was in fact a mission,
set up by Ian Fleming
of British Naval
Intelligence as part of a
'pinch' policy designed
to capture material
relating to the four-
rotor Enigma Machine
that would permit

codebreakers like Alan
Turing at Bletchley
Park to turn the tide of
the Second World War.
'A fast-paced and
convincing book ... that
clears up decades of
misinformation about
the ignoble raid'
Toronto Star
