The only thing you cannot

plan in life is when and who to fall in love with . . .
Raghu likes to show that there is nothing remarkable about his life--loving, middle-class parents, an elder brother he looks up to, and plans to study in an IIT. And that's how he wants things to seem--normal. Deep down, however, the guilt of letting his closest friend drown in the school's swimming pool gnaws at him. And even as he punishes

himself by hiding from the world and shying away from love and friendship, he feels drawn to the fascinating Brahmi--a girl quite like him, yet so different. No matter how hard Raghu tries, he begins to care . . . Then life throws him into the deep end and he has to face his worst fears. Will love be strong enough to pull him out? The Boy Who Loved , first of a two-part romance, is warm and dark, edgy

and quirky, wonderfully realistic and dangerously unreal. **She Is Single, I'm Taken** Harsh Snehanshu We are coerced by our fellow human beings. Since they have the ability to choose to do otherwise, our condition need not be thus. Coercion is immoral, inefficient and unnecessary for human life and fulfillment. Those who wish to be supine as their neighbors prey on them

are free to so choose; this manifesto is for those who choose otherwise: to fight back. *Tea for Two and a Piece of Cake* University of Illinois Press Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male

protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric

gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities

in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences.

<p>Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health. <i>She Swiped Right into My Heart</i> Lulu.com Better than fireworks, this classic Beginner Book edited by Dr. Seuss celebrates all</p>	<p>the wonderful things that come with summer! EVERYONE HAS A STORY

OUP Oxford
In October 1947, two months after he became independent India's first prime minister, Jawaharlal Nehru wrote the first of his fortnightly letters to the heads of the country's provincial governments—a tradition he kept until a few months before his death. This carefully selected

collection covers a range of themes and subjects, including citizenship, war and peace, law and order, governance and corruption, and India's place in the world. The letters also cover momentous world events and the many crises the country faced during the first sixteen years after Independence. Visionary, wise and reflective, these letters are of great

contemporary relevance for the guidance they provide for our current problems and predicaments. Statistics: A Very Short Introduction

Fonow, coeditor of Beyond Methodology: Feminist Scholarship as Lived Research "Finally, a collection dedicated to demonstrating precisely what it means to do feminist research " -- Madonna Harrington Meyer, University of Illinois at Urbana-Champaign
How likely is feminist research to promote change in society? Are some research methods more successful at

bringing about change than others? Contributors to this volume discuss principles of feminist inquiry, providing examples from their own experience and evaluating research practices for their potential to promote social change. The twelve chapters cover methodologies including ethnographic study, in-depth interviewing, naming, and going public. Also explored

are consultative relationships between academic researchers and activist organizations, participatory and advocacy research processes, and coalition building.

The Boy who Loved

What if life threw you a magnificent opportunity, only to knock you down later and laugh at you? Would you fight back or let it pass?
Nisha's life is far from perfect. At twenty-six, she is plump, plain-looking, and without a boyfriend. A chance date

and a bizarre twist of events lead her to the altar with suave Samir Sharma, only to be abandoned eight years later. As she struggles to stand on her own feet, Akash, a younger guy, enters her life. Can Nisha find love a second time? Tea for Two and a Piece of Cake is an unusual, a heart-warming, and gripping love-story between two people who have so much to lose by getting into a relationship with each

other, yet so much to gain. **It's Not Right... But It's Okay** Random House India Oops! 'I' Fell In Love is a funny Indian college love story. This modern time love story was written by Harsh Snehanshu. The story is about how love is possible between not only people of different cities but of different personalities as well. In this story, Kanav Bajaj is a new hopeful engineering

student at IIT-Delhi from a small town in Indore. Since he was from a small town, the big metropolitan city was intimidating him and he struggles to fit in. He being a shy and studious boy falls in love with the unlikely Tanya, who is completely opposite in nature compared to him. She is a cheerful girl from LSR, Delhi. Snehanshu also includes a few more interesting characters

such as Kanav's friends Aryan, Anuj and Sameer, who add life to the story. Will Kanav and Tanya have a beautiful love story in IIT-Delhi amidst the social, college and parental pressures or will their differences keep them apart? This is an interesting love story written in a witty style by Harsh Snehanshu. The story promises twists and turns in their relationship. Oops! 'I' Fell

In Love was published by Srishti Publishers in 2009 which is now available in paperback. Key Features Author of Oops! I Fell In Love Harsh Snehanshu is a graduate of IIT-Delhi. Incorporated "Fans of Sarah Dunn, Elisabeth Egan, and Isabel Gillies will relate to the multifaceted lives of Krien's characters, brilliantly rendered in her vivid voice." -- Booklist

Writing with the wry realism of Sally Rooney, one of Germany's most promising literary talents demonstrates her incisive understanding of the complexities of relationships

and the depths of the human heart in this witty and compulsively readable novel about five very different women whose lives intersect. What happens when women fulfill their roles as wives, mothers, friends, lovers, sisters, and daughters? What comes next? Award-winning author Daniela Krien explores these questions in this powerful novel of friendship, love, loss, and everything in

between. Krien explores the hopes, ambitions, challenges, and disappointments that shape modern women's lives, offering intimate insights on motherhood and childlessness, bereavement, infidelity, and divorce. At the heart of the novel are five very different women who find themselves hurtling towards a new way of living without knowing quite how they got there. A fresh

take on women's lives, *Love in Case of Emergency* is a punchy yet sensitive novel that takes the notion of aspiring to find happiness and connection to new and exhilarating heights. Translated from the German by Jamie Bulloch
