Wipf and Stock Publishers  
In these refreshingly unconventional meditations, scientist John Polkinghorne connects the perspectives of science and religion in honest and thoughtful reflections for Advent, Christmas, and Epiphany. Giving new meaning to the penitence of Advent and the hope of the Christian faith, he considers God's ultimate purposes along with scientific knowledge of the fate of the universe. Complete with Scriptural references and prayers, *Living With Hope* encourages Christians to think about the beginning and end of the world and to come to discover what it means to truly affirm God's purpose in creation.

Look and Live: Being

Thoughts on John I. 29,  
Etc Bloomsbury Publishing

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

### **Change Your World**

Charisma Media  
Bugs are usually so small that we hardly notice them, let alone think of

them as living beings. But call upon the magnifying glass, and a shapeless jumble of legs, wings, and antennae suddenly start staring back at us. About 80 percent of the Earth's animals are insects. While there are millions of different species, we rarely see many of them . . . until now. Thanks to the photography of John Hallmén, who took a camera and magnified these magnificent creatures one hundred times, we can see what we've never been able to see before. *Bugs Up Close* takes readers on a journey into a world rarely seen, with incredible photographs of such insects as: Crane flies  
Yellow meadow ants  
Black fungus beetles  
Treehoppers  
And many more! The diversity of this insect civilization is striking and unknown to most. An insect we may never have thought twice about now looks like a

creature from outer space. Fascinating and somewhat monstrous details such as compound eyes, antennae, and sharp mouth parts are visible, and with text by Lars-Åke Janzon, *Bugs Up Close* is an amazing close look into the strange and beautiful world of insects. *What's the Secret?* HarperCollins Leadership A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of *Beyond Belief*. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman

Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. [Holy Bible \(NIV\)](#) Canongate Books The NIV is the world's

best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Enjoy this classic content from the Beth Moore library for the first time or as a refresher to your faith. It is the same great Bible study with a new look! You Are Christ's Beloved John the apostle must have thought he had seen everything. Having been with Jesus all the years of His ministry, John witnessed more miracles

than he could count, saw more displays of power than he could comprehend, and experienced more love than he could fathom. John was there when Jesus turned the water to wine, offered living Water to the woman at the well, yielded to His Father's will in the garden of Gethsemane, and gave His life on a Roman cross. And one unforgettable morning young John outran Peter to his Savior's empty tomb. Yet God had more in store for the Son of Thunder. As the other disciples were martyred one by one, John remained to write his sublime Gospel proclaiming Jesus' identity as the eternal Word of God. In his three letters John left a legacy of divine love to ignite the passion of future believers. And while exiled on Patmos, John recorded His risen Lord's glorious revelation of victory and hope. John referred to himself as "the disciple whom Jesus loved." Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. The Bridegroom's love is unmatched and inexhaustible, and He is waiting to lavish it on you, His beloved. Features: Eleven teaching sessions

available approximately one hour in length each session Classic, original teaching by Beth Moore Leader Guide available as free PDF on [LifeWay.com/BelovedDisciple](http://LifeWay.com/BelovedDisciple) Personal Study to be completed between the 11 group sessions Benefits: Learn about the Beloved Disciple, John, and his life as a follower of Jesus. Discover John's legacy of love as you study God's Word. Find the heart of the Bridegroom for His Bride, the church, and for you. *John Wesley* Springer Many Christians are unable to give the names, or many details, of Jesus' twelve disciples and yet we can learn many lessons from their lives. Each of them had his own personality but Jesus was able to change and use them in the service of the Kingdom of God. They had faults like we do. They were a mixed bunch of people, each with their own gifts and struggles. God calls all sorts of people, and we cannot forget that Jesus was selecting men for a leadership role in the early church. We can use the example of the apostles to inspire and teach us. This is a tremendously useful book that will have a place on

many a minister's bookshelf. From Andrew through to Judas, Ian Fleck's survey is detailed but accessible and never dry. This is a timely book, coming at a time when many in the church are speaking of the need for discipleship, yet, all too often, little or nothing is ever said of the first disciples. This book opens up their lives to us. Rev. Dr. Paul Bailie Chief Executive, Mission Africa (Working in Nigeria, Burkina Faso, Chad and Kenya) Inspired by material concerning the Twelve disciples which he has assembled from the Four Gospels, and in interaction with other Scripture texts and some ancient traditions, Ian Fleck in this series of meditations has succeeded in deriving, from the lives of Jesus' chosen followers, challenging, inspirational and practical lessons for readers to apply in discipleship of Christ today. Rev Dr. Gordon Campbell Professor of New Testament, Union Theological College, Belfast  
**John Osborne's Look Back in Anger** Bancroft Press  
 NEW YORK TIMES BESTSELLER "As sweet and funny and sad and

true and heartfelt a memoir as one could find.” —from the foreword by Augusten Burroughs

Ever since he was young, John Robison longed to connect with other people, but by the time he was a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label “social deviant.” It was not until he was forty that he was diagnosed with a form of autism called Asperger’s syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It’s a strange, sly, indelible account—sometimes alien yet always deeply human.

### **THE LEGACY OF JOHN LENNON IN THE WORDS OF THE FANS WHO LOVE HIM**

Grosvenor House Publishing  
Look Back in Anger is one

of the few works of drama that are indisputably central to British culture in general, and its name is one of the most well-known in postwar cultural history. Its premiere in 1956 sparked off the first “new wave” of kitchen-sink drama and the cultural phenomenon of the angry young man. The play’s anti-hero, Jimmy Porter, became the spokesman of a generation. Osborne’s play is a key milestone in “new writing” for British theatre, and the Royal Court—which produced the play—has since become one of the most important new writing theatres in the UK.

### Wallflowers Need Not Apply Zondervan

The Pulitzer Prize-winning view of the continent, across the fortieth parallel and down through 4.6 billion years Twenty years ago, when John McPhee began his journeys back and forth across the United States, he planned to describe a cross section of North America at about the fortieth parallel and, in the process, come to an understanding not only of the science but of the style of the geologists he traveled with. The structure of the book never changed, but its

breadth caused him to complete it in stages, under the overall title *Annals of the Former World*. Like the terrain it covers, *Annals of the Former World* tells a multilayered tale, and the reader may choose one of many paths through it. As clearly and succinctly written as it is profoundly informed, this is our finest popular survey of geology and a masterpiece of modern nonfiction. *Annals of the Former World* is the winner of the 1999 Pulitzer Prize for Nonfiction.

 Holy Bible (NIV) Zondervan  
**Expository Thoughts on the Gospels**  
 Bloomsbury Publishing  
 Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Twelve Chosen Disciples David C Cook  
 This popular companion to St John's Gospel is now available again. It provides a clear path through modern biblical scholarship. Ivan Clutterbuck has a real gift in making matters that can often seem complex and daunting for the ordinary laity. The book is an ideal companion for all those wishing to deepen their knowledge and understanding of this important witness to Our Lord's life. Another Look at St John's Gospel will be equally invaluable to individuals seeking resources to help in their private study and devotion, to parish study groups and to teachers looking for firm guidance for their classroom work. Ivan Clutterbuck has been a priest of the Church of England for over sixty years. He read Classics and Theology at Cambridge University. He has served as both an army and a naval chaplain, has taught in several public schools, and was Director of Religious Studies at Roedean School. From 1966 -74 he was Organising Secretary of the Church Union. He has also published with

Gracewing Marginal Catholics, a history of the Anglo-Catholic Movement in the Church of England, The Church in Miniature, an analysis of faith and order in contemporary Anglicanism, and a companion volume on the Gospels, According to Luke.

This is not just another biography. For the first time, Jackie O: On the Couch highlights Jackie's life from her own perspective, as imagined by author Dr. Alma Bond, a psychoanalyst and long-time student of Jackie lore.

### **LOOK ME IN THE EYE**

dpdotcom ebookstore  
 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures,

devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

An inspiring guide that helps us understand God's plan—and find comfort and strength even when His ways seem mysterious. God Culture invites you to lay aside the feelings of anger, confusion, and abandonment, and offers answers that will endear your heart to God and provide insights for healing the confusion and distress caused by the daily chaos and perhaps even cruel circumstances of life. By focusing on the behavior of God, John A. Naphor uses easy-to-understand Biblical illustrations and real life examples to lead you into a deeper and greater knowledge of God's ultimate plan for your life.

God Culture dispels the age-old myth that God works in mysterious ways—and shows you how God uses each circumstance of life to reach every individual who desires to find Him.

### **A STUDY GUIDE FOR JOHN OSBORNE'S "LOOK BACK IN ANGER"**

Holy Bible (NIV)  
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
