When Ike Larue is "imprisoned" at the Igor Brotweiler Canine Academy, he tries everything to get sent home--weepy letters to his owner, even illness. In

reality, Brotweiler is more like camp than prison, but still, Ike's not cut out for life w/o Mrs. Larue & his creature comforts. Finally, he runs away only to find himself back in Snort City--just in time to save Mrs. Larue's life. Teague is at the top of his fetching form in this madcap comedy where the real world of Brotweiler & the one Ike imagines are brilliantly depicted thru split-screen visuals, the former in color & the latter in b&w.

Four Treasures of the Sky St. Martin's Press

Dirty money, tax havens and the offshore system describe the ugliest and most secretive chapter in the history of global economic affairs. Billionaire Warren Buffet, currently the third wealthiest man in the world, paid the lowest rate of tax among his office staff, including his receptionist.

Don't miss Found, the heart-pounding conclusion to the Shipwreck Island middle-grade series from author S. A. Bodeen, a stunning, wilderness survival adventure from start to finish. Sarah Robinson and her family are shipwrecked on a remote and mysterious island. Their food is scarce and there's no sign of rescue. They have seen strange creatures, rescued a mysterious girl, and found the Curator, who has captured Sarah's father and stepbrother to use in a bizarre time travel experiment. And

then the only man who knows about their island comes back—he's looking for buried treasure, and won't leave without it, even if it means leaving the Robinsons stranded. Time is running out. They must get off the island. Read them all!

Castle Point Books

Thieves of Baghdad is a riveting account of Colonel Matthew Bogdanos and his team's extraordinary efforts to recover over 5,000 priceless antiquities stolen from the Iraqi National Museum after the fall of Baghdad. A mixture of police procedural, treasure hunt, war-time

thriller, and cold-eyed assessment of the international black market in stolen art, *Thieves of Baghdad* also explores the soul of a truly remarkable man: a soldier, a father, and a passionate, dedicated scholar.

Treasure State Bloomsbury Publishing USA

Treasure Island, published in 1883, popularized the now familiar characters of pirates and brought them to rum-swilling life. When an old sailor named Billy Bones dies in the inn belonging to young Jim Hawkins's parents, he leaves a greasy old map on which an "X" marks the spot where treasure is buried. Jim joins the crew of a ship in pursuit of Bones's treasure, and on the seas meets up with Long John Silver, a peg-legged pirate who has infiltrated their ranks. Jim must survive mutinies and counter-mutinies, face hand-to-hand combat with drunken sailors, and outwit double-crossing thieves before the treasure can be his.

Mystic Horse Farrar, Straus and Giroux (BYR)

When Ruby Jolene Hurley sees the shadow of her dead pet goat Jethro dancing on his grave, that's the first hint that something strange is going on in *Way Down Deep*. Then on Halloween night, Miss Arbutus senses an evil wind blowing into town, and bad things start to happen. The coal mine shuts down, one hundred men lose their jobs, and all of *Way Down* feels the pinch. Ruby thinks the answer to their problems is the treasure that Archibald Ward, the town's founder, supposedly buried more than two hundred years ago. Most people say the treasure is just a myth, but Ruby is determined to prove the naysayers wrong and save the day.

Jenny Sue Kostecki-Shaw's Papa Brings

Me the World is a poignant picture book that celebrates the bond between parent and child, and follows their long-distance trip around the world. Most parents drive a car or ride a bus or train to work—but not Lulu's papa. He navigates mountains, deserts, and oceans, each time returning home with pockets full of treasures. There's an ancient calculator from China, a musical mbira from Zimbabwe, and a special game from Sumatra. But the best treasures are special stories Papa tells when he comes home—tales of playing peekaboo with rare birds in the Andes and befriending dragons in the Irish Sea. This long-distance love story between parent and child celebrates inclusivity, imagination, and the richness of global cultures.

War: How Conflict Shaped Us St. Martin's Paperbacks

The Instant New York Times Bestseller National Bestseller "[The] authors' finest work to date." —Wall Street Journal The explosive true saga of the legendary figure Daniel Boone and the bloody struggle for America's frontier by two bestselling authors at the height of their writing power—Bob Drury and Tom Clavin. It is the mid-eighteenth century, and in the thirteen colonies founded by Great Britain, anxious colonists desperate to conquer and settle North America's "First Frontier" beyond the Appalachian Mountains commence a series of bloody battles. These violent conflicts are waged against the Native American tribes whose lands they covet, the French, and the mother country itself in an American Revolution destined to reverberate around the world. This is the setting of Blood and Treasure, and the

guide to this epic narrative is America's first and arguably greatest pathfinder, Daniel Boone—not the coonskin cap-wearing caricature of popular culture but the flesh-and-blood frontiersman and Revolutionary War hero whose explorations into the forested frontier beyond the great mountains would become the stuff of legend. Now, thanks to painstaking research by two award-winning authors, the story of the brutal birth of the United States is told through the eyes of both the ordinary and larger-than-life men and women who witnessed it. This fast-paced and fiery narrative, fueled by contemporary diaries and journals, newspaper reports, and eyewitness accounts, is a stirring chronicle of the conflict over America's "First Frontier" that places the reader at the center of this remarkable epoch and its gripping tales of courage and sacrifice.

Treasure Hunt: Treasure Hunt for Kids Harper Collins

A New York Times-Bestseller! For twelve-year-old Emily, the best thing about moving to San Francisco is that it's the home city of her literary idol: Garrison Griswold, book publisher and creator of

the online sensation Book Scavenger (a game where books are hidden in cities all over the country and clues to find them are revealed through puzzles). Upon her arrival, however, Emily learns that Griswold has been attacked and is now in a coma, and no one knows anything about the epic new game he had been poised to launch. Then Emily and her new friend James discover an odd book, which they come to believe is from Griswold himself, and might contain the only copy of his mysterious new game. Racing against time, Emily and James rush from clue to clue, desperate to figure out the secret at the heart of Griswold's new game—before those who attacked Griswold come after them too. This title has Common Core connections.

TREASURE TRAILS: JOURNEY'S END

Scholastic Paperbacks
Female Olympian and Paralympian Events is a groundbreaking book that examines women's sports in the Olympic and Paralympic Games, which have long been underappreciated and under-analyzed. The book begins with a brief background on women's participation in the Olympic Games and their role relative to the International Olympic Committee, then introduces the underlying Gendered Critical Discourse Analysis theory used throughout the book's analysis before delving into a literature review of female Olympians and Paralympians' events. It includes a listing of noteworthy "firsts" in the field, followed by individual discussions of twenty-eight Summer and seven Winter events, analyzed according to their historical, rhetorical, and popular cultural representations. Women's unique role(s) in the various events are discussed, particular athletes and Paralympic events are highlighted, and original

tables are also included. At the end of each section, affiliated organizations and resources are included in this invaluable referential volume.

In *Treasures Lost, Treasures Found*, #1 New York Times bestselling author Nora Roberts tells the romantic adventure story of two former lovers seeking a fortune only to discover that love is what truly favors the bold. Kate Hardesty's late father spent his life exploring the waters around North Carolina's Ocracoke Island, hunting for sunken treasure. Now, it has fallen to his daughter to decipher his detailed notes, charts, and maps to

complete his quest—but Kate knows she needs the help of deep-sea diver Ky Silver. Once, she'd given him her heart, only to break his when she left the island. That was four years ago, and Ky's the only one she can trust to help her locate the gold. Reunited, Kate and Ky's search rekindles their passion and recovers something between them even more priceless than a lost treasure.
