Bringing Out the Best in Yourself at Work
Harper Collins
A proven system for improving your own work and for working better in a team
Used by such organizations as the Walt Disney Company, Silicon Graphics, the Federal Reserve Bank, and the CIA, the Enneagram is a proven psychological system based on nine number types that helps people achieve self-awareness and develop strategic approaches to interpersonal interactions. In *Bringing Out the Best in Yourself at Work*, Enneagram teacher and business consultant Ginger Lapid-Bodga shows professionals how to apply this popular tool to their work as a way to improve their productivity and help

them build positive relationships among coworkers. This practical guide explains how to use the Enneagram to:
Communicate more effectively
Provide constructive feedback
Prevent and resolve conflict
Bring out their strongest leadership skills
Discover methods for professional development
Work better in teams

Memory Rehabilitation Eneagrama
This living diagram is a consciousness device, capable of transforming the person who uses it. The principles of this symbol are applied to everyday situations to show that the Enneagram is the key to the structure of human intelligence. Includes the Enneagram of the Lord's Prayer.
Eneagrama McGraw-Hill
Lydia De Havilland is shocked when Brogan Ramsay suddenly reappears in her life. Several years before, Brogan was the

son of her family's gardener, and the boy she hurt and betrayed. But Brogan is no longer the quiet, sensitive boy she remembers. Now he's a man—gorgeous, powerful . . . and seeking vengeance. Brogan Ramsay can't let go of the memory of Lydia tricking him cruelly, leaving his heart shattered and his family penniless. And now he's back to destroy her family the way his was destroyed. There's only one problem . . . the girl who wounded him so badly years ago is now a woman who still has the power to render him breathless. Ramsay is the story of betrayal and wrath, of the strength of regret and the power of forgiveness. It is the story of the thin veil between love and hate, and how more often than not, when we seek to inflict pain on others, the heart we wound is our own. THIS IS A STAND-ALONE SIGN OF LOVE NOVEL, INSPIRED BY ARIES. New

Adult Contemporary Romance: Due to strong language and sexual content, this book is not intended for readers under the age of 18.

The Tarot Activity Book Mia Sheridan
Want to learn how to create great user experiences on today's Web? In this book, UI experts Bill Scott and Theresa Neil present more than 75 design patterns for building web interfaces that provide rich interaction. Distilled from the authors' years of experience at Sabre, Yahoo!, and Netflix, these best practices are grouped into six key principles to help you take advantage of the web technologies available today. With an entire section devoted to each design principle, *Designing Web Interfaces* helps you: Make It Direct-Edit content in context with design patterns for In Page Editing, Drag & Drop, and Direct Selection Keep It Lightweight-Reduce the effort required to interact with a site by using In Context Tools to leave a "light footprint" Stay on the Page-Keep visitors on a page with overlays, inlays, dynamic content, and in-page flow patterns Provide an Invitation-Help visitors discover site features with invitations that cue them to the next level of interaction Use Transitions-Learn when, why, and how to use animations, cinematic effects, and other transitions React Immediately-Provide a rich experience by using lively responses such as Live Search, Live Suggest, Live Previews, and more *Designing Web Interfaces* illustrates many patterns with examples from working websites. If you need to build or renovate a website to be truly interactive, this book gives you the principles for success.

The Little Prince Puts on His Tie Simon and Schuster

Jainism is a tradition which dates back thousands of years, which is unbelievably rich and profound, and which has certain unmistakable signs of identity. Contrary to what some might think, it is not in any sense a poor relation of Buddhism, nor is a strange, atheistic and ascetic sect within Hinduism. Jainism is, above all, the religion of non-violence (ahimsa), an ideal which all other religions of India were subsequently to make theirs and which was made universal by Gandhi in the 20th century. Like Buddhism, Jainism is a religion without God which paradoxically opens to the truly sacred in the deepest reaches of all living beings in the cosmos. And it is also the religion of non-absolutism (anekantavada), a particular form of philosophical pluralism, which seems astonishingly modern.

MISTY CIRCUS

Harper Collins

A collection of personal narratives which give a firsthand account of the rebellion against the Fidel Castro regime.

Cuba, the Unfinished Revolution Liturgical Press

In the time of the #MeToo and #TimesUp movement, international bestselling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim their power. But to do this, women must learn to improve their own mental strength.

Contending with a host of difficult issues—from sexual assault on college campuses, to equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture.

Throughout, she explores the areas women—and society at large—must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don't insist on perfection; they don't compare themselves to other people; they don't see vulnerability as a weakness; they don't let self-doubt stop them from reaching their goals. Wise, grounded, and essential, *13 Things Mentally Strong Women Don't Do* can help every woman flourish—and ultimately improve our society as well.

Enneagram Studies "O'Reilly Media, Inc." EneagramALAMAH

Jainism Motilal Banarsidass

One of the great masterpieces of modern Latin American fiction, *Terra Nostra* is concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations. Fuentes skillfully blends a wide range of literary forms, stories within

stories, Mexican and Spanish myth, and famous literary characters in this novel that is both a historical epic and an apocalyptic vision of modern times. *Terra Nostra* is that most ambitious and rare of creations—a total work of art.

What Type of Leader Are You?

HarperCollins

In 2000, Mexico's long invincible Institutional Revolutionary Party (PRI) lost the presidential election to Vicente Fox of the National Action Party (PAN). The ensuing changeover—after 71 years of PRI dominance—was hailed as the beginning of a new era of hope for Mexico. Yet the promises of the PAN victory were not consolidated. In this vivid account of Mexico's recent history, a journalist with extensive reporting experience investigates the nation's young democracy, its shortcomings and achievements, and why the PRI is favored to retake the presidency in 2012. Jo Tuckman reports on the murky, terrifying world of Mexico's drug wars, the counterproductive government strategy, and the impact of U.S. policies. She describes the reluctance and inability of politicians to seriously tackle rampant corruption, environmental degradation, pervasive poverty, and acute inequality. To make matters worse, the influence of non-elected interest groups has grown and public trust in almost all institutions—including the Catholic church—is fading. The pressure valve once presented by emigration is also closing. Even so, there are positive signs: the critical media cannot be easily controlled, and small but determined citizen groups notch up significant, if partial, victories for accountability. While Mexico faces complex challenges that can often seem insurmountable, Tuckman concludes, the unflagging vitality and imagination of many in Mexico inspire hope for a better future.

HONORING THE BODY

Dark Horse Comics

"Wagele and Stabb are great detectives who will help you understand your perfect habitat for all you can bring to the workplace. —Chip Conley, Founder/CEO, Joie de Vivre Hospitality, and author of *Peak* Employing the Enneagram Personality Assessment System, Elizabeth Wagele, author of *The Enneagram Made Easy*, and career workshop and events organizer Ingrid Stabb can help you discover *The Career Within You*. Unlike "one-size-fits-all" self-help business books, *The Career Within You* provides everything you need to fully understand your individual strengths, gifts, needs, and

distinct personality traits, and will point you toward a job uniquely tailored to you. "It will free you to become the person you know you really want to be," says Gil Garcetti, former Los Angeles County District Attorney and Consulting Producer of "The Closer."

God Never Blinks InterVarsity Press
Over 100,000 Copies Sold Worldwide! IVP Readers' Choice Award Most of us have no idea how others see or process their experiences. And that can make relationships hard, whether with intimate partners, with friends, or in our professional lives. Understanding the motivations and dynamics of these different personality types can be the key that unlocks sometimes mystifying behavior in others—and in ourselves. This book from Suzanne Stabile on the nine Enneagram types and how they behave and experience relationships will guide readers into deeper insights about themselves, their types, and others' personalities so that they can have healthier, more life-giving relationships. No one is better equipped than Suzanne Stabile, coauthor, with Ian Morgan Cron, of *The Road Back to You*, to share the Enneagram's wisdom on how relationships work—or don't. Why do Sixes seem so intimidated and put off by Eights, who only wish the Sixes would stop mulling things over and take action? Why do Fives seem so unavailable, even to their closest family and friends, while Twos seem to feel everybody else's feelings but their own and end up irritating people who don't want their help? How in the world can Fours be so open and loving to you one day and restrained and distant other times? The Enneagram not only answers these questions but gives us a way out of our usual finger pointing and judging of other people—and finding them wanting, perplexing, or impossible. Suzanne's generous, sometimes humorous, and always insightful approach reveals why all the types behave as they do. This book offers help in fostering more loving, mature, and compassionate relationships with everyone in our lives.

Island of the Passion Grand Central Publishing

Already an internet phenomenon, these wise and insightful lessons by popular newspaper columnist and Pulitzer Prize finalist Regina Brett will make you see the possibilities in your life in a whole new way. When Regina Brett turned 50, she wrote a column on the 50 lessons life had taught her. She reflected on all she had learned through becoming a single parent, looking for love in all the wrong places, working on her relationship with God,

battling cancer and making peace with a difficult childhood. It became one of the most popular columns ever published in the newspaper, and since then the 50 lessons have been emailed to hundreds of thousands of people. Brett now takes the 50 lessons and expounds on them in essays that are deeply personal. From "Don't take yourself too seriously-Nobody else does" to "Life isn't tied with a bow, but it's still a gift," these lessons will strike a chord with anyone who has ever gone through tough times--and haven't we all?

A GIFT FOR MY MOTHER

Createspace Independent Publishing Platform

The most successful leaders are those who continuously working on their self development to move beyond their type limitations. This work reveals how you can use the Enneagram system to determine your leadership personality type and, more important, use that information to maximize your effectiveness in the workplace.

StrengthsQuest Octagon Press Ltd
Offers profiles of nine personality types, tells how to avoid misidentifications, and offers advice on becoming aware of one's own personality type.

Understanding the Enneagram ALAMAH
Elizabeth Wagele, coauthor of *The Enneagram Made Easy* and *Are You My Type, Am I Yours?*, offers the first practical guidebook for parents -- packed with her delightful cartoons -- on how the Enneagram can help to understand and work with children's personality traits and behavioral patterns more effectively and creatively. Using her expertise in making the Enneagram accessible through simple text and zany, informative cartoons, Wagele shows parents how to be flexible and compassionate, willing and eager to recognize the unique potential of every child and to respond to and nurture each child appropriately.

Seeker After Truth McGraw Hill Professional

From a well-known authority, this comprehensive yet accessible book shows how state-of-the-art research can be applied to help people with nonprogressive memory disorders improve their functioning and quality of life. Barbara Wilson describes a broad range of interventions, including compensatory aids, learning strategies, and techniques for managing associated anxiety and stress. She reviews the evidence base for each clinical strategy or tool and offers expert guidance on how to assess patients, set treatment goals, develop individualized rehabilitation programs, and

conduct memory groups. The book also provides essential background knowledge on the nature and causes of memory impairment.

Diez Mandamientos Para Escribir Con Estilo: Colección de Clásicos Del Pensamiento Universal "carrascalejo de la Jara." Guilford Press

Did you know that tarot cards can have a rich and varied life outside of divination? They certainly do when you combine them with expressive arts activities such as writing, making art, and crafting. In this book, you'll learn how mixing tarot into the creative process is a fun and powerful way to stimulate your imagination. After all, each card is itself a mini artistic masterpiece, packed with symbolism and meaning. This makes them natural tools for developing self-awareness and personal transformation. Whether beginner or advanced, if you have an interest in tarot you will find much to enjoy in this book. The nearly 100 activities and exercises will add quite another dimension to your experience with the cards. This book will also be useful if you are a mental health professional or art teacher who uses the expressive arts in your practice. Inside, you will discover a wealth of creative and therapeutic ideas regarding how to incorporate tarot into the work you do with clients or students.

LA VIOLENCIA A TRAVÉS DE DIFERENTES MIRADAS

Dalkey Archive Press

In the spirit of *The Gentle Art of Swedish Death Cleaning* and *The Joy of Less*, experience the benefits of buying less and sharing more with this accessible 7-step guide to decluttering, saving money, and creating community from the creators of the Buy Nothing Project. In their island community, friends Liesl Clark and Rebecca Rockefeller discovered that the beaches of Puget Sound were spoiled by a daily influx of plastic items and trash washing on shore. From pens and toothbrushes to toys and straws, they wondered, where did it all come from? Of course, it comes from us—our homes, our backyards, our cars, and our workplaces. And so, a rallying cry against excess stuff was born. In 2013, they launched the first Facebook Buy Nothing Project group in their small town off the coast of Seattle, and they never expected it to become a viral sensation. Today there are thousands of Buy Nothing groups all over the world, boasting more than a million members, and 5,000 highly active volunteers. Inspired by the ancient practice of gift economies, where neighbors share and pool resources, The Buy Nothing, Get

Everything Plan introduces an environmentally conscious 7-step guide that teaches us how to buy less, give more, and live generously. At once an actionable plan and a thought-provoking exploration of our addiction to stuff, this powerful program will help you declutter your home without filling landfills, shop

more thoughtfully and discerningly, and let go of the need to buy new things. Filled with helpful lists and practical suggestions including 50 items you never need to buy (Ziploc bags and paper towels) and 50 things to make instead (gift cards and salad dressing), *The Buy Nothing, Get Everything Plan* encourages you to rethink why you shop and embrace a space-

saving, money-saving, and earth-saving mindset of buying less and sharing more.

BEYOND GAMES AND SCRIPTS

Houghton Mifflin Harcourt
Presents a portrait of sacred female and goddess imagery in Western culture, from their creation to the present day.
