In the early days of the Civil War, rumors of gold in the frozen Klondike brought hordes of newcomers to the Pacific Northwest. Anxious to compete, Russian prospectors commissioned inventor Leviticus Blue to create a great machine that could mine through Alaska's ice. Thus was Dr. Blue's Incredible Bone-Shaking Drill Engine born. But on its first test run the Boneshaker went terribly awry, destroying several blocks of downtown Seattle and unearthing a

subterranean vein of blight gas that turned anyone who breathed it into the living dead. Now it is sixteen years later, and a wall has been built to enclose the devastated and toxic city. Just beyond it lives Blue's widow, Briar Wilkes. Life is hard with a ruined reputation and a teenaged boy to support, but she and Ezekiel are managing. Until Ezekiel undertakes a secret crusade to rewrite history. His quest will take him under the wall and into a city teeming with ravenous undead, air pirates, criminal overlords, and heavily armed refugees. And only Briar can bring him out alive. MAGIC WITHOUT MERCY

Tor Books

The oldest story can be made new again, changed and altered until it is reimagined and restored. Pride interferes with happily-ever-afters: a proud princess is tested and tests the prince in return; a young thief is caught red-handed and must make amends; and a vain queen struggles to save her stepdaughter. Finding love is not a simple task: a hero searches for the ideal magical bride; an innocent librarian is charmed by a man with a menacing secret; a queen takes a spoiled prince as her sole deckhand; and a well-intentioned princess seeks to make things right with her father. Change causes chaos, for better or worse: a scheming cat seeks to better the lot of his daydreaming master; a cursed pirate captain is given a second chance when he finds a young stowaway; a spoiled teenager suffers the consequences of turning her best friend into a toad; and a thief and a rebel hiding secrets meet at a ball. Follow these characters on their journeys as eleven magical tales are turned on their heads and seen from new perspectives.

THE START OF A BRAND NEW URBAN FANTASY SET IN SMALL TOWN MAINE WHERE EVERYTHING IS NOT AS IT

SHOULD BE... Living in small town Rockabill, Maine, Jane True always knew she didn't quite fit in with so-called normal society. During her nightly, clandestine swim in the freezing winter ocean, a grisly find leads Jane to startling revelations about her heritage: she is only half-human. Now, Jane must enter a world filled with supernatural creatures alternatively terrifying, beautiful, and deadly- all of which perfectly describe her new "friend," Ryu, a gorgeous and powerful vampire. It is a world where nothing can be taken for granted: a dog can heal with a lick; spirits bag your groceries; and whatever you do, never-ever-rub the genie's lamp. If you love Sookie Stackhouse, then you'll want to dive into Nicole Peeler's enchanting debut novel.

"Where are we? Kady asked, as they turned to look at the entire room. They saw the kitchen had a wood-burning stove, no sink faucet, and no refrigerator." "I don't know, Allie said, "but look out this window, across the yard and the garden. Isn't that the cotton patch where Nanna said she had to cross the narrow dirt road to help pick cotton?" The sisters, Allie, Kady, Lindey, and their cousin, Taylor, have been transported into their great grandmother's world when she is five and then again when she is seven. During their second visit, Taylor's little

brother, Lance, shows up, surprising everyone, except Minnie, who has expected him and is so pleased he has come with them. This fictional story is based on contemporary children, who are real, and the historical, real-life happenings of the Tucker family in the 1920's told by Jewel Tucker Phillips.

A Bit of Magic Penguin

Homicide detective Kara Gillian has a special talent: she can sense the "arcane" in our world, and there's quite a bit of it, even in Beaulac, Louisiana. She's also a summoner of demons, and works on a task force that deals with supernatural crimes. Her partners are attractive and smart FBI agents, but they're not summoners, and they're not telling Kara why they are on this special force with her. To complicate things even more, Kara has pledged herself to one of the most powerful of demons—Demon Lord Rhyzkahl—who helped save her partner's life, but now expects things in return. Meanwhile, she's trying to solve a string of murders that are somehow tied together by money, sex, rock music and...mud. But how can she concentrate on the case when she's not even sure who—or what—her partners are? Secrets of the Demon is the exciting third installment of the Kara Gillian series.
