The musical examples have been rewritten, as well, in grand staff format and include suggested left-hand and two had voicing examples to be played with the CD tracks. The first play-a-long/demonstration CD includes special stereo separations, allowing the piano to be eliminated so that the student can play along with bassist Rufus Reid and drummer Jonathan Higgins. The second CD includes the same play-a-long tracks as the first CD, but at slower practice tempos. A complete package for the beginning jazz pianist! 106 pages, spiral bound for easy opening.
