Zero at the Bone (Manga) Penguin
WINNER OF THE NOBEL PRIZE IN
LITERATURE "A brilliant literary murder
mystery." —Chicago Tribune
"Extraordinary. Tokarczuk's novel is
funny, vivid, dangerous, and disturbing,
and it raises some fierce questions about
human behavior. My sincere admiration
for her brilliant work." —Annie Proulx In a
remote Polish village, Janina devotes the

dark winter days to studying astrology,
translating the poetry of William Blake,
and taking care of the summer homes of
wealthy Warsaw residents. Her
reputation as a crank and a recluse is
amplified by her not-so-secret
preference for the company of animals
over humans. Then a neighbor, Big Foot,
turns up dead. Soon other bodies are
discovered, in increasingly strange
circumstances. As suspicions mount,
Janina inserts herself into the
investigation, certain that she knows
whodunit. If only anyone would pay her

mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

Poems by Emily Dickinson Vintage

After witnessing a mob hit, surgeon Jack Francisco is put into protective custody to keep him safe until he can testify. A hitman known only as D is blackmailed into killing Jack, but when he tracks him down, his weary conscience won't allow him to murder an innocent man. Finding in each other an unlikely ally, Jack and D are soon on the run from shadowy enemies. Forced to work together to survive, the two men forge a bond that

ripens into unexpected passion. Jack sees the wounded soul beneath D's cold, detached exterior, and D finds in Jack the person who can help him reclaim the man he once was. As the day of Jack's testimony approaches, he and D find themselves not only fighting for their lives... but also fighting for their future. A future together.

A special agent fights chaos and terror in midair in this thriller by the New York Times-bestselling author of *Stone Cross*... Special agent Jericho Quinn is a wanted man. Suspected of murder and marked for death by a network of conspirators embedded in the White House, Quinn knows he has to get out of the country—fast—before a team of contract killers finds him and his

daughter. To set things right at home, he'll have to take a nonstop flight from Anchorage, Alaska, to Vladivostok, Russia, aboard a massive Airbus A380. But soon after takeoff, it becomes apparent that Quinn and his daughter picked the wrong plane. First, a passenger is brutally murdered. Then, Quinn is mistaken for a terrorist by an off-duty Air Marshal. As panic spreads through the plane and pressure builds to the screaming point, the unthinkable happens. Someone triggers a bomb. Spoiler alert: This plane is in big trouble... From the author of Tom Clancy Power and Empire, this terrifying thriller stars "a compelling, never-give-an-inch hero who will appeal to Jack Reacher fans" (Booklist).

Whodunnit.

Zero at the Bone Zero at the Bone

The instant #1 New York Times bestseller. In time for the twentieth anniversary of 9/11, master storyteller Alan Gratz (Refugee) delivers a pulse-pounding and unforgettable take on history and hope, revenge and fear -- and the stunning links between the past and present. September 11, 2001, New York City: Brandon is visiting his dad at work, on the 107th floor of the World Trade Center. Out of nowhere, an airplane slams into the tower, creating a fiery nightmare of terror and confusion. And Brandon is in the middle of it all. Can he survive -- and escape? September 11, 2019, Afghanistan: Reshmina has grown up in the shadow of war, but she dreams of peace and

progress. When a battle erupts in her village, Reshmina stumbles upon a wounded American soldier named Taz. Should she help Taz -- and put herself and her family in mortal danger? Two kids. One devastating day. Nothing will ever be the same.

From the New York Times bestselling author of *The Love Hypothesis* comes a new steamy, STEMinist novella... It will take the frosty terrain of the Arctic to show these rival scientists that their chemistry burns hot. Mara, Sadie, and Hannah are friends first, scientists always. Though their fields of study might take them to different corners of the world, they can all agree on this universal truth: when it comes to love

and science, opposites attract and rivals make you burn... Hannah's got a bad feeling about this. Not only has the NASA aerospace engineer found herself injured and stranded at a remote Arctic research station—but the one person willing to undertake the hazardous rescue mission is her longtime rival. Ian has been many things to Hannah: the villain who tried to veto her expedition and ruin her career, the man who stars in her most deliciously lurid dreams...but he's never played the hero. So why is he risking everything to be here? And why does his presence seem just as dangerous to her heart as the coming snowstorm? To read Mara and Sadie's stories look for the novellas *Under One Roof* and *Stuck with You* available now from Berkley!

DAY ZERO

Macmillan

His sister's disappearance threatens to tear a boy's family apart Cray is the first to smell smoke. It's his 1st week on the job, working alongside his father at the family plant, and he's afraid of making a fool of himself. So he waits on the factory floor, the machines screaming and wood chips flying. But he's finally certain: The roof is on fire, and if the blaze isn't put out, the factory could explode. Cray calls the fire department and races through the building telling the workers to flee. He's amazed by how calm they are. The fire is extinguished, and life slowly returns to normal. But the true crisis is just around the corner. When Cray's sister disappears and the

police search reveals no trace of her, he discovers fear affects everyone differently—and it's not always smart to stay calm.

Poetry. "Of the many ways of knowing the world, Stacie Cassarino in her elegant and poignant first book of poems, ZERO AT THE BONE, reminds us of the primacy of the senses. She tells us 'our mouths try to get it right' or that the 'mouth of the trees' will swallow us whole, by which she means taste is the most direct authenticator of experience and also the most defenseless because it's instruments of lips and tongue are eager. As a result, her great pre-

occupation is with the vulnerability of human relationships, but as the title of the book suggests, Cassarino is fearless in her explorations of the risks. She knows 'you've got to live like everything will hurt you'"--Michael Collier.

Carr Luka is a rising star in the weightless combat sport called zeroboxing. But Carr gets involved with a far-reaching criminal scheme, threatening his budding relationship with his marketing strategist.

Zero at the Bone Penguin

Late one evening in the summer of 2003, Erec Toso arrived home to his wife and children after an ordinary day at his university office. In the darkness of his yard, a rattlesnake lay along the path, basking in the post-monsoon coolness.

Toso, lost in thought, never saw the snake, which struck him on the foot and injected a huge dose of venom. *Zero at the Bone* is a deeply personal narrative about Toso's physical recovery and emotional transformation following this near-death experience. In elegant prose that inspires as much as it unsettles, Toso takes the reader along with him on his expedition into the uncharted territory of cellular damage, hallucination, and ultimately profound spiritual awakening. On all levels, it is a book about pain. Toso spares no detail in his accounts of agonizing hospital procedures, in his revelations about rattlesnake lore, or in his descriptions of the wide-ranging effects of snake venom. But quickly the reader realizes that the physical pain of the snakebite is

only the more tangible marker of the psychological pain and turmoil that Toso endures in the emotional journey that ensues. In the months that follow his terrifying attack, priorities, daily habits, family relations, and definitions of self all come into question. What is predictable becomes problematic; what is comfortable becomes disconcerting. In a story that hinges on a common fear about an unlikely event—that of a snakebite—Toso uncovers a more widespread reality that many of us do not fear enough—complacency. *Zero at the Bone* Vintage Canada

After surgeon Jack Francisco witnesses a mob hit, he's targeted by a hitman known only as D. But when D's conscience won't let him murder an innocent man, the two find themselves

An unconventional, engaging, and delightful counting book for curious minds that playfully uses numbers as an entry-point to discover the amazing, diverse, fact-filled world of wonders all around us. The book focuses on the numbers zero to nine and powers of ten counterparts of ten to nine billion. Richly imagined and playfully illustrated, *Octopuses Have Zero Bones* is a great choice for children, families, inquisitive people of all ages, and it is a strong addition to any classroom or school library. Do you know... How many bones an octopus has? How many breaths you

take a day? How many times a black bear's heart beats each hour? How many moons Mars has? How many miles a trip to the moon and back is? How about a trip to Saturn? How many leaves are on an oak tree? How many meters there are between you and the clouds? What happens when you keep placing zeroes at the end of numbers? The answers to these questions appear in this book—along with many more amazing facts that celebrate the numbers zero to nine and powers of ten numbers ten to nine billion. Starting with zero instead of one, this whimsical, fact-filled counting book will delight readers of all ages. Combining elements of traditional and advanced counting books with a sense of wonder and curiosity about the world around us, *Octopuses Have Zero Bones*

encourages young readers to fall in love with numbers and the world around them. The book's layered content offers an easy and attractive point of entry as well as the possible to explore and understand more at multiple levels.

Penguin

For ex-detective Frank Swann, being on the outside of Western Australia's police force is the only way to get justice done. Perth in 1979 is a city of celebration and corruption. There are street parties, official glad-handing – even a royal visit – to commemorate a century and a half since colonisation. But behind the festivities a new kind of land grab is going on, this time for mining leases. The price of gold is up, and few are incorruptible before its lure. When Swann is hired to probe the suicide of a

well-regarded geologist, he's drawn into a mire of vice and fraud that has at its heart a lust for wealth that verges on a disease . . . By the author of the acclaimed *Line of Sight*, *Zero at the Bone* lifts the lid on Perth at the start of the mining boom to show a town where Chinatown meets Underbelly, and where the establishment and the lawless blend into one. 'Full of crooked cops, corrupt politicians and rapacious mining companies . . . I really enjoyed *Zero at the Bone*.' Michael Robotham 'Has all the economy, pace, unexpected humour and local colour we've come to expect from David Whish-Wilson. Highly recommended.' Adrian McKinty 'The plot is unexpected and intriguing, the action intense, but best of all is Whish-Wilson's ability to draw characters so familiar

they could be next-door neighbours. Beautifully written ... An absorbing read and thoroughly recommended if you love a great story. You won't want to put this one down until the very last page.' West Australian 'Satisfying turns [hold] narrative interest in a complex plot... This heavily researched and painstaking attention to detail skilfully captures the essence of Perth in the late 1970s and bodes well for Whish Wilson.' ABR 'Zero at the Bone is a gritty and utterly absorbing read... I'll be going back for more.' Good Reading
[Octopuses Have Zero Bones](#) Open Road Media
The abduction and murder of Bobby Greenlease, the six year old son of a wealthy car dealer in Kansas City, shook the nation. The ransom demand of

600,000 dollars was the largest ever in American history, but by the time his parents received it, Bobby was already dead.

Zero at the Bone Souvenir Press

Robert Eversz's edgy and endearing heroine Nina Zero is back...and this time she's embroiled in her most dangerous case ever -- investigating L.A.'s underground S&M scene while getting caught up in sex, lies, and babysitting. It's opening night of Nina Zero's first gallery show, and her staged photographs of Hollywood pulp scenes are attracting the interest of actual art connoisseurs, not just the usual gossip rag readership. But the excitement of the evening shifts to alarm when Nina receives an anonymous package containing an amateur bondage video

that may have ended in death. As she and her editor at Scandal Times watch the rape and strangling of a young woman, Nina Zero recognizes a distinctive tattoo on the woman's right shoulder, and suddenly realizes why one of her models has missed the opening. Who sent the tape? And more important, what happened to the woman? Nina starts investigating her model and discovers a parallel life of S&M phone sex, blogs written in code, an illicit relationship with a celebrity hypnotherapist, and ties to the son of a billionaire film director. Her Scandal Times coverage of the case enrages the LAPD and attracts death threats from anonymous sources. Luckily, Nina has her trusted (but toothless) Rottweiler by her side, as well as a sexy but

mysterious detective who keeps landing in her bed. Just when events begin to spin from her control, Nina's deeply dysfunctional family enters the fray, making life even more complicated for this ex-con with a soft heart and a chip on her shoulder. Set in a vividly sunny and sinister Los Angeles, Zero to the Bone is the best (and sexiest) Nina Zero novel yet.

Drive Your Plow Over the Bones of the Dead Gallery Books

The romantic allure of the cowboy is unparalleled. These sweaty, dusty icons of the West, past and present, still melt hearts and raise pulse rates, whether the man's wearing a ten-gallon hat, chaps and spurs, or nothing at all. In these stories of romance with a Western flair, love softens the most hardened range

rider and passion fires the most stoic ramrod's blood. Fate may throw a few twists in their path, but at the end of the day, these men will be riding double into the sunset. Maria Albert - Surviving the Crossing K.R. Foster - Mr. August Lacey - Anne Frye - Trial By Fire Maggie Lee - Hitting the Trail Rowan McAllister - Courtin' Trouble J.M. McLaughlin - Facing Up Zahra Owens - Deluge Jane Seville - In Temperance Kate Sherwood - Rode Hard and Put Away Wet Ariel Tachna - Out on the Range B.G. Thomas - The Real Thing Xara X. Xanakas - Cowboys and IT-ians

Zero at the Bone North Star Editions, Inc. A NEW YORK TIMES NOTABLE BOOK The Babylonians invented it, the Greeks banned it, the Hindus worshipped it, and the Christian Church used it to fend off

heretics. Today it's a timebomb ticking in the heart of astrophysics. For zero, infinity's twin, is not like other numbers. It is both nothing and everything. Zero has pitted East against West and faith against reason, and its intransigence persists in the dark core of a black hole and the brilliant flash of the Big Bang. Today, zero lies at the heart of one of the biggest scientific controversies of all time: the quest for a theory of everything. Within the concept of zero lies a philosophical and scientific history of humanity. Charles Seife's elegant and witty account takes us from Aristotle to superstring theory by way of Egyptian geometry, Kabbalism, Einstein, the Chandrasekhar limit and Stephen Hawking. Covering centuries of thought, it is a concise tour of a world of ideas,

bound up in the simple notion of nothing.

ZERO AT THE BONE

Kings Road Publishing

This suspenseful true story that reads like a thriller details the homicidal rampage of Ronald Gene Simmons, from his troubled youth to murdering fourteen of his family members and the explosive trial that followed. Gene Simmons was always determined to control everything around him, including his wife and children, even as they slipped further and further from his grasp. Beginning with a strange fixation on details and discipline, he slowly slid from isolation all the way into murderous madness. After years of paranoia and depravity, Gene Simmons came to the conclusion that his family must die, which began his cold-

blooded rampage that led to the horrific day in 1987 that he murdered fourteen of his family members and left them in a mass grave. Zero at the Bone tells, for the first time, the true story of the Simmons slaughter, from the former Air Force Master Sergeant's mania for order to his incestuous relationship with his daughter, who bore him a child who also became one of his victims. This is the story of how Simmons' carefully planned and gruesomely carried out the murder of his family members, including the

pauses in between to drink beer and watch "Wheel of Fortune." Here are the fears and obsessions that haunted the man, terrified his wife, and exploded around the family Christmas tree.

Zero at the Bone Pinnacle Books Documents the 1953 kidnapping and murder of a wealthy automobile dealer's son, describing how former inmate Carl Austin Hal and prostitute Bonnie Heady successfully collected a lucrative ransom that was subsequently stolen by mobster Joe Costello.
