Frank and funny, these stories written originally for the Bengali children's magazine Sandesh, are an essential read for all Ray enthusiasts as well as those who want to know Ray, the writer and filmmaker, better. In this volume, Ray also shares some of his experiences while shooting Pather

Panchali—his epic debut, and subsequent films, particularly for children. He describes how an entire field of kaash flowers was eaten up by cows before he could shoot his famous scene with the train in Pather Panchali; and how a circus tiger let loose in a bamboo grove chased away a group of curious onlookers in the blink of an eye.

His real name was Dhanpat Rai but he is better known by his pen name Munshi Premchand. He has been read and studied both in India and abroad as one of the greatest writers of the century. Premchand's literary career started as a freelancer in Urdu. In his initial short stories he has depicted the patriotic upsurge that was sweeping the country in the first decade of the

19th century. In 1914, Premchand started writing in Hindi. Premchand was the first Hindi author to introduce realism in his writings. He pioneered the new art form of fiction with a social purpose. He wrote of the life around him and made his readers aware of the problems of the urban middle-class and the country's villages. Besides being a great novelist, Premchand was also a social reformer and thinker. Pratigya is the story about a young idealist who takes on himself the task of social

upliftment and progress. It gives a vivid description of the society during that era and the obstructions that were faced by the few who believed in a new and better country by the removal of social evils prevalent during those times.

There is nothing unscientific, nothing romantic in admitting that an idea can influence a brain from a distance. The action of one human

being upon another, from a distance, is a scientific fact. When a Thought or Feeling is generated in the mind or brain of a person, the energy generated flows forth from the brain of the person in the form of waves of mental energy, spreading from the immediate neighborhood of the thinker to a distance proportioned to the strength of the thought or feeling. These Thought-Waves have the property of awakening similar vibrations in the minds of other persons

coming within their field of force, according to the laws of Mental Influence.

In *Desire and Liberation*, Vaddera Chandidas creates a new metaphysical system. He bases this new system on earlier Indian traditions of sutra literature. The author rejects major convergences in

philosophy from both India and the West, especially on the ontological primacy of non-being that results in permanence, which he posits as a mere project of the intellect. He is especially opposed to the idea of permanence, which renders unreliable anything that is not permanent but changing. Thus, desire, which is not permanent, is marginalized. Chandidas points out that contradictoriness is the structural 'tinge' of reality. Therefore, in his

philosophy all that is claimed to be permanent is marginal and derivative of the intellect. A. Raghuramaraju has curated and edited this volume, which proposes a major breakthrough in the field of philosophical studies. The volume reproduces not only *Desire and Liberation* and Kalidas Bhattacharyya's introduction to it, but also the letters that Bhattacharyya wrote to Chandidas, and Chandidas's own commentary on his text.

The first novel by the author of Maps for Lost Lovers: a powerful and exquisitely written story set in a small town in Pakistan after the murder of a corrupt and prominent local judge. When a sack of letters that were thought to have disappeared in a train crash nineteen years earlier reappears under mysterious circumstances, the inhabitants of a secluded Pakistani village wait anxiously to see what secrets may come to light.

Could the letters hold any information about Judge Anwar's murder? As Aslam traces the murder investigation over the next eleven days, he explores the impact that these two events have on a variety of people in the town--from the surviving family of the judge to a journalist reporting on the delivery of the mail packet. With great attention to detail and beautiful scenes that explore the daily rhythms of life in Pakistan, Aslam creates an exotic and timeless world whose

traditional rituals are played out against an ominous backdrop of faraway civil wars, assassinations, changing regimes, and religious tensions.

One of the pioneers of feminist writing in India, Kamala Das is known for her provocative writing on female sexuality and desire. Padmavati the Harlot and Other Stories includes some of her very best fiction. In 'A Little Kitten', a newly married woman finds her life

turning dull and insipid as the tedium of marriage begins to settle in. An old woman believes she is a princess and is delighted to be courted by three suitors in 'The Princess of Avanti'. A man realizes, too late, that he is in love with the woman he is breaking up with in 'The Sea Lounge'. In these and other stories, Kamala Das is bold and unflinching in her exploration of themes such as violence, desire, sex, marriage, family, communalism, and death.

 Things get broken. We repair them. They get a new shape. Perhaps a new identity. This applies to love as well. Because, you are yours before you are someone else's. But what happens when we fall or fail in love? After two heartbreaks, Adrika, a fiercely independent career-girl, changes her hashtag on Instagram to #HappyGoLucky and dreams become her priority. Arjun, workaholic and socially inept, struggles with his weakness for Dimpy

Aunty's daughter Anushka, and his hesitation in sharing heartaches and emotional baggage. Into this mess, steps in Dimpy Aunty, an unlikely saviour, with all her quirks and jauntiness, steering them through rough patches in unlikely ways as only she can. Insightful, bold and witty, I Tagged Her in My Heart is based on a true story that will inspire many to look at the sunny side of life when faced with darkness.

To the world Imran may

appear to be a rich, handsome buffoon with his sports car, eccentric dress sense and bizarre sense of humour—but in reality he possesses a razor-sharp mind, and the agility, strength and quick wits of the perfect spy. His colleagues at the secret service make fun of him, but little do they know that he is their mastermind chief X2—a man who can defeat any enemy and solve all mysteries. Detective Imran is spy-novelist Ibn-e Safi's greatest creation and the bestselling Imran

series are Urdu cult classics, translated into English for the first time. The House of Fear: Dead bodies have been found in an abandoned house, each bearing three identical dagger marks, exactly five inches apart. Who is behind these eerie murders? Only Imran can solve this mystery. The House of Fear is the first book in the Imran series. Shootout at the Rocks: Colonel Zargham knows he is in grave danger when he receives a three-inch wooden monkey in the mail. This is no

ordinary threat, but a warning from the two-hundred-years-old Li Yu Ka, one of the world's deadliest gangs. The monkey will be followed by a wooden snake, and then a wooden rooster, after which the colonel will be swiftly murdered. Only one man stands between Li Yu Ka and his death: genius sleuth, Ali Imran.

FREEDOM ROAD

Penguin UK
This is the autobiography of Malini Chib—a woman who defied all odds to

emerge victorious in spite of a crippling disability and an indifferent society; who dragged herself out of the limits of her condition. This is the story of Malini's search for independence and identity, and her zeal to live a full, meaningful life despite the lifelong disability of Cerebral Palsy. She recounts her experiences from childhood to adulthood, her struggles with motor skills and speech, managing day-to-day activities, and the apathy and indifference of people

towards her and others who are disabled. She educates herself, learns to type with her little finger and speak through the Lightwriter. Finally, she works through unfavorable social systems and attitudes to get a career as an event manager.

UNTOUCHABLE FICTIONS: LITERARY REALISM AND THE CRISIS OF CASTE

When it comes to reading and understanding the Bible, a dangerous phrase

is used by non-Christians and even some believers: "Well, that's your interpretation." It is true that without some care in your interpretation, you can "make" the Bible say almost anything. Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. Dig Deeper offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended

meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible. The Hidden Pool Rupa Publications India Pvt Limited 'Sevasadan' is one of the most representative novels of Munshi

Premchand. Soon after it was published, the novel kicked up national debates on such pertinent social issues as prostitution and the place of women in the Indian society. Social taboos dominated the scenario as much as reformers' zeal to tight the rot in the social value system. The story oscillates round a glamour-struck young girl's life. who was brought up with utmost love and care but whose father had to suffer ignominy at the hands of his adversaries for taking

a once-in-lifetime bribe and being jailed for that. Her prospective engagement was broken because her mother, now made a destitute with her daughters, failed to meet the demand of dowry from the bridegroom's family. Hapless and stranded, she. along with her mother and sibling sister, was under care of her maternal-uncle. gets married to a middle-aged pauper and pushed to life-long poverty. She failed to get what she had been dreaming for since her childhood. She fought

continual battles between aspiration for a respected prosperous lifestyle, and the existing value system which forced her to live with poverty. By the turns of events she ends up into a life of a tawaif, hatefully tries to come out of the nuisance but the irony of fate makes her the centre-point of all debates on how prostitutes could be rescued and rehabilitated. 'Sevasadan' exposes the time Premchand lived in. It also reflects how seriously the author had waged a battle, which is being

fought in the Indian society even today.

SEASON OF THE RAINBIRDS

Pearson Education India
In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for

reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged

by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.
