For the last ten years, urban sketcher Marc Taro Holmes has been on a mission to travel the world drawing and painting on location. Thousands of loyal readers worldwide have been following his award-winning blog at CitizenSketcher.com, learning from his freely shared articles featuring hundreds of sketchbook drawings and watercolor paintings, his first-hand experiments with field-sketching gear, free downloadable art-workshops, and numerous over-the-shoulder, step-by-step demonstrations Along the way Marc wrote the instant classic: The Urban Sketcher: Techniques for Seeing and Drawing on Location (4.6 stars 180+ reviews). Marc is also the presenter of two online courses: Travel Sketching in Mixed Media and Sketching People in Motion (available from Craftsy.com). With his latest book, Direct Watercolor Marc brings you a retrospective collection of over eighty of his watercolor paintings, painted side-by-side with fellow urban sketchers in ten different countries. This is the work of a plein-air painter at the top of his game, seen for the first time as a single body of work, and accompanied with his latest thoughts on the medium of watercolor. Also included - six completely new step-by-step demonstrations, systematically explaining his deceptively simple approach to painting. Marc shows you how to paint rapidly, with little or no preparation and the minimum of supplies, unlocking the secrets of spontaneous, expressive watercolor, with a unique personal vision. Whether you're already one of Marc's readers or are about to discover his boldly expressive approach, Direct Watercolor offers you the keys to unlocking your own adventures as a sketchbook artist, traveling watercolorist, or unconventional studio painter. Please note: This ebook version of Direct Watercolor is only suitable for full-color displays such as the Kindle Fire, or the Kindle app for tablets, phones, laptops, and computers.

Discover the benefits of completing a watercolor painting in 30 minutes or less Spending hours or even days on a watercolor painting can lead to dull, muddy results. But a surefire way to keep your paintings loose and fresh is to work quickly! In this informative, 64-page book, accomplished artist Paul Talbot-Greaves proves that painting in watercolor doesn't have to be an all-day event. In fact, an impressive landscape scene can be created in just 30 minutes or less, which Paul demonstrates in 27 step-by-step lessons. To discourage readers from overworking their paintings, the author breaks down each lesson into short blocks of time, indicating how many minutes should be spent on each stage. In addition, he provides practical information on tone, color, pattern, light, and more, so readers can improve their skills and develop their "artist's eye."

"Charlie Evans is a highly experienced artist. His exuberant personality and unique gift for explaining his techniques in clear and simple terms make him a highly popular and well-liked tutor and demonstrator, and he spends his life travelling throughout the UK running art classes and appearing in his long-running TV series. In this book he passes on his knowledge and expertise in his own, accessible style, giving the reader the confidence and know-how to produce beautiful, evocative watercolour paintings of their own. It includes tips on everything from choosing which colours and brushes to buy, to how to paint skies, water, texture and buildings. The tips are clearly explained and illustrated using both step-by-step demonstrations and finished paintings. They will help unravel the mysteries of the watercolour medium for those new to painting and also for more experienced watercolourists on the lookout for tips from a master."--Publisher description.

Just Add Watercolour is an innovative and accessible guide to this most dynamic of artforms, packed with bite-sized creative painting tips and advice, offering aspiring artists the freedom to dip in and out for practical information or flick through for fresh inspiration and ideas. Showcasing nearly 100 works by contemporary artists across a range of different styles and approaches, Just Add Watercolour highlights and examines the different techniques, qualities and effects relating to each

piece. Organized into chapters according to medium and materials (e.g. traditional watercolour, gouache, digital, mixed media) artwork is featured large and luscious, accompanied by extended captions, insightful tips and practical advice. A visual index at the front of the book enables the reader to easily identify a specific painting, style, colour or subject matter. Throughout the book, useful information and practical tips are provided on a wide range of topics such as tone, perspective, colour and much more besides. Readers are encouraged to discover the various ways in which similar subjects and styles are executed by different artists, while also being inspired to use the tips in the book as a way of building on their existing skills. Offering a bold, refreshing change from other run-of-the-mill art books, Just Add Watercolour adopts the unique approach of accessing practical information via the images, focusing on the way subjects can be treated using a range of different watercolour techniques, rather than looking at how to master one single style.

### READY TO PAINT IN 30 MINUTES: LANDSCAPES IN WATERCOLOUR

Search Press Limited

A complete watercolor instruction guide, this long-time bestseller is full of vibrant illustrations, examples of what to do and what to avoid, and tips that make the medium accessible. Written by a true master, it presents practical information on the basics of setting up a good painting — composition, color, and light — before discussing the medium's advantages and concluding with informative demonstrations. Tony Couch emphasizes practice as the key to developing watercolor skills. Starting with equipment choices and methods for controlling paint on wet paper, he proceeds to discussions and illustrations of the elements and principles of design. Other topics include working with color and value, pulling together a composition, and acquiring techniques for handling watercolor. Easy-to-follow examples chart the progress from a rough sketch into a finished painting. Watercolor: You Can Do It! is an ideal companion for beginning to advanced artists, suitable for individual study as well as a text for art students and teachers.

This complete beginners guide to painting flowers in watercolour is ideal if you want to learn to paint but are short on time. Each of the 35 quick and easy exercises takes no more than 30 minutes to complete, and will teach you how to paint flowers of different shapes, colours and families lilies, orchids and hellebores amongst others or learn a key technique such as masking out, working wet in wet and colour-mixing. The exercises are all worked at postcard size ideal for a 6 x 4in (A6) watercolour pad, and tracings are included for each study. The book is broken down into five chapters that focus, respectively, on working with watercolour, watercolour techniques, colour and tone, form and detail, and finally flowers in context. The final section of the book contains three complete paintings that demonstrate how to combine all the techniques and elements of painting flowers, as learned from the preceding chapters. These paintings, too, are accompanied by actual-size tracings.
