Mastering Copperplate Calligraphy Penguin

Calligraphy can be a very personal pathway to explore a multiplicity of design concepts. In this striking and original book, now available in paperback, images of the natural world are turned into a rich source of inspiration for a variety of calligraphy projects. Renowned calligrapher Denise Lach invites us to look closely at details and textures, expanding our powers of observation and finding creative ideas in the world around us. Using a range of writing tools and techniques, she takes a playful approach to written script, encouraging readers to look beyond legibility and use letterforms as building blocks, freely interpreting natural motifs to create beautiful calligraphic images. This is an invaluable sourcebook for both enthusiastic beginners and experienced calligraphers.

100 Calligraphic Alphabets Sterling Publishing Company

The perfect companion for pointed pen and digital calligraphers alike, with more than 2,700 letterforms and ligatures, stroke drills, warm-up exercises, flourishes, and simple words and phrases. This beautiful, in-depth guide to modern calligraphy emphasizes experimentation and fun, rather than rigid uniformity. With targeted exercises and lessons aimed at pushing you out of your calligraphy comfort zone, Mastering Modern Calligraphy will not only help you master tricks of the trade, but develop your very own modern calligraphy style, too.

Beautifully illustrated with a covetable rose gold foil cover, Modern Calligraphy is a step-by-step workbook for those wanting to learn this super trendy form of lettering. Written by Lucy Edmonds, the founder of Quill London, the book will guide readers through the first steps of pointed pen calligraphy, encouraging you to spend an hour a week developing and practicing the new skill. Designed for complete beginners, the book offers tips, tricks and techniques on the materials required and how to use them properly, how to approach the modern calligraphy letterforms, and most importantly explores ways to develop our own modern calligraphy style. You'll learn about inks and how to make your own, brush calligraphy, and what you can do with your new skill - from envelope addressing and event stationery to beautiful dinner party menus and gift tags.

*Calligraphy* Tip Top Education

This thorough workbook provides a complete course in calligraphy, from basic alphabets and letterforms to templates, from spacing and layout to complex projects. It's big, it's complete, and it's filled with the most detailed lessons on calligraphy anyone will ever need. A complete overview of the basic tools explains what each pen can do, and how inks and paints can affect the quality of the work. Several tasks are laid out for students to master: They can start with "skeleton letters," and then gradually try more complex forms, including Rustica, Antique Uncials, and Carolingian. Prepare for a project by understanding line spacing, centering, layout, pasting up, and using color. Then, see how to make giftwrap, fashion handmade greeting cards, design posters, and copy poetry and prose.

A perfect gift for anyone who wants to learn the "write" way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In *Modern Calligraphy*, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.
