THE SECRETS OF ACTION SCREENWRITING

Sristhi Publishers & Distributors

India is one of the fastest-growing economies in the world. Yet health is not a part of our ambitious development story. In fact, India's disproportionately stingy healthcare budget makes some of the poorer nations look better in comparison. Statistics, however, speak louder than critics: we have one of the highest numbers of women dying in childbirth and under-five mortality rates. Every year nearly sixty million people get pushed below the poverty line due to the health expenditures that they incur. But there are a few bright spots too: India has eradicated polio

and reversed the incidence of HIV/AIDS by an impressive margin. Drawing on her experience as the former union health secretary, K. Sujatha Rao gives us an unsparingly candid insider's view of India's health system. This richly detailed book favours increasing the health budget, greater use of technology, and providing leadership and good governance. Rao argues that unless good health is prioritized as a national goal, India's growth story will remain largely self-congratulatory.

The Washington Post bestselling serial-killer thriller that will leave you wondering, is the past really in the past? Three Chicago women have been found strangled, embalmed, and posed as if still alive. Doubting the findings of the local PD's profiler, The FBI calls on forensic psychologist Zoe Bentley to investigate. Zoe

quickly gets off on the wrong foot with her new partner, Special Agent Tatum Gray. Zoe's a hunter, intense and focused; Tatum's a smug maverick with little respect for the rules. Together, they must descend into a serial killer's psyche and untangle his twisted fantasies, or more women will die. But when the contents of three inconspicuous envelopes reveal a chilling connection to gruesome murders from Zoe's childhood, suddenly the hunter becomes the hunted.

After *The Puppet Show*, a new storm is coming . . . Jared Keaton, chef to the stars. Charming. Charismatic. Psychopath . . . He's currently serving a life sentence for the brutal murder of his daughter, Elizabeth. Her body was never found and Keaton was convicted largely on the testimony of Detective Sergeant Washington Poe. So when a young woman staggers into a remote police station with irrefutable evidence that she is Elizabeth Keaton, Poe finds himself on the wrong end of an investigation, one that could cost him much more than his career. Helped by the only person he trusts, the brilliant but socially awkward Tilly Bradshaw, Poe races to answer the only question that matters: how can someone be both dead and alive at the same time? And then Elizabeth goes missing again - and all paths of investigation lead back to Poe. The gripping new thriller in the Washington Poe series from M. W. Craven, winner of the CWA Gold Dagger Award for best crime novel of 2019. *Longlisted for the Crime Writers Association Gold Dagger 2020* Praise for MIKE CRAVEN 'Dark, sharp and compelling' PETER JAMES 'Fantastic' MARTINA COLE 'Britain's answer to Harry Bosch' MATT HILTON 'A powerful thriller from an explosive new talent' DAVID MARK 'Truly mind-blowing' A. THICKER THAN BLOOD

Springer Science & Business Media

Winner of the CWA Gold Dagger Award 2019 Viking Adult

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will

emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.

Identity, Space and Place in the Levant Allen & Unwin Australia

A timeless tale of complex emotional relationships from an acknowledged master Soon to be a major motion picture directed by Rituparno Ghosh, Chokher Bali is Nobel Prize-winning author Rabindranath Tagore's classic exposition of an extramarital affair that takes place within the confines of a joint family. It is the story of the rich, flamboyant Mahendra and his simple, demure, beautiful wife Asha—a young couple who are befriended by the pragmatic Bihari. Their cosy domestic scenario undergoes great upheaval with the introduction of the vivacious Binodini, a young, attractive widow who comes to live with them. Asha and Binodini become bosom pals. Binodini is initially drawn to Bihari but then begins to respond to the advances of Mahendra, who has become obsessively attracted to her. After several twists and turns, Binodini elopes with Mahendra, leaving the entire family in turmoil. Bihari pursues them to Allahabad and succeeds in bringing them back to Kolkata, but the question remains: can a marriage that has once been ruptured by breach of trust be mended again into a meaningful relationship? On the one hand, *A Grain of Sand*: Chokher Bali is a sensational account of two illicit relationships: Mahendra's infatuation with Binodini which blinds him to everything else, and Binodini's secret passion for Bihari of which she is never able to speak. On the other hand, it is a complex tapestry woven by the emotional interplay between five finely etched characters: the impulsive Mahendra, his adoring mother Rajlakhmi, the frail and sensitive Asha, the strong, silent Bihari, and the self-willed and irresistibly attractive Binodini. A compelling portrayal of the complexity of relationships and of human character, this landmark novel is just as powerful and thought-provoking today as it was a hundred years ago, when it was written.

The Immortals of Meluha How to Write a Movie in 21 DaysThe Inner Movie Method

In this classic bestselling screenwriting guide—now revised and updated—author and film consultant Viki King helps screenwriters go from blank page to completed manuscript through a series of clever and simple questions, ingenious writing exercises, and easy, effective new skills. Viki King's Inner Movie Method is a specific step-by-step process designed to get the story in your heart onto the page. This method doesn't just show how to craft a classic three-act story but also delves into how to clarify the idea you don't quite have yet, how to tell if your idea is really a movie, and how to stop getting ready and start. Once you know what to write, the Inner Movie Method will show you how to write it. This ultimate scriptwriting survival guide also addresses common issues such as: how to pay the rent while paying your dues, what to say to your spouse when you can't come to bed, and how to keep going when you think you can't. *How to Write a Movie in 21 Days*, first published in 1987, has been translated in many languages around the world and has become an industry-standard guide for filmmakers both in Hollywood and internationally. For accomplished screenwriters honing their craft, as well as those who have never before brought their ideas to paper, *How to Write a Movie in 21 Days* is an indispensable guide. And Viki King's upbeat, friendly style is like having a first-rate writing partner every step of the way.

This comprehensive volume is a graduate-level text in human biodynamics, written in the unified categorical language of modern differential geometry and topology. Combining mathematics, physics and robotics with human physiology, this is the first book that describes all levels of human biodynamics, from musculo-skeletal mechanics to the higher brain functions. The book develops and uses a variety of research methods, ranging from chaos theory and Haken's synergetics, through quantum mechanics, to nonlinear control and artificial intelligence, to provide the means to understand, predict and control the behavior of human-like systems in their full neuro-musculo-skeletal complexity. The applications of this unique scientific methodology range from prediction of human neuro-musculo-skeletal injuries to brain-like control of humanoid robots.

Eternal Sacrifice Thomas & Mercer

The Indian Military Academy – a crucible of sorts where young boys are transformed into officers of merit through discipline, hard work, and a rigorous regime. A place where life is all about battalions and companies, and where the tactics of warfare are taught. However, in Tanushree Podder's no-holds-barred look into Academy life – pranks and girls are as important to life as are morning drills and sand model exercises. A fitting, but entirely independent, sequel to *Boots Belts Berets*, her celebrated book about life at the National Defence Academy; *On the Double* follows the continuing adventures of Pessi, Maachh, Porky, Sandy, and Zora as they navigate the obstacle course that is the IMA. Their love of fun breathes life into their time together, and their friendship and dare-devilry guarantees sleepless nights for their Company Commander. A charming tale of friendship and coming-of-age, where young boys with lofty dreams stand at the cusp of change, ready to take on their future as sentinels of the nation.

After leading a sheltered life for sixteen years, Pessi, Bertie, Randy and Maachh are thrust into the world of the National Defence Academy. Soon they realize that life here is not just about spit and polish, but six terms of adventure and achievement. It is about soaring ambition and tough challenges, a punishing regimen and endless Puttie Parades. However, rugged training and severe ragging cannot keep their spirits down for long. Weaving yarns about imaginary girlfriends, bragging about their escapades and sexual exploits, they turn from greenhorns to tough soldiers. United by their experience, these comrades-in-arms form a bond for life. Tanushree Podder, in this tongue-in-cheek saga of youth, camaraderie and 'growing-up', skillfully reconstructs life at NDA - where boys become men of honour.

The Puppet Show Penguin UK

From Washington Post and Amazon Charts bestselling author Mike Omer comes the chilling conclusion to Zoe Bentley's decades-long nightmare. A murderer who drinks his victim's blood? FBI profiler Zoe Bentley and Agent Tatum Gray thought they'd seen it all, but this young woman's barbaric murder is

especially hard to stomach. They didn't expect to work this case. But vampirism aside, the murderer's MO is identical to that of Rod Glover--the serial killer who's been pursuing Zoe since childhood. Forensics reveals the murder to be his work, but not his alone; desperate to fulfill his sick purpose, he has taken on an equally depraved partner. Zoe's own frustration grows after another woman turns up dead and drained--and another goes missing. Time is running out: Zoe knows her own death will be the climax of Glover's sinister play, which has been unfolding for twenty years. To stop Glover and his vile partner, she'll need to plunge deep into their motives; but this means drawing ever closer to becoming another casualty of a dark, dark thirst.
