Medieval philosophy is the philosophy produced in Western Europe during the middle ages. There is no consensus, even among medievalists, as to when this period begins or ends; [] however, it is conventional—and probably neither fully correct nor incorrect—to begin with Augustine (354–430), and note that the influence of medieval philosophy continued past even the birth of Descartes (1596 ...

The ancients had much to say on tolerance, fairness, logic and empathy, and expounded the virtues of democracy and free speech. The Stoic philosophers offered advice on self-reliance, the exact opposite of victimhood culture.As such, they are a stubborn impediment to progressivist ideals - that is why Padilla and others have decided they have to go.

Political philosophy - Political philosophy - Western political philosophy from the start of the 20th century: Nineteenth-century European civilization had been the first to dominate and pervade the whole world and to create a new self-sustaining productivity in which all eventually might share. But, as Saint-Simon had pointed out, this civilization had a fatal flaw.
