Leonard addresses core issues relating to gender, rock and the music industry through a case study of 'female-centred' bands from the UK and US performing so called 'indie rock' from the 1990s to the present day. Using original interview material with both amateur and internationally renowned musicians, the book further addresses the fact that the

voices of musicians have often been absent from music industry studies. Leonard's central aim is to progress from feminist scholarship that has documented and explored the experience of female musicians, to presenting an analytic discussion of gender and the music industry. In this way, the book engages directly with a number of under-researched areas: the impact of gender on the everyday life of performing musicians; gendered attitudes in music journalism, promotion and production; the responses and strategies developed by female performers; the feminist network riot

grrrl and the succession of international festivals it inspired under the name of Ladyfest.

Mel Bay is pleased to present the long-awaited publication of the Los Angeles Guitar Quartet's "loose" arrangement of the Pachelbel Canon for four guitars. Originally intended as an inside joke for the LAGQ members, this clever and comical send-up of Pachelbel's beautiful (and somewhat overplayed)

melody has become a standard LAGQ encore and an internet sensation. Featured in performance on the Mel Bay DVD LAGQ Live at the Sheldon, this unique arrangement presents the pristine Baroque theme, and then adapts it in a number of unexpected musical styles: Reggae, salsa, bluegrass, jazz, flamenco, disco, and even punk. This is the only arrangement in the LAGQ repertoire that was a true group-project with all four members (John Dearman, William Kanengiser, Scott Tennant and Andrew York) contributing; as a special bonus, new LAGQ member Matt Greif has added an alternative solo for the jazz section. Carefully notated to capture the nuances of LAGQ's stylistic flair, the parts are presented in standard notation as well as in tablature for those less

familiar with note-reading. It's a challenging and fun re-imagining of a timeless classic.

Branded as rebels and traitors, the members of the Alliance worked from the shadows, gathering information and support from across the galaxy to bring an end to the Empire's tyranny. This information has been kept hidden until now. Discovered in the ruins of an abandoned rebel base, these files have been passed among members of the Resistance, who have added notes, updates, and new insights to the documents. A repository of Alliance intelligence, The Rebel Files weaves together classified documents,

intercepted transmissions, and gathered communications to trace the formation of the Rebel Alliance. Unlock the secrets of the Rebel Alliance!

This treasury of beloved classical music favorites is specially arranged for hammered dulcimers by master dulcimer performer and teacher, Dr. Mark Alan Wade. A splendid compilation of familiar pieces, each one is painstakingly edited to preserve the composer's imagination and spirit while distilled into dulcimer reductions playable with only two hammers. Enjoy playing favorites like "Jesu, Joy of Man's Desiring," "Für Elise," "Clair de lune," and many more cherished titles by celebrated composers including Vivaldi, Telemann, Schubert, Mozart, Boccherini, Tchaikovsky, Saint-Saëns, Fauré, Schumann, Brahms, Satie, Haydn and more! Each gem is set in

dulcimer-friendly keys fitting within a chromatic 16/15 range with the melody clearly displayed in the upper voice for intermediate players, and with the supportive chords and countermelodies in the lower voice for more advanced players.
