Unleash the Power
Within Simon and
Schuster
In her global
phenomenon The 5
Second Rule, Mel
Robbins taught millions
of people around the
world the five second
secret to motivation.
Now she's back with
another simple, proven
tool you can use to
take control of your
life: The High 5 Habit.
Don't let the title fool
you. This isn't a book
about high fiving

everyone else in your
life. You're already
doing that. Cheering
for your favorite teams.
Celebrating your
friends. Supporting the
people you love as
they go after what they
want in life. Imagine if
you gave that same
love and
encouragement to
yourself. Or even
better, you made it a
daily habit. You'd be
unstoppable. In this
book, Mel teaches you
how to start high fiving
the most important
person in your life, the
one who is staring back
at you in the mirror:
YOURSELF. If you
struggle with self-

doubt (and who doesn't?) ... If you're tired of that nagging critic in your head (could somebody evict them already?) ... If you're wildly successful but all you focus on is what's going wrong (you're not alone) ... If you're sick of watching everybody else get ahead while you sit on the couch with your dog (don't bring your dog into this) ... Mel dedicates this book to you. Using her signature science-backed wisdom, deeply personal stories, and the real-life results that The High 5 Habit is creating in people's lives around the world (and you'll meet a lot of them throughout this book), Mel will teach you how to make believing in yourself a habit so that you operate with the

confidence that your goals and dreams demand. The High 5 Habit is a simple yet profound tool that changes your attitude, your mindset, and your behavior. So be prepared to laugh and learn as you take steps to immediately boost your confidence, happiness, and results. It's time to give yourself the high fives, celebration, and support you deserve.

OVERCOME COMMON PROBLEMS

Sapiens Editorial
Accelerate your journey to financial freedom with the tools,

strategies, and mindset of money mastery. Regardless of your stage of life and your current financial picture, the quest for financial freedom can indeed be conquered. The journey will demand the right tools and strategies along with the mindset of money mastery. With decades of collective wisdom and hands-on experience, your guides for this expedition are Peter Mallouk, the only man in history to be ranked the #1 Financial Advisor in the U.S. for three consecutive years by Barron's (2013, 2014, 2015), and Tony Robbins, the world-renowned life and business strategist. Mallouk and Robbins take the seemingly daunting goal of financial

freedom and simplify it into a step-by-step process that anyone can achieve. The pages of this book are filled with real-life success stories and vital lessons, such as... • Why the future is better than you think and why there is no greater time in history to be an investor • How to chart your personally tailored course for financial security • How markets behave and how to achieve peace of mind during volatility • What the financial services industry doesn't want you to know • How to select a financial advisor that puts your interests first • How to navigate, select, or reject the many types of investments available • Success without fulfillment is the ultimate failure!

Financial freedom is not only about money—it's about feeling deeply fulfilled in your own personal journey "Want an eye-opening guide to money management—one that tells it like it is and will make you laugh along the way? Peter Mallouk's tour of the financial world is a tour de force that'll change the way you think about money." —Jonathan Clements, Former Columnist for The Wall Street Journal "Robbins is the best economic moderator that I've ever worked with. His mission to bring insights from the world's greatest financial minds to the average investor is truly inspiring." —Alan Greenspan, Former Federal Reserve Chairman "Tony is a

force of nature.” —Jack Bogle, Founder of Vanguard

• “A startling vision of what the cycles of history predict for the future.”—USA Weekend
William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, *The Fourth Turning* illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America’s past will predict its future. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and

uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four eras—or "turnings"—that last about twenty years and that always arrive in the same order. In *The Fourth Turning*, the authors illustrate these cycles using a brilliant analysis of the post-World War II period. First comes a High, a period of confident expansion as a new order takes root after the old has been swept away. Next comes an Awakening, a time of spiritual exploration and rebellion against the now-established order. Then comes an Unraveling, an increasingly troubled era in which individualism triumphs over crumbling

institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. Together, the four turnings comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. *The Fourth Turning* offers bold predictions about how all of us can prepare, individually and collectively, for America's next rendezvous with destiny.

Next Move, Best Move

Simon and Schuster Wall Street Journal bestseller "A welcome revelation." --The Financial Times Award-winning Wharton Professor and Choiceology podcast host Katy Milkman has devoted her career to the study of behavior change. In this ground-

breaking book, Milkman reveals a proven path that can take you from where you are to where you want to be, with a foreword from psychologist Angela Duckworth, the best-selling author of Grit. Change comes most readily when you understand what's standing between you and success and tailor your solution to that roadblock. If you want to work out more but find exercise difficult and boring, downloading a goal-setting app probably won't help. But what if, instead, you transformed your workouts so they became a source of pleasure instead of a chore? Turning an uphill battle into a downhill one is the key to success. Drawing on

Milkman's original research and the work of her world-renowned scientific collaborators, *How to Change* shares strategic methods for identifying and overcoming common barriers to change, such as impulsivity, procrastination, and forgetfulness. Through case studies and engaging stories, you'll learn:

- Why timing can be everything when it comes to making a change
- How to turn temptation and inertia into assets
- That giving advice, even if it's about something you're struggling with, can help you achieve more

Whether you're a manager, coach, or teacher aiming to help others change for the better or are struggling to kick-start change yourself, *How to*

Change offers an invaluable, science-based blueprint for achieving your goals, once and for all.

Dark Psychology and Manipulation

Simon & Schuster
Audio/Nightingale-Conant

In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world.

When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his

body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing

the right guidance, at the right time, he never would have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. On Fire encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We

can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

Emotions are the driving force behind all human action and experience. The most sublime acts of creation and the most depraved behaviour are products of human

emotion unleashed. And within each one of us is the potential for the whole range of those emotions. In **INNER STRENGTH**, Tony Robbins shows you how to master the powerful emotional forces that drive everything you do. In this new blockbuster Robbins takes you on a journey into your deepest self, and into the next stage of your evolution where instead of ignoring or suppressing your emotions, you embrace all of them, good and bad. Robbins challenges you to strip away your intellect and your daily routines to get at your essence – what's behind your drive to achieve? Is it the desire to find love? To raise your children well? To be financially free? What are you

doing it all for? To get more out of life, you have to own your own nature. INNER STRENGTH offers you a personal emotional fitness plan. This step-by-step regimen will help you discover which emotions dominate your life, and provide you with an emotional 'prescription' — an antidote to the patterns that have been holding you back. The 12-minute emotional 'workout' will transform your outlook and level of fulfillment in a matter of weeks. Harness the power of your emotions and you will not only be fulfilled, you will also achieve more and greater things than you ever thought yourself capable of.
